Official Reporting

To make an official report, contact the UCPD or Boulder police through the phone numbers listed above. Contacting the police may begin a criminal investigation, but generally does not unless you choose to do so or if you are under the age of 18. The CU-Boulder Office of Victim Assistance, MESA, and the Boulder County Safehouse can also facilitate official reporting through law enforcement if desired as well as answer any questions or concerns you might have about reporting options.
