**OFFICE OF STUDENT CONDUCT
APPEAL FORM**

Name: _____ **Date of your decision letter:** _____

Address: _____ **Conduct officer:** _____

Phone #: _____ **Criteria number(s) you are appealing under:** _____

The criteria for the appeal is limited to:

1. *The established procedures were not followed, in a significant way, and as a result, the factual findings, the sanction, or both, were not correct.*
2. *The severity of the sanction imposed was not appropriate based on the nature of the violation or the circumstances.*
3. *There is new information that would have been material to the outcome, had the information been presented at the administrative review or hearing. The new information must be included with the student's Request for Appeal. Also, the student must show that the new information could not have been presented at the administrative review or hearing.*

Any appeal that is submitted, under any of the previous three criteria, also must show that the sanction imposed is one of termination, suspension, or expulsion. If a student did not receive one of these sanctions, the appeal will not be reviewed. In cases in which a charged student has accepted responsibility, such appeals are limited to having the severity of the sanction reviewed.

The purpose of an appeal is not to provide a second hearing for the case. The appeal decision will be based on the information outlined in the Student Conduct Policies and Procedures. **The appeal committee will not meet with the student or re-hear the case.**

All requests for appeal must be filed in writing within ten (10) working days from the date of the decision letter.

Any actions that may have been levied against the student will be suspended until the appeal is heard, unless the welfare of the individual or the community is threatened.

The Director of the Office of Student Conduct or his/her designee will first review all requests for appeal to determine if the request meets the established criteria for appeal and are within the appeal filing timeline that is allotted. If students do not meet the established criteria for appeal or do not appeal within the allotted timeframe, the appeal will not be decided on by the Student Conduct Appeal Committee (SCAC) and the student forfeits his/her right to appeal. In rare cases, circumstances outside a student's control may occur, which prevent an appeal from being submitted by the deadline. Should this situation occur, the student must explain why they did not meet the deadline, and the Director of the Office of Student Conduct or his/her designee will make a determination if a decision will be made on the appeal.

Attach a typed (double-spaced) explanation to this form that addresses your reasons for appealing. You must explain why you meet the criteria to appeal and must include all additional information that will aid the SCAC in making their decision.

You will receive written notice of any decision in regard to your appeal.

Please sign and date this form indicating you understand the information above and have attached a typed explanation for why you are appealing.
