RE: Work-Study Recruitment Mailing Opportunities

STUDENT EMPLOYMENT FRESHMAN/TRANSFER MAILING OPTION

Each year, the Office of Financial Aid/Student Employment prepares a mailing to all freshmen and transfer students who have been awarded work-study for the upcoming academic year. The purpose of the mailing is to assist students in locating a work-study job. Students are encouraged to respond by mail to the participating departments. The student is also sent a form to provide employers with information such as work experience, contact information, etc. The student is instructed to return this form directly to the department(s) of his/her choice. Last year, this mailing was sent to approximately 900 students.

If your department wishes to advertise a work-study position in the Freshman/Transfer Student Mailing, we ask that you complete and return the top section of the attached form to us no later than July 3, 2006. You may print the form and send it to 77 UCB, fax it to us (x2-4544) or email it to stdemp@colorado.edu. In order to help defray the printing and mailing costs, we will be charging employers \$35.00 for each position advertised. A journal entry will be done using the FOPPS that you provide on the sign-up sheet, so ***please do not send us an IN***. A copy of the actual student mailing will be sent to all participating departments in July.

DEPARTMENT MAILING OPTION

We also offer a second option for employers who wish to prepare their own mailing to prospective work-study employees. We can provide lists and mailing labels for each of the following categories:

- * Students awarded work-study listed by major(s)
- * Freshmen, Sophomores, and Juniors who have been awarded work-study
- * All students who have been awarded work-study

A list and labels will be mailed to you around July 17. There is a \$35.00 charge for each category that you request. This option is only available to employers through July 10, 2006. If you wish to order one of the lists to do your own mailing, please complete the bottom section of the attached sign-up sheet. Please return the completed form by the deadline date through campus mail or fax it to us at x2-4544.

If you have any questions pertaining to either of these mailing options, please contact Brenda Duran at x2-7349.
