

The University of Colorado at Boulder Fencing Club  
invites you to the 2<sup>nd</sup> annual

# Rocky Mountain Collegiate Flèche

Saturday, October 20<sup>th</sup> 2007

at the

University of Colorado Student Recreation Center  
Boulder, Colorado

The tournament is open to all degree-seeking college students, regardless of skill, age, or school. This is *not* a USFA sanctioned tournament; no ratings can or will be awarded. However the tournament *will* be conducted in accordance with all USFA rules. Preregistration on AskFRED is *required* for this tournament; if you don't register before October 13<sup>th</sup>, you don't fence. The cost is \$15 for your first event, and \$10 for the second. The schedule of events will include, at least:

Individual Mixed Foil  
Individual Mixed Saber  
Individual Mixed Épée

For more information on our club, including directions, see our web site, at:

<http://www.colorado.edu/StudentGroups/FencingClub/>

We want to make this a tournament you want to come to! We'll be reserving some extra floor space so that you can bout freely with others, and we'll adjust the format of the events to provide as much fencing as possible within the time available. Two pool rounds? Fence off for all places from the table of 16? Could be! We understand that most of the clubs we're inviting won't just be paying us \$15 a person, but also paying for their traveling expenses, and we want to make those worthwhile.
