# Applying

To study at CU-Boulder this summer, read the instructions throughout this section, as well as the instructions for registering beginning on page 61. Methods for applying to CU-Boulder and registering for summer classes vary, depending on your student category.

## Continuing Degree Students

You may register for summer session without submitting an application if you meet all three of the following conditions:

- You are an undergraduate or graduate degree student enrolled at CU-Boulder in classes during spring semester 2009 and are continuing through summer session 2009.
- You are in good standing or you have been academically suspended from a CU-Boulder degree program at the end of spring semester 2009 and wish to raise your grade point average (GPA) to have your suspension released. (Exception: If you are on academic suspension from the graduate business program, the School of Education, the Graduate School, or the School of Law, you cannot register for summer classes if you are still in the same college or school.)
- You did not complete a degree at the end of spring semester 2009. (**Note:** If you receive your degree in May 2009, you may apply for summer session as a nondegree student or submit a new application for admission in order to pursue another degree.)

To register for summer classes, see pages 61–70.

## Intrauniversity Transfer

If you are a CU-Boulder undergraduate degree student enrolled for spring semester 2009 and wish to transfer to another college or school on the Boulder campus for summer session 2009, read the *University of Colorado at Boulder Catalog* and consult with the advising office of the college or school you wish to enter for appropriate instructions, deadlines, academic requirements, and application forms. Some colleges and schools allow intrauniversity transfer for fall and spring semesters only.

If you are a former CU-Boulder degree student and were not enrolled for spring semester 2009 but would like to transfer to another college or school on the Boulder campus for summer session 2009, see the Former/Readmit Degree Students section.

## New Degree Students

### Undergraduate Students

If you plan to enter an undergraduate degree program at CU-Boulder during summer 2009, you should complete the online application for admission to an undergraduate program. **Do not use the nondegree and returning student application in this catalog.**

**Note:** The deadline for new student summer degree applications is **February 15** for freshmen and **April 1** for transfers.

If you received your degree at the end of your last term at CU-Boulder, you may either attend as a nondegree student or submit a new application for admission and be admitted in order to pursue another degree. The Leeds School of Business and the School of Journalism and Mass Communication do not accept applications for second undergraduate degrees.

For general admission information or to access the online undergraduate application, visit [www.colorado.edu/prospective](http://www.colorado.edu/prospective).

### Graduate Students

If you are a new applicant for graduate study or a former student applying to a different graduate degree program, you must consult with your department for appropriate application forms and instructions. If you are a former graduate degree student who did not attend spring semester 2009 and are returning to your previous graduate degree program and level, you must reapply for admission through your department.

## Former/Readmit Degree Students

### Undergraduate Students

If you are a former CU-Boulder degree student who is returning to a degree program (your former program or a new one), and you did not attend during spring semester 2009 and want to attend the summer session only, you may apply through Continuing Education using the online application available at [conted.colorado.edu/register/credit-app](http://conted.colorado.edu/register/credit-app) or submit the Summer Session Nondegree and Summer Returning Degree Student Application on pages 59–60. Students who were academically suspended from a CU-Boulder program at the end of fall semester 2008 or before, and wish to raise their grade point average (GPA) and have their suspension released through summer course work, should also apply through Continuing Education and use the online application at the website listed above. If the suspension is removed once summer work is completed, students will need to apply through the Office of Admissions and use the readmit application found at [www.colorado.edu/prospective/readmit.html](http://www.colorado.edu/prospective/readmit.html) for fall 2009 or a later term. (**Note:** Some students on suspension may be required to receive permission from their college or school. Check with your college or school dean's office.) If you are on academic suspension at the end of spring semester 2009, you do not need to reapply for admission (see the Continuing Degree Students section).

### Graduate Students

If you are a former student applying to a different graduate degree program, you must consult with your department for appropriate application forms and instructions. If you are a former graduate degree student who did not attend spring semester 2009 and are returning to your previous graduate degree program and level, you must reapply for admission through your department.

## Nondegree Students

You may apply as a nondegree student if you:

- Want to take summer courses but are not currently working toward a degree at CU-Boulder (including students from another institution or another CU campus who wish to take courses at CU-Boulder for the summer only).
- Have already received an undergraduate or graduate degree from CU-Boulder and do not wish to apply to another degree program.
- Are a high school student.
- Are a licensed teacher with a baccalaureate degree who seeks only to renew a current license and who does not require institutional endorsement or recommendation.
- Are on nondegree student academic suspension and wish to raise your grade point average (GPA) to have your academic suspension released.

***You may not apply as a nondegree student if you formerly attended CU-Boulder as a degree student and have not yet received a degree. You must reapply for admission as a degree student (see page 56). If you are interested in attending summer only, see the Former/Readmit Degree Students information on page 56.***

If you want to attend CU-Boulder as a nondegree student, use the Summer Session Nondegree and Summer Returning Student Application on pages 59–60 or submit the online Continuing Education application available at **conted.colorado.edu/register/credit-app**.

If you want to attend CU-Boulder as a degree student visit **www.colorado.edu/prospective** for information and to access the online application.

If you have already applied for admission to an undergraduate degree program at CU-Boulder for summer session or fall semester 2009, call the admissions office at **303-492-2451**.

### Nondegree Admission and Registration Policies

As a nondegree student, you must be 18 years of age or older and have a high school diploma or its equivalent in order to qualify for admission (unless you are currently a high school student). You may register for courses on a *pass/fail* basis; however, such courses count toward the maximum number of *pass/fail* credits allowed if you change to degree status. If you have completed 6 semester hours of credit at CU-Boulder, you must maintain a 2.00 cumulative GPA in order to avoid suspension. Admission as a nondegree student does not guarantee future admission to a degree program.

If you are a high school student interested in the challenge of university course work, you are eligible to enroll in courses with the permission of your high school counselor and parent or legal guardian.

If you are considering applying to CU-Boulder as a degree student in the future, meet with a Continuing Education academic advisor to learn about your academic options. We want to help you be successful at the University of Colorado and meet your academic goals. Requirements for admission vary by your status (freshman, transfer, second degree student), so set up an academic advising appointment before you register for classes. If you are under age 22, please

bring copies of your high school transcript, any college transcripts, and your SAT or ACT scores to your advising appointment. Advising appointments can be held by phone or in person. To make an appointment and explore your options call **303-492-8252** or toll free at **800-331-2801**.

For more information about admission procedures and registration status, call Continuing Education at **303-492-5148**.

## Nondegree Students Transferring to a Degree Program

### ***Undergraduate Students***

If you are currently enrolled or have ever been enrolled at any CU campus as a nondegree student and want to transfer to a degree program, visit **www.colorado.edu/prospective** for information and to access the online application.

A degree-seeking applicant may transfer an unlimited number of credits taken as a nondegree student on any CU campus. However, applicability of these hours toward degree requirements is established by the colleges and schools. We suggest that you apply to a degree program as soon as you know you would like to seek a degree. You may want to talk with an admission counselor about admission eligibility requirements first. Students admitted to a degree program are required to attend mandatory degree orientation programs.

### ***Graduate Students***

If you are interested in earning a graduate degree, you should consult with the appropriate graduate department prior to the completion of 9 semester hours earned as a nondegree student. A department may recommend to the graduate dean the acceptance of as many as 9 semester hours toward a master's degree and 21 semester hours toward a doctoral degree. Limits and transfer credit criteria may vary by department. If you are seeking a degree from CU-Boulder you must complete the majority of your course work while enrolled in a graduate program as a degree-seeking student.

## Teacher Licensure

If you are interested in teacher licensure, refer to the School of Education section of the *University of Colorado at Boulder Catalog*. If you are renewing your current license, see the Nondegree Students section. If you hold a baccalaureate degree and seek initial teacher licensure, you should apply to the School of Education for the teacher education program. For information on the deadlines for admission to the teacher education program visit **www.colorado.edu/education**, send an e-mail to **edadvise@colorado.edu**, call **303-492-6555**, or write to:

Office of Student Services  
School of Education  
University of Colorado at Boulder  
249 UCB  
Boulder, CO 80309-0249

## International Students

International students are those who already have, or will be applying for, a temporary U.S. visa such as an F-1 or J-1 and are not U.S. citizens, permanent residents of the United States, refugees, or asylum seekers in the United States. If you have established permanent resident status in the United States and have an alien registration number, or if you have submitted the Form I-485 to the Department of Homeland Security in application for permanent residency status and have received a receipt for the form, you are not considered an international student.

## International Degree Applicants

If you want to apply for an undergraduate degree program at CU-Boulder, visit [www.colorado.edu/prospective/international](http://www.colorado.edu/prospective/international) or call the Office of Admissions at **303-492-6301** for appropriate instructions and application materials. Do not use the nondegree application in this catalog.

If you want to apply for a graduate degree program, visit [www.colorado.edu/prospective/international](http://www.colorado.edu/prospective/international) or call the specific department of interest at CU-Boulder. Call **303-492-1411** or **303-492-0833** (TTY) and a campus operator will direct your call to the appropriate department.

## After Being Admitted as an International Degree Student

You should check in as soon as you arrive in Boulder, with your passport and immigration documents, at International Student and Scholar Services (ISSS) in the Office of International Education, located in the basement of the Environmental Design building. The staff will talk with you about information you will need as a new international student and also register you in SEVIS, the government tracking system for students on F-1 or J-1 visas.

If you are a sponsored student whose tuition and fees are paid to the university by a sponsoring agency, before you register for classes you must provide documentary evidence of that sponsorship and a billing authorization to:

Bursar's Office  
Regent Administrative Center 150  
University of Colorado at Boulder  
48 UCB  
Boulder, CO 80309-0048

Also, send a copy of the documents to:

Office of Admissions  
Regent Administrative Center 125  
University of Colorado at Boulder  
65 UCB  
Boulder, CO 80309-0065

If you are not a sponsored student, you must be prepared to pay summer session tuition and fees at the time you register for classes.

## International Nondegree Applicants

You may register as a nondegree student for summer session if you are in the United States in an appropriate non-immigrant status that extends your lawful stay through the summer. CU-Boulder does not issue form I-20 (or DS-2019) or assume any immigration responsibility for you if you are a nondegree student. Also be aware that the U.S. government does not consider B-1 or B-2 visas appropriate for visitors whose purpose for entering the United States is full-time or part-time study at a university. However, a casual or short-term class that is not the primary purpose of a visitor's presence in the U.S. would be acceptable.

If you hold a temporary visa, you may register as a nondegree student only after demonstrating English proficiency through the "approval to register" process administered by the International English Center, and only if you also meet all academic prerequisites. For more information e-mail [ssdean@colorado.edu](mailto:ssdean@colorado.edu).

If you are an international student and wish to register as a nondegree student for the summer only, you should complete the Nondegree Student Application and attach the following documents with the application:

- Evidence of proficiency in English; e.g., TOEFL Score Report of 500 PBT/61 IBT; or evidence of academic course work delivered in English.
- A photocopy of your immigration forms I-20 (or DS-2019), I-94 (both sides), or other documentary evidence regarding your immigration status.

**Please note:** Admission as a nondegree student is for summer 2009 only and does not constitute admission to a degree program or permission to continue enrollment beyond the summer.

## Summer Session Nondegree and Summer Returning Student Application

Complete this application if you are a nondegree student or a former CU-Boulder degree student who did not attend during spring semester 2009 and are interested only in summer 2009 classes. An interactive version of this application is available at [conted.colorado.edu/register/credit-app](http://conted.colorado.edu/register/credit-app).

Complete both sides of this form and sign it in the space provided. Use ink and print legibly. Do not include payment at this time. Return this application to: Continuing Education and Professional Studies, 1505 University Avenue, University of Colorado at Boulder, 178 UCB, Boulder, CO 80309-0178; or fax to 303-492-5335.

# Registering

All students register for courses through the Web—you can choose your courses, register, view your schedule, drop and add classes, and put your name on course wait lists. When you register, you receive immediate confirmation of your enrollment.

**Note:** If you require accommodations because of a disability, call **303-492-4822** or notify us by writing to:

Office of the Registrar  
University of Colorado at Boulder  
20 UCB  
Boulder, CO 80309-0020

Here's how to register for summer:

- Look for the dates and times you may register.
- Look through the special courses (pages 3–19) and the schedule of courses (pages 23–54) to find the courses you want to take this summer.
- Fill out the summer registration planning form on page 70.
- Use web registration to register for courses, to drop or add courses, and to verify your schedule.

## Register for Courses Early (All Sessions)

Because summer registration is conducted on a first-come, first-served basis, you have a better chance of getting the courses you want if you register early. Therefore, try to register as soon as possible after your registration time assignment begins.

## Web Registration

To register, first complete the registration planning form on page 70. Then go to CUConnect, the CU-Boulder web portal, at [cuconnect.colorado.edu](http://cuconnect.colorado.edu). After you log in with your CU login name and IdentiKey password, choose the Courses tab and then Register for Courses to go to the registration feature. Or go directly to PLUS at [plus.colorado.edu](http://plus.colorado.edu), select the Registration Log-on button, and enter your CU student ID number and your PIN (personal identification number). Follow the instructions on the web pages from there for CUConnect or PLUS. You will need to enter the five-digit course call numbers to register for courses. Every time you want to process a request, click on the Submit button. When you are done registering, verify your schedule by clicking on the Schedule tab at the bottom of the page. Be sure to exit the web registration site when you are done.

You can register via the Web Monday through Friday from 7:00 a.m. to midnight and on Sundays from 11:00 a.m. to midnight (including holidays). Web registration is not available on Saturdays. If you have problems or questions concerning web registration, call the registrar's office at **303-492-6970** between 8:00 a.m. and 4:30 p.m. Mountain Time, Monday through Friday (except on university holidays), and press 1 to speak with a registration assistant. You may call this number 24 hours a day and press 2 to hear recorded registration information. IdentiKey help information is also available on the CUConnect login page.

## IdentiKey

Your IdentiKey plays a large role in computing at CU-Boulder, allowing you to:

- log in to CUConnect, the secure campus web portal
- log in to CULearn, the campus online course management system
- log in to CULink, the campus web-based e-mail and calendaring service
- access wireless networking throughout campus
- log in to computers in ITS, Housing, and other campus computing labs
- log in to my Chinook, your online library record

IdentiKeys, which consist of your CU login name and a unique password, are automatically assigned to all incoming CU-Boulder degree and nondegree students. New IdentiKeys must be activated before they can be used. To activate your IdentiKey, go to CUConnect at [cuconnect.colorado.edu](http://cuconnect.colorado.edu) and click on the IdentiKey/Login Help link in the login box. The next screen that is displayed will include an “activate your IdentiKey” option.

If you are having problems with your IdentiKey, or have not yet received an IdentiKey and need one, contact the IT Service Center at **303-735-HELP (303-735-4357)**, or stop by the IT Service Center located on the first floor of the Telecommunications Center, east of the University Memorial Center, Monday through Friday, 8:00 a.m. to 5:00 p.m. (summer hours: 7:30 a.m.–4:30 p.m.).

## Continuing Degree Students

If you are continuing your degree program at CU-Boulder during the summer, you may register any time after your assigned registration time. Time assignments begin March 4. See Registration Time Assignments below.

Look for your registration status for summer by logging on to CUConnect at [cuconnect.colorado.edu](http://cuconnect.colorado.edu) and choose the Courses tab. Click on Register for Courses and then the Reg. Status tab at the bottom of the page. Or access PLUS at [plus.colorado.edu](http://plus.colorado.edu) and select the Registration Log-on button. Select the Reg. Status tab at the bottom of the screen to view your eligibility to register for summer 2009. Your registration time assignment, stops that need to be cleared, and advising requirements are listed. (**Note:** Your registration time assignment does NOT show on the registration status screen once your time assignment has passed. It only displays if it has not yet arrived and you are ineligible to register.)

## Registration Time Assignments

Summer session registration time assignments for continuing degree students are based on the number of hours you have completed at CU (any campus), including any transfer credits, and any courses you are enrolled in as of February 10.

- Seniors may register beginning at 7:00 a.m. on Wednesday, March 4.
- Graduate, law, and business graduate students may register beginning at 7:00 a.m. on Thursday, March 5.
- Freshmen with 12 hours or fewer may register beginning at 7:00 a.m. on Thursday, March 5.
- Juniors may register beginning at 7:00 a.m. on Thursday, March 5.
- Sophomores may register beginning at 7:00 a.m. on Friday, March 6.
- Freshmen with 13 hours or more may register beginning at 7:00 a.m. on Friday, March 6.

You can register any time for the course you want to take after your time assignment begins, through the drop/add deadline. However, registration is conducted on a first-come, first-served basis so it's to your advantage to register as soon as possible after your time assignment begins for the best selection of courses.

## New Degree Students

All new freshman and transfer students must have a \$200 enrollment deposit on account 24 hours prior to being eligible to register for summer or fall courses.

- New freshman and transfer students in the **College of Engineering and Applied Science** will attend a required New Student Welcome Program on May 29. Information about this program will be sent to all new students by the college soon after the Office of Admissions receives the confirmation form. Registration information and materials will be given to all new students during this New Student Welcome Program on May 29 for terms A, C, and D, and on July 6 for term B. Please call the engineering dean's office at **303-492-5071** if you have any questions.
- New summer freshman and transfer students in the **Leeds School of Business**, the **College of Arts and Sciences**, and the **School of Journalism and Mass Communication** register beginning March 9 but are required to attend an orientation program during the summer in order to register for the fall semester. Information is available at [www.colorado.edu/orientation](http://www.colorado.edu/orientation).
- All other new and readmitted freshman and transfer students register beginning March 9. Registration materials are mailed by the registrar's office after the admissions office receives the confirmation form.

## Former/Readmitted Degree Students

All former/readmitted degree students register beginning March 9. If you were admitted through the Time Out Program, registration materials will be mailed by the registrar's office after admissions receives the confirmation form. All other former/readmitted degree students will receive registration materials through Continuing Education.

## Nondegree Students

Nondegree students register beginning March 9. Registration materials, including your invitation to register, are mailed by Continuing Education when students are admitted for summer and will contain detailed information on the registration and payment process.

If you are a nondegree student thinking about applying to CU-Boulder as a degree student in the future, you may transfer an unlimited number of credits taken as a nondegree student on any CU campus. However, applicability of these hours toward degree requirements is established by the colleges and schools. Consult the dean's office of the college or school you plan to enter for further information.

## Orientation for Nondegree Students

Orientation for nondegree students will be held on Thursday, May 28, at 10:00 a.m., at the Continuing Education Center, 1505 University Avenue. This informal session provides an opportunity to meet and ask questions of representatives from admissions and financial aid, and to receive academic advising. Campus tours will be available. Call **303-492-5148** for additional information.

---

**You are assessed a financial penalty if you register for summer courses and then decide not to attend after May 11 (if registered for Term M or Term Q or registered for Term M in combination with any other term); after June 1 (if registered for any combination of term A, B, C, or D courses); or after July 7 (if only registered for term B, independent study, or thesis hours). See pages 66–67 for withdrawal information. Nondegree students should call Continuing Education at 303-492-5148 for withdrawal information.**

## Your Invitation to Register

Read your summer invitation to register carefully (you receive your invitation with your summer registration materials). It contains your registration time assignment (the earliest date and time you can register).

Your invitation also contains your personal identification number (PIN) and CU-Boulder student ID number. You need both of these numbers to access web registration. Keep them confidential. If you feel they are not secure, you can change your PIN via PLUS at [plus.colorado.edu](http://plus.colorado.edu) or in the campus web portal at [cuconnect.colorado.edu](http://cuconnect.colorado.edu), or come to the registrar's office in Regent 105.

Your invitation may also indicate a registration "stop" on your record. Stops can occur any time in the registration process and can prevent your enrollment in courses. Be sure to check your record and take care of any stops before you register.

In addition, there may be a statement on your invitation about academic advising being required before you can register. If you are required to see an academic advisor, make an appointment as soon as possible. Take your completed summer registration planning form (page 70) with you to your advising appointment. If you are not required to see an academic advisor, but you would like advising, you can either

go to your dean's office or to the Academic Advising Center in Woodbury. After being advised, you can register any time after your time assignment begins.

If you are a new or readmitted degree student at CU-Boulder this summer and have not yet paid your \$200 enrollment deposit, you need to do so at least 24 hours before your registration time assignment begins.

See Web Registration on page 61 for registration instructions.

---

**If you register for summer courses and then decide not to attend summer session, you may be assessed a financial penalty. See pages 66–67 for withdrawal information.**

## Course Repetition Program

The Course Repetition Program allows students who received a grade of *D+* or lower in a course (for graduate students, a grade of *C+* or lower) to repeat the course. The original grade will still appear on the transcript, but will be removed from both the total credit hour calculation and GPA. This gives students the ability to try to improve their GPA by repeating a course in which they did poorly the first time. Additional deadlines, rules, and guidelines can be found at [registrar.colorado.edu](http://registrar.colorado.edu).

## Other Registrations

### Registering for Term M (Maymester)

Continuing degree students, as well as readmitted degree students, new graduate students, and nondegree students, are eligible to register for term M, which runs May 11–29. Incoming freshman, new transfer students, and engineering students on academic suspension are not eligible to enroll in term M courses.

### Registering for Term B Only

If you want to take term B courses only, you may register through July 13, the drop/add deadline for term B.

If you register only for term B, an independent study course, or thesis hours and then decide not to attend after July 7, you will be assessed a financial penalty. Refer to pages 66–67 for withdrawal information.

### Registering for Intensives

Intensives are those courses that meet three weeks or less (does not include Maymester). You may register for intensive courses through the drop/add deadline for the intensive class (see page 66). After the drop/add deadline for the class, you must get a special action form signed by both the instructor and the dean and turn in the form to the Office of the Registrar, Regent Administrative Center 105, from 9:00 a.m. to 4:30 p.m.

Check each course for class beginning and end dates and for the final exam date.

## Concurrent Registration

### Beginning April 30

If you plan to take at least one course at CU-Boulder in the summer but cannot register for all course work required for your degree program, you may be able to register concurrently on another CU campus. If the following conditions are met, you can register for up to two courses or 6 credit hours, whichever is greater, on another CU campus:

- you must remain registered for at least one course at CU-Boulder the entire semester
- you must have your dean's permission (except for Arts and Sciences and Journalism students)
- the courses cannot be available at CU-Boulder without an unavoidable conflict

**Note:** Graduate students should check with the Office of the Registrar for exceptions to the home-campus registration requirement and limitation on credit hours at the host campus.

Concurrent registration forms and instructions are available at the registrar's office in Regent 105 beginning April 30 from 9:00 a.m. to 4:30 p.m. The registrar's office will register you concurrently after schedule adjustment has begun on the other campus. Boulder students pay Boulder tuition rates for all courses. For additional information about concurrent registration, call **303-492-6970**.

## Information About Summer Courses

Refer to this information before you fill out your summer registration planning form on page 70.

### Changing Your Major

If you want to change your major or declare your major before you register, go to that department and ask about the required procedures. Your change is entered into the computer system when it has been approved by the new department. If your change of major involves moving into another college or school, it is considered an intrauniversity transfer (IUT).

### Intrauniversity Transfer

If you would like to transfer into another CU-Boulder college or school, check with that dean's office for admission criteria and information on enrollment levels, application procedures, and deadlines. Policies vary among the different colleges and schools.

If you have already submitted an IUT application, register as if you have been accepted into the new program. If you are not able to register for some courses because you have not yet been accepted, you may change your schedule through the drop/add deadline for the term(s) for which you are registered.

### Credit-Load Limit

The maximum credit load allowed for all colleges and schools during summer session (except the law and education schools) is 15 credit hours. Law students may register for no more than 8 credit hours. Graduate students in the School of Education may register for no more than 9 credit hours.

## Independent Study and Controlled Enrollment Courses

If you want to take a course with an 800-level or above section number, you must contact the department for permission and the five-digit course call number before you can register. Enrollment in these courses is limited by each department.

You have through July 13 to register for independent study course work and thesis hours. Both are subject to term B withdrawal and drop/add deadlines (see pages 65–67).

## Linked Courses (Lectures/Recitations/Labs)

Linked courses are lecture courses that have required recitations and/or labs. In the course listings, you can identify a linked course because *the call numbers for linked lectures are not listed*. Only the call numbers for the linked recitation or lab are listed. (For courses that have a required lecture, recitation, and a lab, the call numbers are *not listed* for the lecture and recitation; they are listed *only* for the lab.)

To register for linked courses, enter the call number for the lab or recitation only. When you enter the call number, the system automatically “links” all other sections of the course and either enrolls you in all sections of the course or gives you the option of placing your name on a wait list, if available, for all linked sections of the course.

## No Credit

If you want to register for course work for *no credit*, you must select the *no credit* option when registering, or go to the registrar’s office in Regent 105 before the appropriate drop/add deadline (see page 66).

**Note:** If you want to make a *change* to *no credit* status *after* you have registered, you must do so in person at the registrar’s office by the drop/add deadline for the course.

Tuition is the same, whether or not credit is received in a course.

Courses taken for *no credit* cannot apply toward a graduate degree.

No changes in registration for credit are permitted after the drop/add deadline for each term.

## Pass/Fail (P/F)

If you want to take a course on a *pass/fail* basis, you must indicate this when registering by selecting the *pass/fail* option or go to the registrar’s office in Regent 105 before the appropriate drop/add deadline (see page 66).

**Note:** If you want to make a change to *pass/fail* status after you have registered, go to CUConnect and choose the Academics and Research tab. The *pass/fail* form is in the registrar forms column. Check with your college or school’s dean’s office; there are restrictions on the number and type of courses that can be taken *pass/fail*.

If you register on a *pass/fail* basis, your name appears on the final grade list, and a letter grade is assigned by the instructor. When grades are received in the Office of the Registrar, your grade is automatically converted to *P* or *F*. Any grade of *D-* and above converts to a grade of *P* and is not calculated into the GPA. Grades of *F* are included in your GPA.

Courses taken *pass/fail* cannot apply toward a graduate degree.

## Wait Lists

Throughout summer registration and through midnight on May 11 for term M, midnight on May 12 for term Q, midnight on June 2 for terms A, C, D, and E, and midnight on July 8 for terms B and F, you may be able to put your name on a computerized wait list if you are eligible to take a course but find it is full. Each department determines if a wait list is offered for a course and what type of wait list is used.

There are two types of wait lists, *automatic* and *resequenced*.

**Automatic** wait lists are set up on a first-come, first-served basis. As a vacancy occurs in a course, the person at the top of the list is automatically enrolled.

**Resequenced** wait lists use a priority system to determine who enrolls in a course as spaces open up. Priorities are established by the department and are usually based on class standing and/or major.

Web registration informs you if a class you have requested has a wait list and gives you the option of adding your name to the list. Select the wait-list option and then select “submit” and wait for verification.

**Note:** Web registration does not tell you what type of wait list is used for the course.

When you place your name on a wait list, the total number of students already on the list is displayed. As wait-list positions constantly change during the registration period, it’s a good idea to check your schedule frequently to find out your position on the wait list. Check your wait-list position by viewing your schedule on CUConnect or in web registration through PLUS. You will see your wait-list position for a course under “status” on the schedule page. Wait-list positions are updated in real time on the Web.

Placing your name on a wait list does not guarantee that you will be able to enroll in the course even if you’re first on the wait list.

When a space opens up for you in a course, you are enrolled automatically in the course from the wait list. An e-mail message notifying you of your enrollment from the wait list is then generated, but if you don’t receive the e-mail, you are still responsible for knowing if you get enrolled from a wait list. **If you choose not to remain on a wait list or if you find that you have been enrolled in a course you no longer want, drop the course as soon as possible.**

It is your responsibility to find out if you have been enrolled in a course from a wait list. Also, if you do not attend a course you have been enrolled in, you will receive an *F* for that class.

## Deadlines for Wait Lists

You can place your name on course wait lists for term M through **midnight on May 11**, for term Q through **midnight on May 12**, and for terms A, C, D, and E through **midnight on June 2**. For terms B and F, you can place your name on course wait lists through **midnight on July 8**. At that time, all wait lists for the terms indicated are frozen. This means you cannot add your name to a wait list for term M after May 11; or for term Q after May 12; or for terms A, C, D, and E after June 2; or terms B and F after July 8. *There is no automatic enrollment from wait lists after these dates.*

If you are still on a wait list as of May 12 for term M, May 13 for term Q, June 3 for terms A, C, D, and E, or July 9 for terms B and F and are still interested in taking the course, check with the department offering the course. You must let the department know you are still interested in the course, should an opening occur. *Department wait lists are cancelled at 4:30 p.m. on May 12, for term M; at 4:30 p.m. on May 15 for term Q; at 4:30 p.m. on June 5, for terms A, C, D, and E; and at 4:30 p.m. on July 13, for terms B and F.*

## Searching for Available Courses

You may need to search for a new section of a course for the following reasons:

- Sometimes academic departments must change the time a course is offered after the summer catalog is published. When this happens, the department cancels the original section and adds a new section that reflects the time change.
- The section you request is full.

**You can search for available sections in the following ways:**

- Use the **schedule planner** feature available on CUConnect at [cuconnect.colorado.edu](http://cuconnect.colorado.edu) (on the Courses page) or on PLUS at [plus.colorado.edu](http://plus.colorado.edu) (select Planning Tools). The schedule planner is a web tool to find out about course availability as well as additional course information. Using this feature, you can also search for courses by subject, core requirements, meeting time, and summer session term. When a course is displayed, you can access the course description, required books, and student ratings. In addition, you can map out your schedule to show when you have courses and other scheduled commitments, such as work. The schedule planner is updated on a daily basis during registration periods, so it is a good planning source, but **does not** display up-to-the-minute course availability.
- Use the **course search** feature in web registration, which you can access via CUConnect or via PLUS. The course search feature allows you to search by subject, level, course number, core requirements, meeting time, summer session term, and for courses that are still open. The course search is updated on a real-time basis, so if you find a course you want to sign up for, you immediately know whether there is room in the course. Also, if you try to register for a course via web registration but you're denied the course (due to the section being closed or cancelled), you can conduct a section search to see if there are any available sections of that same course that fit in with your schedule. When you're denied a course, click on the word search next to the course and then click on the submit button. If there are any available sections of the course that fit your schedule, you'll be given the option to add the course (just click on the add button for the section you want).

## Verifying Your Schedule

Once you have registered, you can verify your schedule and check your wait-list positions (if you are wait listed for any courses) via CUConnect or PLUS.

## Adjusting Your Schedule

You can adjust your schedule by dropping and adding courses through web registration. To drop or add a course, follow the procedures you use to register (see the following Drop/Add Deadlines section for time limitations).

If you want to change your credit hours or adjust *pass/fail* or *credit/no credit* status after you initially register for the course, you must go to the registrar's office in Regent 105 by the appropriate drop/add deadline to have the change made for you. This is for your own protection. If you make these changes via the Web, you must first drop the course before changing your status, and there is the possibility you won't be able to add the course again once you have dropped it.

## Drop/Add Deadlines

If you drop a course by the appropriate drop/add deadline listed below, your bill is adjusted and you won't have a *W* (withdrawn) grade on your transcript. **If you are dropping ALL of your summer courses, see the information on withdrawing.**

The drop/add deadline (see the chart page 66) is the last day you can:

- add a course
- drop a course and receive a tuition adjustment (see Dropping All of Your Summer Courses if you are dropping all of your summer courses or your only course)
- drop a course without receiving a *W* on your transcript
- designate *pass/fail* status changes
- change *credit/no credit* status
- designate a different credit load
- make variable credit-hour changes

---

**If you drop a course after the appropriate drop/add deadline listed (see chart page 66), you are assessed full tuition and fees for the course and it appears on your transcript with a *W* grade.**

---

**Arts and sciences and nondegree students**—*You may drop a course after the drop deadline through the deadline to drop without signatures* (see the chart page 66). Visit [registrar.colorado.edu](http://registrar.colorado.edu) for instructions on how to drop a course during this time period.

**All other students**—*To drop a course after the drop/add deadline through the deadline to drop without petitioning your dean* (see chart page 66), you must obtain your instructor's signature on a special action form. Thereafter, you may not drop a course unless there are circumstances clearly beyond your control (e.g.; accident, illness). In that case, in addition to the instructor's approval, you must also obtain approval from your academic dean.

*No adds are permitted after the drop/add deadlines unless there are extenuating circumstances.* To add a course after the drop/add deadline, you must petition your dean's office.

## Drop/Add Deadlines

\***Note:** See Withdrawing below if you are dropping *all* of your summer courses or your only course.

### Administrative Drops

Administrative drops are initiated by departments. If you have not met all the prerequisites for a course, or if you do not attend your courses regularly during the first few weeks, you may be administratively dropped from any course. **Check with departments for policies concerning administrative drops.** **Note:** Nonattendance does not constitute withdrawal and you may still be charged for your classes unless you officially withdraw before the published deadline.

### Withdrawing from Summer Session (Dropping All of Your Summer Courses)

If you are dropping all of your courses, you will be withdrawn from summer session. Refer to the Summer Withdrawal Assessment Schedule for deadlines to withdraw without penalty and the financial penalties assessed for withdrawing after the deadlines. Withdrawing from the summer session only does not affect your fall and spring main campus registration status.

If you have received a grade (excluding *W* grades) for any summer course, you cannot withdraw and should refer instead to the Drop/Add Deadlines chart for information on how to drop your remaining courses. For example if you completed a Maymester course and are registered for a term B course, you cannot withdraw and must instead drop the term B course according to the Drop/Add Deadlines chart.

Withdrawals from summer session (dropping all of your summer courses) after the drop/add deadline may require your dean's approval, depending on your college or school, or if you have previously received a grade (including a *W*) in any summer term.

If you do not withdraw, you receive failing grades in the courses for which you were registered and you must pay full tuition and fees. If you stop attending a course without officially dropping it, you receive a grade of *F* in that course. If you are dropping a summer course but remain enrolled in any other course(s), then you need to refer to the drop/add deadlines and information on pages 65–66.

If you are a degree-seeking student, you can request to be withdrawn from the summer session by completing a withdrawal form at the Registrar's office, located in the Regent 105, or by sending an e-mail from your CU e-mail account to [withdraw@colorado.edu](mailto:withdraw@colorado.edu). For more information visit [registrar.colorado.edu/students/withdraw.html](http://registrar.colorado.edu/students/withdraw.html) or call 303-492-6970.

**Nondegree students** should contact the Division of Continuing Education and Professional Studies at 303-492-5148 for withdrawal information.

### Final Examinations

Final examinations are given during the last class period in the term. Early examinations are not permitted.

## Class Rank

Beginning in the summer of 2008, undergraduate students can download a form that indicates their class rank compared to those students graduating within the last year. Students in the College of Arts and Sciences, as well as the College of Engineering and Applied Science, will have a ranking within their major degree program. Students in the Leeds School of Business, the College of Music, the College of Architecture and Planning, and the School of Journalism and Mass Communication will have a ranking within their college. These forms are available on CUConnect at [cuconnect.colorado.edu](http://cuconnect.colorado.edu).

## Faculty and Staff Summer Registration and Tuition Benefits

If you are a permanent faculty or classified staff member, an instructor, a professional research assistant or research associate, or a professional exempt, you may take up to 9 free credit hours each year. The academic year begins with summer session. You are assessed mandatory fees and applicable course fees. These courses must be job related or career enhancing. The number of free hours is prorated based on percentage of hours of employment. Enrollment is on a space-available basis beginning on the first day of classes.

**If you register before the first day of classes for the summer term in which you plan to enroll, you are assessed full tuition and fees.** The deadline to register is the “last day to add” each term.

### Tuition Benefits and Registration Procedures

All permanent faculty and classified staff who wish to use their tuition benefits must complete a tuition waiver form signed by their supervisor, verifying the course is job related or career enhancing. All students, except continuing students (i.e., students who were enrolled in the spring semester), must also turn in the appropriate application for admission to the Bursar’s Office. (Classes through Continuing Education are not eligible for the tuition waiver.) Submit forms to the Bursar’s Office by Friday, May 1, 2009. Applications and waivers received after this date cannot be guaranteed registration by the first day of classes. Registration information and forms are available at [www.colorado.edu/bursar](http://www.colorado.edu/bursar) under the Faculty/Staff Tuition Benefit link. You may also call 303-492-5381 or e-mail [bursar@colorado.edu](mailto:bursar@colorado.edu).

## Registration Miscellany

### Colorado Benefits and Colorado House Bill 1023

The Colorado House Bill 1023 requires anyone applying for state-funded benefits in which any payment or financial assistance is given must provide proof that they are lawfully present in the United States. Examples of these benefits at the University of Colorado include in-state tuition, the College Opportunity Fund, some types of institutional and state-sponsored financial aid, and any other benefit requiring an application, excluding any employment benefits. More information about this legislation can be found at [www.leg.state.co.us/clics2006b/csl.nsf](http://www.leg.state.co.us/clics2006b/csl.nsf) (go to bill number 1023).

New and readmitted students who have applied for College Opportunity Fund benefits (in-state undergraduates) or completed a Free Application for Federal Student Aid (FAFSA) will be waived, as both processes already determine lawful presence within the United States. In addition, all nonresidents who do not receive any state benefit, such as reduced tuition benefits or scholarship/departmental aid, do not have to comply with this requirement. All other students will need to come in to one of the following offices to present an approved photo ID (as determined by the state of Colorado) and sign an

affidavit stating that they are a citizen of the United States, a legal permanent resident, or are otherwise lawfully present in the United States pursuant to federal law:

Office of the Registrar, Regent 105  
Office of Financial Aid, Regent 175  
Bursar’s Office, Regent 150

Nondegree students can complete the process at Continuing Education, 1505 University Avenue.

For more information regarding HB 1023 visit **registrar.colorado.edu**. You are encouraged to read the FAQ document to determine appropriate compliance with House Bill 1023.

### Updating Your Address

A correct address is vital for you during the summer because the university mails important documents. You are responsible for updating your address. The university is not responsible for outdated or invalid addresses.

Once summer classes begin, all mailings related to summer (except for bills—see page 71) will be sent to your mailing address. An accurate local mailing address is also important in case the university needs to reach you due to a family or personal emergency.

You can look up any of your addresses on CUConnect at [cuconnect.colorado.edu](http://cuconnect.colorado.edu) and, if needed, update your address. Or you can change your address at the registrar’s office in Regent 105, Continuing Education at 1505 University Avenue, or via e-mail at [address@colorado.edu](mailto:address@colorado.edu).

### Part-Time/Full-Time Course Load Definitions (for Enrollment Verification)

#### Undergraduate

In the summer, a course load of 6 to 11 semester hours is considered half time and 12 or more is considered full time for financial aid purposes. Students must be enrolled at least half time to be eligible for federal loans and “in-school” loan deferments.

For enrollment verification for academic purposes (not related to financial aid), 6 hours is considered full time in the summer.

#### Graduate

**For academic purposes**, during the summer semester, master’s students are considered full time if they are enrolled for at least 3 semester hours of course work at the graduate level, 4 semester hours of combined undergraduate and graduate hours, 6 hours of course work at the undergraduate level, at least 1 master’s thesis hour, or 1 master’s candidate for degree hour. In order to be part time/half time, master’s students must be enrolled in 2 semester hours of graduate-level course work, 3 semester hours combined graduate and undergraduate hours, or 3–5 hours of undergraduate course work.

During the summer semester, doctoral students who have not passed the comprehensive examination are considered full time if they are enrolled for at least 3 semester hours of course work at the graduate level, 4 semester hours of combined undergraduate and graduate hours, 6 hours of course work at the undergraduate level, or at least 1 doctoral dissertation hour. In order to be part time/half time, doctoral students who have not passed the comprehensive examination must be enrolled in 2 semester hours of graduate-level course work, 3 semester hours combined graduate and undergraduate hours, or 3–5 hours of undergraduate course work. DMA students who have not passed their comprehensive examination can also be considered full time if they are taking 1 hour of course work numbered 8200-8399 or TMUS 8019. PhD students who have passed the comprehensive examination must register for at least 5 doctoral dissertation hours to be considered full-time students. In order to be part time/half time, doctoral students who have passed the comprehensive exam must be enrolled in 3 doctoral dissertation hours. DMA students who have passed the comprehensive examination must register for 1 hour of course work numbered 8200-8399 or TMUS 8029 to be considered full time.

Exception: Law students need 5 or more hours for full-time status. For financial aid purposes, graduate students must be enrolled at least half time to be eligible for federal loans and deferments.

For further information and guidelines regarding other course load regulations, check the specific college and school sections of the *University of Colorado at Boulder Catalog*. Your college may have different guidelines than those used for enrollment verification purposes above.

**For financial aid in the summer**, a course load of 4 to 8 term hours is considered half time and 9 or more hours is considered full time. Students must be enrolled at least half time to be eligible for federal loans and 'in-school' loan deferments.

If you receive veterans' benefits or are living in university housing, check with the appropriate office regarding course load requirements.

### Viewing Your Records Online

You can go to [cuconnect.colorado.edu](http://cuconnect.colorado.edu) to:

- view your class schedule and corresponding final exam schedule
- view your grades
- experiment with the GPA calculator
- view your degree program information (primary and secondary college, major, and class standing)
- find books required for your classes
- view and/or pay your current semester bill
- authorize others to view and pay your tuition billing statement

- review your financial aid records, apply for summer aid, and access the scholarship application
- view your unofficial transcript
- view your degree progress report (for certain colleges)
- manage your current addresses
- set your campus alert preferences
- access your CULearn course information
- request semi-privacy status
- register for classes
- register your clicker
- select your student health plan
- explore and apply for Study Abroad
- submit a variety of forms to the Registrar (late drop request, course repetition request, selective service forms, etc.)

Federal privacy laws and university policies guarantee your right to access your own data and protect this data from unauthorized access by others. Unauthorized access can result in student conduct disciplinary actions and/or civil and criminal proceedings. The university provides reasonable physical and electronic security for this data, but you too must safeguard the security of your information by protecting your IdentiKey. If you feel that your IdentiKey password is not secure, you may change it any time in CUConnect.

### Time Out Program (TOP)

The Time Out Program (TOP) allows degree-seeking students in good academic and ethical standing to take one or two semesters off and return to the university without reapplying for admission. TOP students register for their return semester with the same registration priority as continuing students. A non-refundable \$50 application fee is charged for the program. Students who withdraw from summer session only do not need to apply for TOP in order to return to Boulder main campus.

For more information or to obtain an application visit [registrar.colorado.edu/students/timeoutprogram.html](http://registrar.colorado.edu/students/timeoutprogram.html), stop by the Registrar's office in Regent 105, e-mail [timeout@colorado.edu](mailto:timeout@colorado.edu), or call **303-492-8673**.

### Registering for Fall

If you are a new or readmitted degree student this summer and are eligible to register for fall semester 2009, fall registration materials will be sent to you via e-mail starting in early April. You will receive registration instructions, when you may register, a helpful checklist of things to consider prior to your arrival on campus, and links to the various offices that you may need to access. If you do not receive registration materials for fall within two weeks of registering for summer or by August 1, come to the Office of the Registrar, Regent 105, between 9:00 a.m. and 4:30 p.m., or call **303-492-6970**.

**Note:** Fall registration for new and readmitted degree students enrolled in summer does not begin until April 28 and you must register for summer before you are eligible to register for fall. Students readmitted for summer only will not receive fall registration materials.

If you are a new freshman or transfer student in the College of Arts and Sciences, the Leeds School of Business, or the School of Journalism and Mass Communication, you become eligible to register for fall by attending New Student Orientation. For information on orientation sessions and fall registration, go to [www.colorado.edu/orientation](http://www.colorado.edu/orientation) or call **303-492-4431**.

If you are a nondegree student this summer and are interested in registering as a nondegree student in the fall, call Continuing Education at **303-492-5148** for more information.

**E-Mail the Registrar**

If you have a question about academic records or registration or would like to share your comments with us about any of our programs or processes, you may e-mail the registrar’s office at [registrar@colorado.edu](mailto:registrar@colorado.edu). Your questions and comments are read by a staff member in the registrar’s office and then forwarded to the appropriate person for a response. We encourage you to use this student service.

**Need Help?**

Call the registrar’s office for personal assistance, **303-492-6970** and press 1, between 8:00 a.m. and 4:30 p.m., Mountain Time, Monday through Friday, except for university holidays.

Recorded registration information is available 24 hours a day, seven days a week (press 2 to hear the recorded information).

**Registration Planning Form**

Complete this form for summer 2009 before registering for courses via the Web. You need the five-digit course call number(s) for each course(s) you want to take.

# Paying

**Any student who completes registration agrees to pay the University of Colorado at Boulder according to the payment terms documented in this section and at [www.colorado.edu/bursar](http://www.colorado.edu/bursar).** The student is responsible for payment by the published due date, regardless of payment source (e.g., parent, third party, scholarship, etc.). Late payment results in late and service charges being applied to the student's account.

## Enrollment Deposit

### New Degree Students

If you are a new degree student, you must pay a \$200 enrollment deposit at least 24 hours before you register for classes.

### Continuing Degree Students

Your enrollment deposit is held until you graduate or officially withdraw from CU-Boulder, within established dates and guidelines (see page 67 for the summer withdrawal chart and refer to [registrar.colorado.edu](http://registrar.colorado.edu) for the fall semester withdrawal chart). At that time (upon withdrawal from fall or spring semester), your deposit is credited toward any outstanding debts you owe the university. In approximately four weeks, any available refund is directly deposited into your bank account or mailed to you at your permanent address. To ensure you receive your refund, set up direct deposit or update your permanent address each time you move and before you graduate or withdraw at [cuconnect.colorado.edu](http://cuconnect.colorado.edu).

Interest earned from enrollment deposits is used for student financial aid.

## Tuition and Fee Information

Tuition and fee rates are listed on pages 76–77 and at [www.colorado.edu/bursar](http://www.colorado.edu/bursar). You are charged tuition and fees according to the number of credit hours in which you are enrolled.

### Bills

Bill availability dates and due dates are listed on page 75. All bills are online only. When bills are issued, you will receive an e-mail notification at your Colorado.edu e-mail address to view your bill online at *CUBill&Pay*. *CUBill&Pay* is our secure payment site that allows you to view your official monthly statement as a PDF, print or e-mail the statement, and pay online using your checking or savings account (we do not accept credit or debit cards). If you do not receive an e-mail notification or do not check your Colorado.edu e-mail, you are still responsible for paying your bill on time.

Students access *CUBill&Pay* through CUConnect under the financial tab. Students can see the latest adjustments to the bill and account details. Authorized payers access *CUBill&Pay* from the Bursar's Office website, [www.colorado.edu/bursar](http://www.colorado.edu/bursar). Learn more at [www.colorado.edu/bursar](http://www.colorado.edu/bursar).

## Authorized Payers

Students can designate up to five other people as authorized payers to also receive e-mail notifications and to be able to view and pay bills online. As the student, you are responsible for making sure your bill is paid regardless of whom you've authorized as payers. Authorized payers access *CUBill&Pay* via the Bursar's Office website or by clicking on the link in the e-mail that is sent to them.

## Payments

All payments are expected to be made on time on the due date (see page 75). Online payments can be made on the due date up until midnight Mountain Time, while other payments must be received by our office by close of business. Postmarks are not honored. All late payments are subject to a late charge and service charge of 1 percent per month on the unpaid balance. See Failure to Make a Payment section below for more details. All checks containing restrictive endorsements are null and void and nonbinding on the university.

You can pay online, in person, by mail, or wire transfer. We accept cash, checks, and Internet payments from conventional checking or savings accounts.

**We do not accept credit or debit cards.**

### Online

- Students go to CUConnect: Select Financial Tab > Bursar Billing > Boulder Main Campus > Make payment now
- Authorized payers go to [www.colorado.edu/bursar](http://www.colorado.edu/bursar): Under *CUBill&Pay*, select Parents/Authorized Users  
Online payments must be from a conventional checking or savings account (no money market, home equity, or brokerage accounts).

### In Person

Go to the Office of Cash Management in Regent Administrative Center. Drop boxes are located outside on both sides of the building by the main doors or you can give your payment directly to a cashier. We accept the following check types: personal, certified, traveler's, and credit card checks, 529 savings plans, or money orders.

Make checks payable to the University of Colorado and include your full student ID number on the check.

### By Mail

Students and authorized payers can print a copy of the bill on *CUBill&Pay*.

If you're using standard U.S. Postal Service, mail your check to:

Payment Processing Center  
Tuition – Boulder  
Department 437  
Denver, CO 80281-0437

If you're using express delivery, electronic bill pay programs, or 529 Savings Plans, mail your check to:

Office of Cash Management  
Regent Administrative Center, Room 150  
University of Colorado at Boulder  
41 UCB  
Boulder CO 80309-0041

### Wire Payments

Call our office at **303-492-5381** for wiring information.

### Returned Payment Policy

If your payment is returned from the bank for any reason, regardless of the amount, it is considered nonpayment and nonpayment penalties will be applied. You are subject to late and service charges and a stop will be placed on your account. You may also be dropped from your classes. A \$20 returned payment charge is assessed, in addition to the amount due to the university. You also may be liable for collection costs, attorney fees, and prosecution under Colorado criminal statutes. Specific inquiries concerning returned payments should be directed to the Student Debt Management department in the Bursar's Office at **303-492-5571** or toll free at **800-925-9844**.

### Failure to Make a Payment

If you do not pay your bill, miss payment deadlines, or write bad checks to the university, you are subject to late fees, finance charges, and financial stops. In addition, if you are registered for a future term, you are at risk of being dropped from those future classes.

Financial stops prevent you from adding classes, registering for any future terms, receiving a diploma, or receiving an academic transcript of work at the university.

A late payment charge per semester in addition to a service charge of 1 percent per month on the unpaid balance is assessed each semester according to the following schedule:

Balance Due	Late Charge
\$99.99 or less	\$ 5
\$100–\$299.99	\$10
\$300–\$499.99	\$20
\$500–\$699.99	\$30
\$700–\$899.99	\$40
\$900 and over	\$50

All past due accounts are referred to the Student Debt Management (SDM) department for collection after the end of the semester. Past due service charges of 1 percent continue to accrue monthly as long as the debt is unpaid, and additional collection charges and attorney fees may be assessed.

To dispute a tuition and mandatory fee debt, you must make a formal appeal to the Bursar's Office by the last day of finals for summer session. Disputes will only be considered under extenuating circumstances, such as natural disaster (fire, flood), death in the family, medical, or unexpected financial crisis. Official documentation must be provided to substantiate the circumstances. For more information, go to **www.colorado.edu/bursar**, call **303-492-5381**, or e-mail **bursar@colorado.edu**.

Colorado law requires the university to place all delinquent accounts with a third-party collection agency. The SDM department places delinquent accounts after one year, unless there exists a satisfactory repayment agreement including a signed contract with SDM in the Bursar's Office. The collection agency reports all past due accounts to national credit bureaus. Financial stops remain on your bursar account until the balance is paid in full. Establishing a repayment agreement does not result in removal of stops. If your account is referred to a collection agency, you must pay any collection costs and attorney fees as allowed by the Uniform Consumer Credit Code.

### Refunds

Refunds can result from dropping classes, getting financial aid, or other adjustments to your account. Most refunds are deposited directly into your bank account within 1-2 business days. Always check with your bank to confirm the deposit before spending your refund. Students must provide their bank account information when signing up for direct deposit on CUConnect under the financial tab. For more information, go to **www.colorado.edu/bursar**. **Note:** you may be billed after receiving a refund if you add classes, enroll in a wait-listed class, or receive a financial aid adjustment.

If you are expecting a financial aid refund at the beginning of the semester, a refund will be deposited into your bank account approximately three days prior to the first day of classes, provided you have signed up for direct deposit. Tentative summer financial aid refund dates are as follows:

Term	Credit Balance On	Credit in Bank (on or around)
Maymester (term M) plus other terms	May 12	May 15
A, C, D	May 26	May 29
B only	June 30	July 6

## Withdrawal Refunds

If you qualify for a refund after withdrawing from CU, it is directly deposited into your bank account or mailed to you approximately four weeks after you withdraw. Set up direct deposit on CUConnect before you leave or update your permanent address to be sure you receive your refund.

## Schedule Adjustment

You are charged for all added credit hours. You are not charged for waitlisted classes. Be aware of the deadlines for dropping and adding to avoid being charged for classes you wish to drop. See the Drop/Add Deadlines chart on page 66 for details.

**Note:** If you are dropping all your courses, refer to the following withdrawal information.

## Withdrawals

Financial penalties may be assessed for withdrawing from all of your summer courses. **Nonattendance does not constitute withdrawal** and you may still be charged for your classes unless you officially withdraw before the published deadlines. See the Summer Withdrawal Assessment Schedule on page 67 for details.

## Tuition Rates

Summer Session 2009 tuition rates are shown in the charts on pages 76–77. Expenses vary, depending on your program of study and your residency classification. Students in a double degree program are assessed tuition for the college or school with the higher tuition rate. For a sample budget of estimated expenses, see page 78. You can also use the online bill estimator at [www.colorado.edu/bursar](http://www.colorado.edu/bursar) to estimate tuition and fee costs.

As a summer student (excluding Maymester), you must also pay student fees as described in the Mandatory Student Fees section.

## Nondegree Students

If you are a nondegree student with a prior baccalaureate degree, you are assessed tuition at the graduate student rate unless you enroll in undergraduate courses, in which case you are assessed tuition at the undergraduate rate. Nondegree students without a baccalaureate degree are assessed tuition at the undergraduate rate. Nondegree students are assessed mandatory student fees per the campus fee schedule. Non-degree students may be able to waive all student fees except for course fees and the computing fee. Call **303-492-2212** for more information or complete the fee waiver form at the Continuing Education Center. For instructions on online payments please see [conted.colorado.edu/student-resources/accounting](http://conted.colorado.edu/student-resources/accounting). If you have questions about your bill or payment options, contact the Continuing Education Bursar/Accounting department by e-mail at [cebursar@colorado.edu](mailto:cebursar@colorado.edu) or at **303-492-2212**.

## College Opportunity Fund

An act of the Colorado State Legislature in May 2004 established a new way for the state of Colorado to provide state tax dollar support for higher education at the undergraduate level. The state is no longer appropriating monies to institutions for undergraduate education, but providing direct funding to undergraduate students through the College Opportunity Fund (COF).

This program is also known as vouchers or stipends. An undergraduate in-state student needs to complete two steps in order to receive the stipend: (1) apply at [cof.college-assist.org](http://cof.college-assist.org) (once) and (2) authorize use of the stipend **each semester** via web registration. If both of these steps are taken, the \$92/credit hour COF stipend will be applied to the student's university bill.

Visit [www.cu.edu/ums/cof/faq.html](http://www.cu.edu/ums/cof/faq.html) for more information. Also see [registrar.colorado.edu/students/registration/registration\\_packet/cof.html](http://registrar.colorado.edu/students/registration/registration_packet/cof.html) for information about applying and authorizing.

## Mandatory Student Fees

These fees apply for both graduate and undergraduate students. Mandatory student fees include:

- University of Colorado Student Union (UCSU) student fees
- Administrative fees
- Matriculation fee for all first-time degree students

## UCSU Student Fees Summary

	UCSU Student Fees*	Grad Status B, D, E**
Three-week session (Maymester, Terms E, F, and Q)	\$ 0.00	\$ 0.00
Five-week session (Terms A and B, independent study)	\$109.26	\$24.65

**SEVIS Fee . . . . . \$22.00**

Processing fee charged to international students. Funds mandatory federal compliance reporting.

### Matriculation Fee

If you are a new degree student, you must pay a nonrefundable matriculation fee your first semester. Nondegree students who are admitted to degree status are charged the matriculation fee at the time they first register as a degree student. If you complete one degree and start another, you are charged another matriculation fee. The fee varies, depending on degree and international status. It covers expenses for registration/transcript services, undergraduate orientation program, Buff OneCard, immunization management, and international orientation. This fee is nonrefundable, even if you withdraw from summer classes.

Undergraduate students . . . . . **\$112.00**

Graduate students . . . . . **\$62.00**

International undergraduate students . . . . . **\$155.00**

International graduate students . . . . . **\$105.00**

### Course Fees

Course fees may be assessed to help offset the higher costs of specialized supplies, equipment, and materials that are required to teach courses in certain departments. Summer course fees are available at [www.colorado.edu/bursar](http://www.colorado.edu/bursar) and at the Bursar's Office in Regent Administrative Center. Comments concerning course fees should be addressed in writing to the Office of the Chancellor, University of Colorado at Boulder, 17 UCB, Boulder, CO 80309-0017.

### Tuition and Fee Payment Deadlines

Credit hours over 18: add \$92 per credit hour to total tuition; student share after COF remains the same.

\*COF is the College Opportunity Fund. It is the state of Colorado's method for providing state tax dollars for higher education at the undergraduate level. If you have **applied and authorized** the COF vouchers online by the deadline, you only have to pay the student share. For summer 2009, the COF voucher is worth \$92 per credit hour.

For COF information, go to [registrar.colorado.edu/students/registration/registration\\_packet/cof.html](http://registrar.colorado.edu/students/registration/registration_packet/cof.html)

#### Notes:

Student fees are based on the number of weeks the student is enrolled.

Students who enroll for more than one summer term, or overlapping summer terms, pay fees for all of the applicable terms (excluding Maymester) for a maximum of 10 weeks.

Some departments may charge course fees. For more information go to [www.colorado.edu/bursar/now/tuitfeebill.html](http://www.colorado.edu/bursar/now/tuitfeebill.html)

### \*Graduate Student Status

#### Different Statuses

#### Master's Student Status

- A Registered for course work and/or masters thesis hours
- B Registered for candidate for degree, course #6940-6949 (Students who are required to be registered for thesis defense or master's final exam but have no courses or thesis hours left to take, and/or students who must remain full time. A maximum of 3 hours should be taken per semester, as this registration placeholder cannot be used toward a student's degree.)

#### Doctoral Student Status

##### Pre-Comprehensive Exam

- C Registered for course work or course work/dissertation hour combination
- E Registered for dissertation hours only

##### Post-Comprehensive Exam

- D Registered for 3 or 5+ dissertation hours as required by Graduate School Rules

A, B, C, and E statuses are assigned automatically based on registration. D status is changed by the Graduate School for the semester following admission to candidacy. Students must have passed their comprehensive exam, and have been admitted to candidacy before this status can be changed. The status is changed for the upcoming semester.

## Estimated Expenses

Expenses for Summer Session at CU-Boulder vary, depending on your residency, where you live, and your personal needs and interests. The table shows estimated expenses for an undergraduate student taking 6 credit hours in the College of Arts and Sciences during the summer 2009 10-week summer session.

**Please note:** If you are an undergraduate Colorado resident, this tuition figure assumes that you are eligible for and have authorized the use of the College Opportunity Fund (COF).

For payment options, go to [www.colorado.edu/bursar](http://www.colorado.edu/bursar).

<sup>1</sup> Classification of students as resident or nonresident for tuition purposes is governed by state law. Detailed information is available from the tuition classification coordinator in the Office of the Registrar.

<sup>2</sup> Tuition figures are based on 6 credit hours of course work in the College of Arts and Sciences. Resident rates assume application of the \$92/credit hour College Opportunity Fund stipend ([cof.college-assist.org](http://cof.college-assist.org)). Nonresident student rate varies depending on the year of entry to CU ([www.colorado.edu/pba/budget/tuitionfees/guarantee.html](http://www.colorado.edu/pba/budget/tuitionfees/guarantee.html)). See the tuition chart on page 76 for tuition rates for other colleges and schools.

<sup>3</sup> A nonrefundable matriculation fee of \$112 or \$155 for new degree students is assessed at the time of initial registration only and is not included in this sample budget.

<sup>4</sup> Out-of-pocket estimate for 10 weeks. Continuing students who have student health insurance for spring semester 2009 are automatically covered for summer session. A separate summer session health insurance plan is available to students not already covered.

# Financial Aid

Students are required to complete two applications for summer financial aid:

- Free Application for Federal Student Aid (FAFSA) 2008–09
- 2009 Summer Financial Aid Application

## Application and Eligibility

CU-Boulder degree students can apply for summer financial aid on CUConnect at [cuconnect.colorado.edu](http://cuconnect.colorado.edu) in the Financial tab. Summer financial aid applications will be accepted only if information from your 2008–09 FAFSA has been received by the Office of Financial Aid. If you are taking summer classes that will not transfer into a CU-Boulder degree program, you are considered a visiting student and are not eligible for financial aid.

Students receiving summer financial aid are subject to Satisfactory Academic Progress (SAP) requirements. If you fail to meet the SAP requirements for the spring 2009 term, you will lose your eligibility (pending appeal) for summer aid for summer 2009 (pending appeal), including aid that you received for Maymester. (See the Satisfactory Academic Progress fact sheet, available at [www.colorado.edu/finaid/sap.html](http://www.colorado.edu/finaid/sap.html) or from the Office of Financial Aid.)

## Deadlines

- |          |   |
|----------|---|
| March 15 | Priority date for applying for summer work-study              |
| June 30  | Last day for 2008–09 FAFSA to arrive at the federal processor |
| July 15  | Last day to apply for summer financial aid                    |

## Verification

If you did not apply for financial aid during the 2008-09 academic year, the information you provided on your FAFSA may need to be verified before you receive summer financial aid. You may be asked to submit a signed copy of your 2007 federal income tax return to the financial aid office. If you included parent information on your FAFSA, also submit a signed copy of your parents' 2007 federal income tax return. If we need additional documents to complete your file, we will notify you. Be sure your mailing and e-mail addresses are current with the Office of the Registrar.

## Enrollment Requirements

To receive federal loans for summer session, you must be enrolled at least half time. Correspondence, self-paced online, and noncredit classes do not count toward half-time enrollment.

*For financial aid purposes, the Department of Education considers 6 credit hours as half time for undergraduate students and 4 credit hours as half time for graduate students.*

If your enrollment status changes (e.g., you drop from 6 to 3 hours or you decide not to take classes), your aid eligibility may change for summer. You must notify the Office of Financial Aid of any changes in your enrollment status. You may do so by re-submitting a summer aid application on CUConnect.

## Grants

All enrolled undergraduate financial aid applicants are considered for Federal Pell Grants. You must have eligibility remaining from the 2008–09 academic year to be awarded a summer Federal Pell Grant. If you were enrolled full time during fall and spring, you have probably already used all your Federal Pell Grant eligibility for 2008–09.

If you are receiving a Pell Grant for the summer and are eligible for an ACG or SMART Grant, it will be awarded to you. For more information about these two grant programs, visit [www.colorado.edu/finaid/acg.html](http://www.colorado.edu/finaid/acg.html) or [www.colorado.edu/finaid/smart.html](http://www.colorado.edu/finaid/smart.html).

## Student Loans

Eligibility for summer federal loans is dependent upon the cost of summer attendance and the amount borrowed during the academic year. For example, a student who was eligible for a \$5,500 Federal Direct Stafford Loan during 2008–09 but borrowed only \$4,000 during fall 2008/spring 2009 may still be eligible for up to \$1,500 for summer 2009.

If you qualify for loans, you will be notified of your summer award offer along with instructions on the necessary steps to receive your loan. Federal Direct Stafford and/or Graduate/Professional PLUS loans or the Parent PLUS loans (offered to parents of dependent students) are disbursed once we have a signed promissory note(s) on file, you are enrolled at least half time, and we have determined you meet all other eligibility criteria.

**Note:** Borrowing a Parent PLUS loan as an undergraduate student is regarded as parental support on in-state residency petitions. Loan funds will be credited to your bill three days prior to the start of your summer classes. For your loans to disburse, you must have accepted your loans, the promissory note must be on file, and you must be enrolled in the corresponding weeks and hours you indicated on your summer aid application. Please visit [www.colorado.edu/finaid](http://www.colorado.edu/finaid) for more information.

## Work-Study

Priority is given to applicants who apply for summer aid by March 15. If you will not be enrolled in summer classes, you may still be eligible for work study—you need to have been enrolled at CU-Boulder during spring 2009 and you must also be enrolled at CU-Boulder for fall 2009 to be eligible to receive a work study award and not have to be enrolled in the summer.

Summer awards can be earned during the 14 weeks between May 3 and August 8. You must begin earning your work-study award by May 31. If you cannot begin working by this date, or if you plan to work less than the 14 weeks allotted for summer work-study, notify the Student Employment Office at **303-492-7349** so your award will not be cancelled.

If you are awarded summer work-study and the total amount of your award is greater than your eligibility for summer aid, you will be expected to save the difference to use toward your 2009–10 school year expenses. The excess amount will appear on your summer award letter as Expected Summer Savings. It will also appear on your 2009–10 financial aid award offer as a financial resource.

To apply for an increase in your summer work-study award, you may submit the request online at **[www.colorado.edu/studentemployment](http://www.colorado.edu/studentemployment)**.

To comply with the Revenue Reconciliation Act of 1990, work-study recipients may be required to contribute to a retirement fund. A payroll deduction may be taken from your checks during the summer, so plan accordingly.

Work-study positions for summer are posted on CUConnect in the financial tab at **[cuconnect.colorado.edu](http://cuconnect.colorado.edu)**. Positions include cashiers, clerical assistants, food service workers, groundskeepers, peer counselors, lab assistants, and more.

## Hourly Employment

Hourly (non-work-study) positions are posted on CUConnect in the financial tab at **[cuconnect.colorado.edu](http://cuconnect.colorado.edu)**. If you are unable to access our jobs pages, call the Student Employment Office at **303-492-7349**.

The Job Location and Development (JLD) program is also available to assist you in locating suitable off-campus hourly employment. JLD also administers an on-call service to help place you in temporary assignments such as babysitting, yard work, clerical work, and general labor positions; and it offers a job-match service to help match your specific skills with an appropriate employer. For more information, call **303-492-7349**. Applications are available at the Student Employment Office in the Regent Administrative Center, second floor.

## Nondegree Students

Limited financial aid is available. Call Continuing Education at **303-492-8252** to make an appointment to discuss your eligibility and the application process.

## Additional Information

For more financial aid information, visit **[www.colorado.edu/finaid](http://www.colorado.edu/finaid)**, call **303-492-5091**, or e-mail us at **[finaid@colorado.edu](mailto:finaid@colorado.edu)**.

# Housing

Summer housing choices range from university facilities for single and married students to off-campus rentals in all areas of Boulder. These choices are available through the offices designated below.

## Living on Campus in the Residence Halls

If you are a summer student applying for housing in the residence halls, complete and return the Residence Halls Application—Summer 2009 (see pages 83–84). Your completed application should be mailed to:

Occupancy Management  
75 Hallett  
University of Colorado at Boulder  
154 UCB  
Boulder, CO 80309-0154

Include an advance payment of \$200 to complete your summer housing application (advance payment amount subject to change). All residence hall facilities are reserved on a first-come, first-served basis, without regard to race, religion, national origin, etc.

Most rooms are rented on a room and board basis. (Term M accommodations are for room only in double occupancy units.) Nineteen meals (three meals per day, Monday through Friday, and brunch and dinner on Saturday and Sunday) are served each week. Three meal plan packages are offered to accommodate differences in student schedules: the full meal plan (19 meals per week, up to four meals per day, Monday through Friday, and brunch and dinner on Saturday and Sunday); the “any 15 meals per week” plan; or the “any 10 meals per week” plan. Participation in the full meal plan or 15 meals per week plan is mandatory for all new freshman residents. There are a limited number of room-only accommodations for non-freshman students. (Meal plans are subject to change.)

All university residence halls are designated nonsmoking environments. This includes all residence hall public areas such as lobbies, hallways, lounges, bathrooms, and dining facilities, as well as student rooms or living space. (Smoking areas are identified outside of the building. Residents and their guests must dispose of smoking materials, after use, in the receptacles provided.)

Housing occupancy management (and advance housing payments) and university admissions confirmation procedures (and deposits) are separate transactions, one of which does not guarantee the other. For information regarding admission to the university or confirmation procedures, call the Office of Admissions at **303-492-6301**.

The summer housing rates for 2008 are listed on page 82. (Rates are subject to change for 2009.) You must pay your room and board for the entire period reserved at the time you check in.

You may move in after 10:00 a.m. on Friday, May 29, 2009, for Terms A, C, and D, and on Monday, July 6, 2009, for Term B. (Move-in dates are subject to change.) Unless you give advance notice, you must occupy your room no later than the first day of classes for the term in which you are enrolled, or your room may be released to another student.

You must move out of your room before 10:00 a.m. on the day after the term ends. If changes in the university academic calendar require changes in residence hall occupancy and meal service dates, notice is sent with hall assignments.

If you are taking a short-term course (less than five weeks), you may arrange to live in a residence hall on a space-available basis. The minimum length of stay for which you can apply is two weeks. For further information, send an e-mail to [reservations@housing.colorado.edu](mailto:reservations@housing.colorado.edu), or write to the Reservation Center (address in previous column).

## Term M (Maymester)

If you are enrolled for Term M (Maymester), you are assigned to a double-occupancy room in the hall designated for Maymester. Accommodations for Term M are for room only. No meals are served. The \$200 advance payment is not required for applicants who apply for Maymester only. You must pay your room charges for the entire period reserved prior to check in; payment instructions will be sent to you via e-mail in late April. You may move in after 1:00 p.m. on Friday, May 8, 2009, and move out of your room before 10:00 a.m. on Saturday, May 30, 2009. (Dates, times, payment policy, and location of assignment are subject to change.)

## Freshman Degree Students

If you are a freshman degree student during summer session or a freshman attending your first two academic semesters (fall and spring), you are required, subject to the availability of space, to live in a residence hall. Exceptions include students who are married or live with parents in the Boulder area and have permission to commute.

You may request permission to live off campus for other reasons. Your request is considered on its merit, taking into account your individual circumstances. For information regarding freshman permission to reside off campus, contact:

Manager of Reservations  
75 Hallett  
University of Colorado at Boulder  
154 UCB  
Boulder, CO 80309-0154

If you are a freshman admitted for summer session 2009 and intend to continue on the Boulder campus in the fall, we encourage you to submit both your summer and fall housing reservations at the same time and as early as possible.

## Residence Halls

Summer residence halls offer a variety of attractive and comfortable accommodations, including double and single rooms and a dining center within the building or nearby. Residence halls that will be used during summer session 2009 were not designated when this catalog went to press (January 2009).

Freshmen and sophomores usually share a designated residence hall. Other areas are set aside for upper-division students. (This assignment schedule is subject to change.) A limited number of single rooms may be available upon request; however, single rooms cannot be guaranteed.

Applicants will be notified by U.S. mail of their residence hall assignment and move-in dates before the beginning of the term(s) they plan to attend.

## Family Housing

The university owns and operates a variety of apartments for students, staff, and faculty who are single, married, or single-parent families. Residents come from all over the world to form a unique and diverse community on campus. For further information, visit [housing.colorado.edu/fh](http://housing.colorado.edu/fh), send an e-mail to [familyhousing@housing.colorado.edu](mailto:familyhousing@housing.colorado.edu), call **303-492-6384**, or write to:

Family Housing Office  
1350 20th Street  
Boulder, CO 80302

## Off-Campus Housing

Off-Campus Student Services is a service funded by the student government that maintains listings of apartments, houses, and rooms for rent in the Boulder community. Currently enrolled students may access rental listings at [www.colorado.edu/ocss](http://www.colorado.edu/ocss) using their student identification number. **Note:** Freshman students must receive written permission from the university housing department before obtaining off-campus accommodations for the fall and spring semesters of their first year, as well as the summer session preceding their fall start date. Others who are affiliated with the university and wish to receive an access code to view available rentals, an apartment complex summary, a Boulder map, and other pertinent information on living and renting in Boulder may do so by sending \$10 (within the U.S.) or \$20 (outside of the U.S.) to:

Off-Campus Student Services  
University of Colorado at Boulder  
206 UCB  
Boulder, CO 80309-0206

Checks should be made payable to the University of Colorado.

The department has a staff attorney available on Tuesdays and Fridays to advise students about leases and security deposits, as well as ways to avoid landlord/tenant problems. Our office assistants help students locate properties, answer questions about the surrounding neighborhoods, and suggest effective techniques for living with a roommate. During the spring semester the office sponsors two off-campus housing fairs where landlords, property managers, and related businesses offer their services to students in a trade-show fashion.

If you are living off campus and are interested in eating your meals on campus, you may choose from two meal plans. For information about the residence hall meal plan, call **303-492-3317**; for information about the UMC À la Carte meal plan, call **303-492-8832**. And for additional information about our services call **303-492-7053**, or visit us in the Off-Campus Student Services Office in the University Memorial Center Room 313. We are available Monday–Friday 9:00 a.m.–5:00 p.m. and 7:30 a.m.–4:30 p.m. during the summer.

## Summer 2009 Housing Dining Services Contract

---

**GENERAL.** This contract and application for room and board, accompanied by a \$200 advance payment per individual, is required to reserve your accommodations. (Maymester-only applicants are not required to submit advance payments.) Send the application and advance payment to the Reservation Center, 75 Hallett Hall, University of Colorado at Boulder, 154 UCB, Boulder, CO 80309-0154. All checks and money orders should be made payable to the University of Colorado Residence Halls. This application is for summer accommodations only. Students contracting for housing prior to the first day of classes each term are charged the full term rate regardless of the date they check into their accommodations. Students contracting for housing on or after the first day of classes are charged on a pro rata basis.

All residence halls are designated nonsmoking environments. This includes all residence hall public areas such as lobbies, hallways, lounges, bathrooms, and dining facilities, as well as all student rooms or living space.

Construction activities may be ongoing in areas adjacent to summer residence halls. There may be limited interruption of services to summer hall residents, as well as noise impacts at various times, resulting from these construction activities.

**MEALS.** Nineteen meals (up to four meals per day, Monday through Friday, and brunch and dinner Saturday through Sunday) will be served each week in the designated dining facility. Room-only packages (non-freshman students only) are available in limited numbers. Maymester (Term M) accommodations are for room only in double-occupancy units. (Meal plans are subject to change.)

**NOTE.** University regulations require that all freshmen live in the residence halls for the summer term as well as the following academic year, provided that space is available. Exceptions include married students or those who live with parents or relatives in the Boulder area and have permission to commute.

The university reserves the right to change the terms of this contract at any time. Written notice will be provided to the student within 30 days of such changes.

**CANCELLATIONS.** If a cancellation is received in the Reservation Center prior to two weeks *before* the beginning of the term or period for which the reservation is made, half the advance payment will be refunded. If a cancellation is received two weeks prior to the beginning of the term or *after* that date, the entire advance payment will be forfeited.

**UNIVERSITY LIABILITY.** The university shall assume no responsibility for the theft, destruction, or loss of money, valuables, or other personal property belonging to, or in the custody of, the student for any cause whatsoever, whether such losses occur in the student's room, storage room, public area, elsewhere in the hall, or in baggage handling related to shipment or storage. Students are encouraged to carry their own personal property insurance.

The university does not guarantee assignments to a particular building or unit, type of accommodation, or a specific roommate. The university reserves the right to make alternative assignment decisions or reassign students for such reasons as the university determines appropriate. These reasons include, without limitations: construction, renovation, and/or maintenance activities; roommate conflicts; health, safety, and/or security concerns; pending disciplinary action; and noncompliance with university regulations. Room reassignment, and utility or facility disruptions, shall not result in reimbursement or reduction of room and board rates.

**WITHDRAWALS AND REFUNDS.** If a resident withdraws from the university at the end of a term that is shorter than the term indicated on the front of this application, no termination penalties will be charged, provided two-weeks notice is given.

Residents who check out (personally sign out) of the residence halls at any other time and for any other reason will be charged for the period of occupancy plus a \$200 termination penalty. There will be no refund for checkout during the last 10 days of the term. The period of occupancy is terminated only by formal checkout (personally signing out) at the building office.

Freshmen may not move out of the residence halls during the term unless they withdraw from the university or are released by the manager of reservations, 75 Hallett Hall.

**TERMINATION BY THE UNIVERSITY.** Upon reasonable notice (normally 48 hours) the university reserves the right to terminate this contract for: (1) failure of the student to make payment of charges promptly, (2) failure to comply with the *Guide to Residence Hall Living or University of Colorado Student Conduct Policies and Standards*, which are by reference made a part of this contract, (3) suspension or expulsion from the university, (4) disciplinary action, (5) behavior that is incompatible with the maintenance of order and propriety in the residence halls. If this contract is terminated by the university, the charge will be for the period of occupancy plus a \$200 termination penalty.

# General Information

## Contacting the University

The main website for the University of Colorado at Boulder is [www.colorado.edu](http://www.colorado.edu). Most departments in the university have websites that you can find by going to the main CU-Boulder site and selecting A to Z. If you need telephone numbers, call CU information at **303-492-1411**.

## E-Mail Policy

E-mail is an official means of communication with students from CU-Boulder administrators and faculty. All students are issued a no-cost CU-Boulder e-mail account and are expected to check their messages on a frequent and consistent basis in order to stay current with university-related communications.

## Photo ID Card (Buff OneCard)

The Buff OneCard is your official student ID, to be used as long as you are a student at CU-Boulder. The card is official verification that you are eligible for student privileges. It allows you access to Campus Printing, the Student Recreation Center, the libraries, Wardenburg Health Center, housing dining centers, athletic tickets and events, and RTD local and regional buses. Your Buff OneCard also offers a number of optional programs:

- Buff One Banking turns your card into an ATM/debit banking card.
- Buff CallingCard makes your card a post-paid long-distance card.
- Student Advantage Buff One Discount Card allows you to get discounts from local and national merchants for thousands of products and services.

Your first Buff OneCard is paid for when you pay the new student matriculation fee. Replacement cards cost \$25 each. If you are a registered nondegree student, you may purchase a Buff OneCard for \$25.

The Campus Card Office is located in 182 Willard Hall and is open from 8:00 a.m. to 4:30 p.m., Monday through Friday.

To report a lost or stolen card 24 hours a day, call **303-492-1212** immediately to avoid unauthorized use of your card.

Never give or lend your Buff OneCard to anyone else.

More information about the Buff OneCard and its features is available at [www.BuffOneCard.com](http://www.BuffOneCard.com), or by calling **303-492-0355**.

## Veterans' Affairs

The Veterans' Affairs Office serves the needs of all veterans on campus and prospective student veterans, as well as military service members attending CU. The office supplements other campus units with special emphasis on the recruitment and retention of veterans on campus, and it provides a key point of contact for counseling and program information. The office is located in Regent Administrative Center 201. For more information visit [www.colorado.edu/studentaffairs/VA](http://www.colorado.edu/studentaffairs/VA).

## Residency Classification

For tuition purposes, new students are classified as either resident (in-state) or nonresident (out-of-state) on the basis of information provided on their application for admission and other relevant information. If your parents do not live in Colorado, and if you will not be 23 years of age by the first day of class for the term for which you are applying, you must submit a petition for in-state classification (see address below).

## Petitioning for In-State Classification

If you are a current or former CU-Boulder student and believe you are eligible for a change to resident status, you must submit a petition with documentation. For the necessary petition forms and an explanation of the Colorado tuition classification statute, or if you have questions about your status as an in-state or out-of-state student, call **303-492-6868**, visit [registrar.colorado.edu/students/tuition\\_classification.html](http://registrar.colorado.edu/students/tuition_classification.html), send an e-mail to [tuitclass@registrar.colorado.edu](mailto:tuitclass@registrar.colorado.edu), or write to:

Tuition Classification  
University of Colorado at Boulder  
68 UCB  
Boulder, CO 80309-0068

If you are a student at another CU campus, address your inquiries to the appropriate Office of Admissions and Records.

For summer 2009, petitions for residency classification must be submitted by May 8 for terms M and Q; by May 29 for terms A, C, and D; by July 3 for term B; and by the first day of class for terms E and F.

Be prepared to pay your tuition and fee bill in full by the tuition and fee payment deadline (see page 75). If residency is approved after this date, you will receive a refund.

Further information on tuition, fees, and deposits is available from the Bursar's Office, **303-492-5381**. The Board of Regents reserves the right to change tuition without notice.

## Summer Parking and Transportation Options

If you plan to park on campus frequently, consider buying a permit from Parking and Transportation Services (PTS). Vehicle, motorcycle, moped, and scooter permits are all available. Evening permits are also available. Permit prices and information on how to buy a permit are available at [www.colorado.edu/pts](http://www.colorado.edu/pts) or by calling **303-492-7384**. Permit rates are subject to change. Parking permits for Maymester are available from the PTS business office at 1050 Regent Drive.

## Park without a Campus Permit

Parking meters are available for \$1.50 per hour and some meters allow up to 10 hours of parking time. Euclid AutoPark is a visitor parking garage with a \$1.75 per hour parking rate from 7:00 a.m. to 5:00 p.m. After 5:00 p.m. a flat fee of \$3 allows parking on weeknights as well as on Saturdays and Sundays.

## Night and Weekend Parking

**Permit lots**—Daytime permit lots in the core of campus convert to visitor use after 5:00 p.m. with a \$3 pay station payment. Pay at the machine and display the receipt on your dashboard. Several lots along the periphery of campus are free after 5:00 p.m. weekdays and on weekends. Signs will describe each lot's use.

**Meters**—Campus meters and some pay stations are free from 5:00 p.m. to 7:30 a.m. seven days a week.

## Consider Options Other Than Driving

Fee-paying students can ride wherever the RTD bus goes. You may purchase a discounted bus pass for the summer. Call **303-492-8308** for more information.

Summer is the perfect time to ride a bike. Be sure to register your bike if you are parking it on campus. Visit [www.colorado.edu/parking/commuting](http://www.colorado.edu/parking/commuting) for registration location and summer hours or call **303-735-2705** for more information.

## Confidentiality of Student Records

The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, sets forth requirements regarding the privacy of student records. FERPA governs the release of these records (known as education records) maintained by an educational institution, as well as access to these records. This law applies to K–12 as well as postsecondary education.

College students are permitted to inspect their own education records. School officials may not disclose personally identifiable information about students, nor permit inspection of their records, without written permission unless such action is covered by exceptions permitted by the Act.

For a full reading of the University of Colorado at Boulder's FERPA policy, go to [registrar.colorado.edu/regulations/ferpa\\_guide.html](http://registrar.colorado.edu/regulations/ferpa_guide.html).

## Information Sessions, Campus Tours, and Special Visit Programs

We invite you and your family to visit us this summer and learn about CU-Boulder firsthand. Information sessions with an admissions representative are held Monday through Friday at 9:30 a.m. and 1:30 p.m. Student-led walking tours of the campus follow at 10:30 a.m. and 2:30 p.m. Information sessions and tours are held at 10:30 a.m. most Saturdays, except during May, June, and July. Information sessions take place at the University Club unless otherwise noted. Parking is available at Euclid Avenue AutoPark. Limited metered parking is also available on campus and city streets. If you would like an in-depth experience of campus life, consider attending a “Be a CU Student for a Day” or another of our all-day visit programs in the fall and spring.

Reservations are required for all information sessions, tours, and special visit programs. To make a reservation, go to [www.colorado.edu/visit](http://www.colorado.edu/visit) or call the Office of Admissions at **303-492-6301**.

The Office of Admissions is located in Regent Administrative Center 125. Office hours are 9:00 a.m. to 5:00 p.m., Monday through Friday (summer hours are 8:30 a.m. to 4:30 p.m.), except for holidays. The university is closed May 25, 2009, and July 3, 2009.

All dates are subject to change so be sure to make advance reservations if you plan to attend a visit program.

## Preparing for Summer Session

### Checklist for Summer Students

If you want to apply as a new degree or former degree student for summer, see the New Degree Students and the Former/Readmit Degree Students sections on page 62.

If you are a student who is not currently enrolled at CU-Boulder, and you're thinking of studying in Boulder this summer, you will need to:

- Decide which classes you'd like to take—see the descriptions of special summer classes, pages 3–19, and the schedule of courses, pages 23–54.
- Apply for admission as a nondegree student—see the information on page 62 and the application on pages 59–60. If you were previously enrolled in a degree program and have not graduated from that program, you must reapply for admission as a degree student (see New and Former/Readmit Degree Students on page 56).
- Arrange for housing in Boulder—see pages 81–84; (housing application is on pages 83–84).
- Register for your classes—read the information beginning on page 61, fill out your registration form on page 70, and visit CUConnect or PLUS registration to register for your classes (instructions are on page 61).

If you already attend CU-Boulder, follow these easy steps:

- Decide which classes you'd like to take—see the descriptions of special summer classes, pages 3–19, and the schedule of courses with core curriculum classes noted, pages 23–54.
- Register for summer classes—see the information beginning on page 61, fill out your registration planning form on page 70, and go to [cuconnect.colorado.edu](http://cuconnect.colorado.edu) and choose the PLUS tab or go directly to PLUS at [plus.colorado.edu](http://plus.colorado.edu).

# Arts and Sciences

# Core Curriculum

The mainstay of the general education requirements is the College of Arts and Sciences core curriculum. The core curriculum requirements are divided into two parts: skills acquisition and content areas of study. The following sections provide descriptions of the individual requirement areas, their underlying educational philosophies and goals, and the list of approved courses. The updated list of approved core courses is located at [www.colorado.edu/ArtsSciences/students/undergraduate/core.html](http://www.colorado.edu/ArtsSciences/students/undergraduate/core.html).

## Exemptions

Selected majors and the ecology and evolutionary biology minor are exempt from portions of the core curriculum, as core course work is considered equivalent to course work in the major. Students who graduate with more than one exempt major may apply their exemptions cumulatively.

## Skills Acquisition

These requirements are designed to assure that each student has attained a minimum level of competency in each of the areas listed: foreign language, quantitative reasoning and mathematical skills, written communication, and critical thinking.

Although a single course may appear in several areas, students may use it to meet only one core requirement.

### 1. Foreign Language

All students are required to demonstrate, while in high school, third-level proficiency in a single modern or classical foreign language. Students who have not met this requirement at the time of matriculation will have a MAPS deficiency. They may make up the deficiency only by passing an appropriate third-semester college course or by passing a CU-Boulder approved proficiency examination. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

Students who are under the core curriculum, but not subject to MAPS, must complete the foreign language requirement to meet degree requirements.

Questions about placement should be referred to the appropriate foreign language department.

The goal of the language requirement is to encourage students to confront the structure, formal and semantic, of another language, significant and difficult works in that language, and one or more aspects of the culture lived in that language. This enables students to understand their own language and culture better, analyze texts more clearly and effectively, and appreciate more vividly the dangers and limitations of using a translated document. The language requirement is a general education requirement and so

concentrates on reading. In some languages other abilities may be emphasized as well. Understanding what it means to read a significant text in its original language is essential for general education according to the standards of this university.

Courses offered at CU-Boulder that satisfy this requirement include the following:

ARAB 2110-3	Second Year Arabic 1
◆CHIN 2110-5	Intermediate Chinese 1
CHIN 2150-5	Intensive Second-Year Chinese
CLAS 2114-4	Intermediate Latin 1
CLAS 3113-3	Intermediate Classical Greek 1
◆FREN 2110-3	Second-Year French Grammar Review and Reading 1
FRSI 2010-4	Intermediate Farsi 1
GRMN 2010-4	Intermediate German 1
GRMN 2030-5	Intensive Intermediate German
HEBR 2110-(3-4)	Intermediate Hebrew 1
HIND 2010-5	Intermediate Hindi 1
INDO 2010-4	Intermediate Indonesian 1
◆ITAL 2110-3	Intermediate Italian Reading, Grammar, and Composition 1
◆JPNS 2110-5	Intermediate Japanese 1
KREN 2110-5	Second-Year Intermediate Korean 1
NORW 2110-4	Second-Year Norwegian Reading and Conversation 1
PORT 2110-3	Second-Year Portuguese 1
RUSS 2010-4	Second-Year Russian 1
◆SLHS 2325-4	American Sign Language 3
◆SPAN 2110-3	Second-Year Spanish 1
SPAN 2150-5	Intensive Second-Year Spanish
SWED 2110-4	Second-Year Swedish Reading and Conversation 1

### 2. Quantitative Reasoning and Mathematical Skills (QRMS)

#### (3–6 semester hours)

Liberal education should be able to think at a certain level of abstraction and to manipulate symbols. This requirement has two principal objectives. The first is to provide students with the analytical tools used in core curriculum courses and in their major areas of study. The second is to help students acquire the reasoning skills necessary to assess adequately the data which will confront them in their daily lives. Students completing this requirement should be able to: construct a logical argument based on the rules of inference; analyze, present, and interpret numerical data; estimate orders of magnitude as well as obtain exact results when appropriate; and apply mathematical methods to solve problems in their university work and in their daily lives.

Students can fulfill the requirement by passing one of the courses or sequences of courses listed below or by passing the CU-Boulder QRMS proficiency exam. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

◆ECON 1078-3	Mathematical Tools for Economists 1
◆MATH 1012-3	Quantitative Reasoning and Mathematical Skills (same as QRMS 1010)
MATH 1110-3 and 1120-3	The Spirit and Uses of Mathematics 1 and 2
MATH 1130-3	Mathematics from the Visual Arts (same as QRMS 1130)
◆MATH 1150-4	Precalculus Mathematics
MATH 1410-3	Mathematics for Secondary Educators
MATH 2380-3	Mathematics for the Environment (same as QRMS 2380)
PHYS 1010-3	Physics of Everyday Life 1
PHYS 1020-4	Physics of Everyday Life 2
PSCI 2075-3	Quantitative Research Methods

Any 3-credit math module: ◆MATH 1011-3, ◆MATH 1071-3, or ◆MATH 1081-3.  
Any 3 credits of mathematics courses numbered ◆MATH 1300 and above or applied mathematics courses numbered ◆APPM 1350 and above.

### 3. Written Communication (3 lower-division and 3 upper-division semester hours)

Writing is a skill fundamental to all intellectual endeavors. While some college courses require more writing than others, good writing is recognized as a necessary means of communication in every scholarly discipline. The core curriculum promotes the principle that ideas do not exist apart from language, and thus content cannot be isolated from style. For ideas to flourish, they must be expressed clearly and gracefully, so that readers take pleasure while taking instruction. Students may meet the lower-division component of this requirement by first passing one of the approved lower-division courses or by receiving a score of 4 or 5 on the English Language and Composition Advanced Placement exam. Students may then complete the upper-division component of this requirement by passing one of the approved upper-division courses or by passing the written communication proficiency exam. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

#### Lower-Division Courses

ARSC 1080-4	College Writing and Research
ARSC 1150-3	Writing in Arts and Sciences
ENGL 1001-3	Freshman Writing Seminar
IPHY 1950-3	Introduction to Scientific Writing in Integrative Physiology
WRTG 1100-4	Extended First-Year Writing and Rhetoric
◆WRTG 1150-3	First-Year Writing and Rhetoric
WRTG 1250-3	Advanced First-Year Writing and Rhetoric

#### Upper-Division Courses

ARSC 3100-3	Multicultural Perspective and Academic Discourse
◆EBIO 3940-3	Argument in Scientific Writing
ENVS 3020-3	Advanced Writing in Environmental Studies
HONR 3220-3	Advanced Honors Writing Workshop
IPHY 3700-3	Scientific Writing in Integrative Physiology
PHIL 3480-3	Critical Thinking and Writing in Philosophy
PHYS 3050-3	Writing in Physics: Problem Solving and Rhetoric
RLST 3020-3	Advanced Writing in Religious Studies
WMST 3800-3	Advanced Writing in Feminist Studies
WRTG 3007-3	Writing in the Visual Arts
◆WRTG/ NRLN 3020-3	Topics in Writing
◆WRTG 3030-3	Writing on Science and Society
◆WRTG 3035-3	Technical Communication and Design
◆WRTG 3040-3	Writing on Business and Society

### 4. Critical Thinking (3 upper-division semester hours)

Courses in this area encourage the active practice of critical reasoning, evaluation, and discussion. They do so by providing opportunities for student participation beyond those offered in ordinary lecture courses, labs, or seminars. Critical thinking courses address matters of controversy within a given field of study or in the society at large. Students learn how to construct, defend, and criticize arguments; identify and assess tacit assumptions; and gather and evaluate evidence. Critical thinking courses emphasize some combination of the methodology of acquiring knowledge in a specific discipline, key arguments in the discipline, and problems of interpreting original literature and data. In addition, they may subject arguments within the discipline to scrutiny from competing cultural, social, or methodological perspectives. Students must pass 3 credit hours of specified course work at the upper-division level that requires them to practice sustained critical thinking and to demonstrate such thinking in both written form and oral discussion. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher. Some of the listed courses are intended for specific majors. Others are open to all students with a general background in the field. Note the prerequisites before registering.

Courses offered at CU-Boulder that satisfy this requirement include the following:

ANTH/HIST 3218-3	People and Cultures of West Africa

## Content Areas of Study

### 5. Historical Context (3 semester hours)

Courses that fulfill this requirement enable students to study historical problems or issues and to develop an understanding of earlier ideas, institutions, and cultures.

Courses explore the times and circumstances in which social, intellectual, artistic, or other developments occurred. The purpose of this exploration is to analyze subjects in their context, that is, to investigate both the processes and the meanings of change. Among the educational aims of these courses are the following: to contribute to historical perspectives that may help to clarify issues that arise today or will arise tomorrow, to arouse the curiosity of students concerning historical conditions that may be relevant to subjects studied in other courses, and to expand the imagination by generating an awareness of the diverse ways in which our common humanity has expressed itself.

Students may choose to meet this 3-hour requirement by passing any course listed below. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

## 6. Cultural and Gender Diversity (3 semester hours)

Courses fulfilling this requirement increase the student's understanding of the world's diversity and pluralism through the study of two broad and interrelated areas: (1) the nature and meaning of the categories of race, ethnicity, and gender; and (2) cultures other than those of Europe and the United States. This requirement explicitly identifies an awareness and understanding of pluralism as essential to a liberal education.

**(1) Gender and Ethnic Diversity.** Courses in this area are designed to expand the range of each student's understanding of the origin, definition, and experience of the categories of gender, ethnicity, and race. They apply new approaches to knowledge and scholarly inquiry and explore the ways in which nonsexist and nonracist language expand understanding of social groups. They are concerned with recovery of knowledge about individuals and groups excluded from traditional studies of societies and share the fundamental goal of identifying the way these social categories define and therefore shape human thought and experience.

**(2) Non-Western Cultures.** These courses are designed to expand the range of the student's understanding of cultures that are not derived principally from the western experience. A comparative perspective introduces students to the commonality and diversity of cultural responses to universal human problems. Each course seeks to cultivate insight into and respect for diversity by requiring students to explore a cultural world quite different from their own.

Courses satisfying this requirement are intended to portray culture in the most integrated sense, including aspects of material adaptation, social pattern, ideas and values, and aesthetic achievement.

Students are required to pass 3 hours of course work from any course listed below. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D–* or higher. Students who graduate with a major in ethnic studies are exempt from completing the cultural and gender diversity requirement.

## 7. United States Context (3 semester hours)

Courses fulfilling the United States context requirement explore important aspects of American culture and society. They stimulate critical thinking and an awareness of the place of the United States in the world by promoting an understanding of the particular world views that the diversity, environment, culture, history, values, and expression of the United States have fostered. Courses familiarize students with the United States and enable them to evaluate it critically.

These courses teach an appreciation of American culture while inviting students to ask probing questions about American values and ideals. How have Americans derived a sense of identity from geography, language, politics, and the arts? How do Americans view and influence the world beyond their borders? How have the rights and responsibilities of citizenship changed over time? How have Americans dealt with opposing values in their culture? Completing this requirement, students will develop both a better understanding of the American present and past, and a considerable interest in the American future.

This 3-hour requirement may be fulfilled by passing any course listed below. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

## 8. Literature and the Arts (6 semester hours, 3 of which must be upper-division)

These courses promote a better understanding of fundamental aesthetic and cultural issues. They sharpen critical and analytical abilities so that students may develop a deeper appreciation of works of art. The goal of this requirement is to enhance the student's ability to read critically, to understand the elements of art, and to grasp something of the complex relations between artist and public, and between art work and cultural matrix. The emphasis in courses which fulfill this requirement is on works that are generally recognized as central to and significant for one's cultural literacy and thereby enhance the student's understanding of our literary and artistic heritage.

Courses stress literary works as well as the history and criticism of literature and the arts. They may utilize creative projects as a means of arriving at a better understanding of the art form, but students may not use studio or performance classes to satisfy this requirement.

Students are required to pass 6 hours of course work in literature and the arts, of which at least 3 hours must be upper division, unless either HUMN 1010 or 1020 is completed. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

If students graduate with a major dealing in depth with literature and the arts (Chinese, classics, dance, English, fine arts, French, Germanic studies, humanities, Italian, Japanese, Portuguese, Russian, Spanish, or theatre), they are exempt from this requirement.

Courses offered at CU-Boulder that satisfy this requirement include the following:

## 9. Natural Science

### (13 semester hours, including a two-course sequence and a laboratory or field experience)

These courses study the nature of matter, life, and the universe. They enhance literacy and knowledge of one or more scientific disciplines, and enhance those reasoning and observing skills that are necessary to evaluate issues with scientific content. Courses are designed to demonstrate that science is not a static list of facts, but a dynamic process that leads to knowledge. This process is one of subtle interplay between observation, experimentation, and theory, enabling students to develop a critical view toward the conclusions and interpretations obtained through the scientific process.

Through a combination of lecture courses and laboratory or field experiences, students gain hands-on experience with scientific research. They develop observational skills of measurement and data interpretation and learn the relevance of these skills to the formation and testing of scientific hypotheses.

The goal of this requirement is to enable students to understand the current state of knowledge in at least one scientific discipline, with specific reference to important past discoveries and the directions of current development; to gain experience in scientific observation and measurement, in organizing and quantifying results, in drawing conclusions from data, and in understanding the uncertainties and limitations of the results; and to acquire sufficient general scientific vocabulary and methodology to find additional information about scientific issues, to evaluate it critically, and to make informed decisions.

The natural science requirement, which consists of passing 13 hours of approved natural science course work, includes one two-semester sequence of courses and at least 1 credit hour of an associated lab or field experience. No more than two lower-division courses may be taken from any single department (1-credit-hour lab/field experience courses are excepted). Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

Students who graduate with a major in the natural sciences (biochemistry, chemistry, ecology and evolutionary biology, geology, integrative physiology, molecular, cellular, and developmental biology, or physics) or students who graduate with a minor in ecology and evolutionary biology are exempt from completing the natural science requirement.

Courses offered at CU-Boulder that satisfy this requirement include the following:

## 10. Contemporary Societies (3 semester hours)

All individuals function within social frameworks. Courses in contemporary societies introduce students to the study of social groups, including social institutions and processes, the values and beliefs shared by their members, and the forces that mold and shape social groups. They prepare students to approach social phenomena of all kinds in an informed and critical way, and to describe, analyze, compare, and contrast them. Such study also provides students with new vantage points from which to view their own socio-cultural assumptions and traditions.

These courses, which treat societies of the 20th and 21st century, study an individual society or compare several societies. All explicitly attempt to deepen the students' understanding of the cultural, political, economic, or social contexts that shape people's lives. Their scope may be global or specific, but all courses that fulfill this requirement address social processes, institutions, values, forces, and beliefs.

Students who graduate with a major in anthropology, economics, international affairs, political science, psychology, or sociology are exempt from the contemporary societies requirement. Students may satisfy this 3-hour requirement by passing any course listed below. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

## 11. Ideals and Values (3 semester hours)

Ideals and values have usually been determined by long-standing traditions and fixed social practices. In our modern world, the interaction of different cultures, movement from place to place, electronic media, and the rapidity of change, even within a given society, have combined to generate new constellations of ideals and hard choices among values.

Courses meeting the ideals and values requirement inquire into some specific sphere of human value (e.g. moral, religious, intellectual, aesthetic, environmental, etc.). In these courses students are encouraged to reflect upon fundamental ideals and values, their own and others, and the sources from which those value orientations derive. Such inquiry demands the development of the critical skills which help students identifying the assumptions and ramifications of value structures. It also requires consideration of approaches by which value systems are constructed, justified, and applied, especially in regard to the personal, societal, and in some cases cross-cultural contexts.

Students may complete this 3-hour requirement by passing any course listed below. Students who take approved CU-Boulder course work to fulfill this requirement must take the course for a letter grade and receive a passing grade of *D-* or higher.

## Minimum Academic Preparation Standards

All new students entering the University of Colorado who finished high school in the spring of 1988 or later must meet the Minimum Academic Preparation Standards (MAPS) specified by their school or college. The purpose of these standards is to assure that all students have some core knowledge in common.

The College of Arts and Sciences has adopted the following standards for admissions. These standards are defined in high school years.

English	4 high school years (including 2 in composition)
Mathematics	3* high school years (2 in algebra and 1 in geometry)
Natural Science	3 high school years (including 2 in lab science, one of which must be either chemistry or physics)

Social Science	3 high school years (including one of U.S. or world history and one of geography. A student who has U.S history may use 1/2 year of world history and 1/2 year of geography instead of one year of geography)
Foreign Language	completion of a third-year-level course (level III) in a high school foreign language sequence

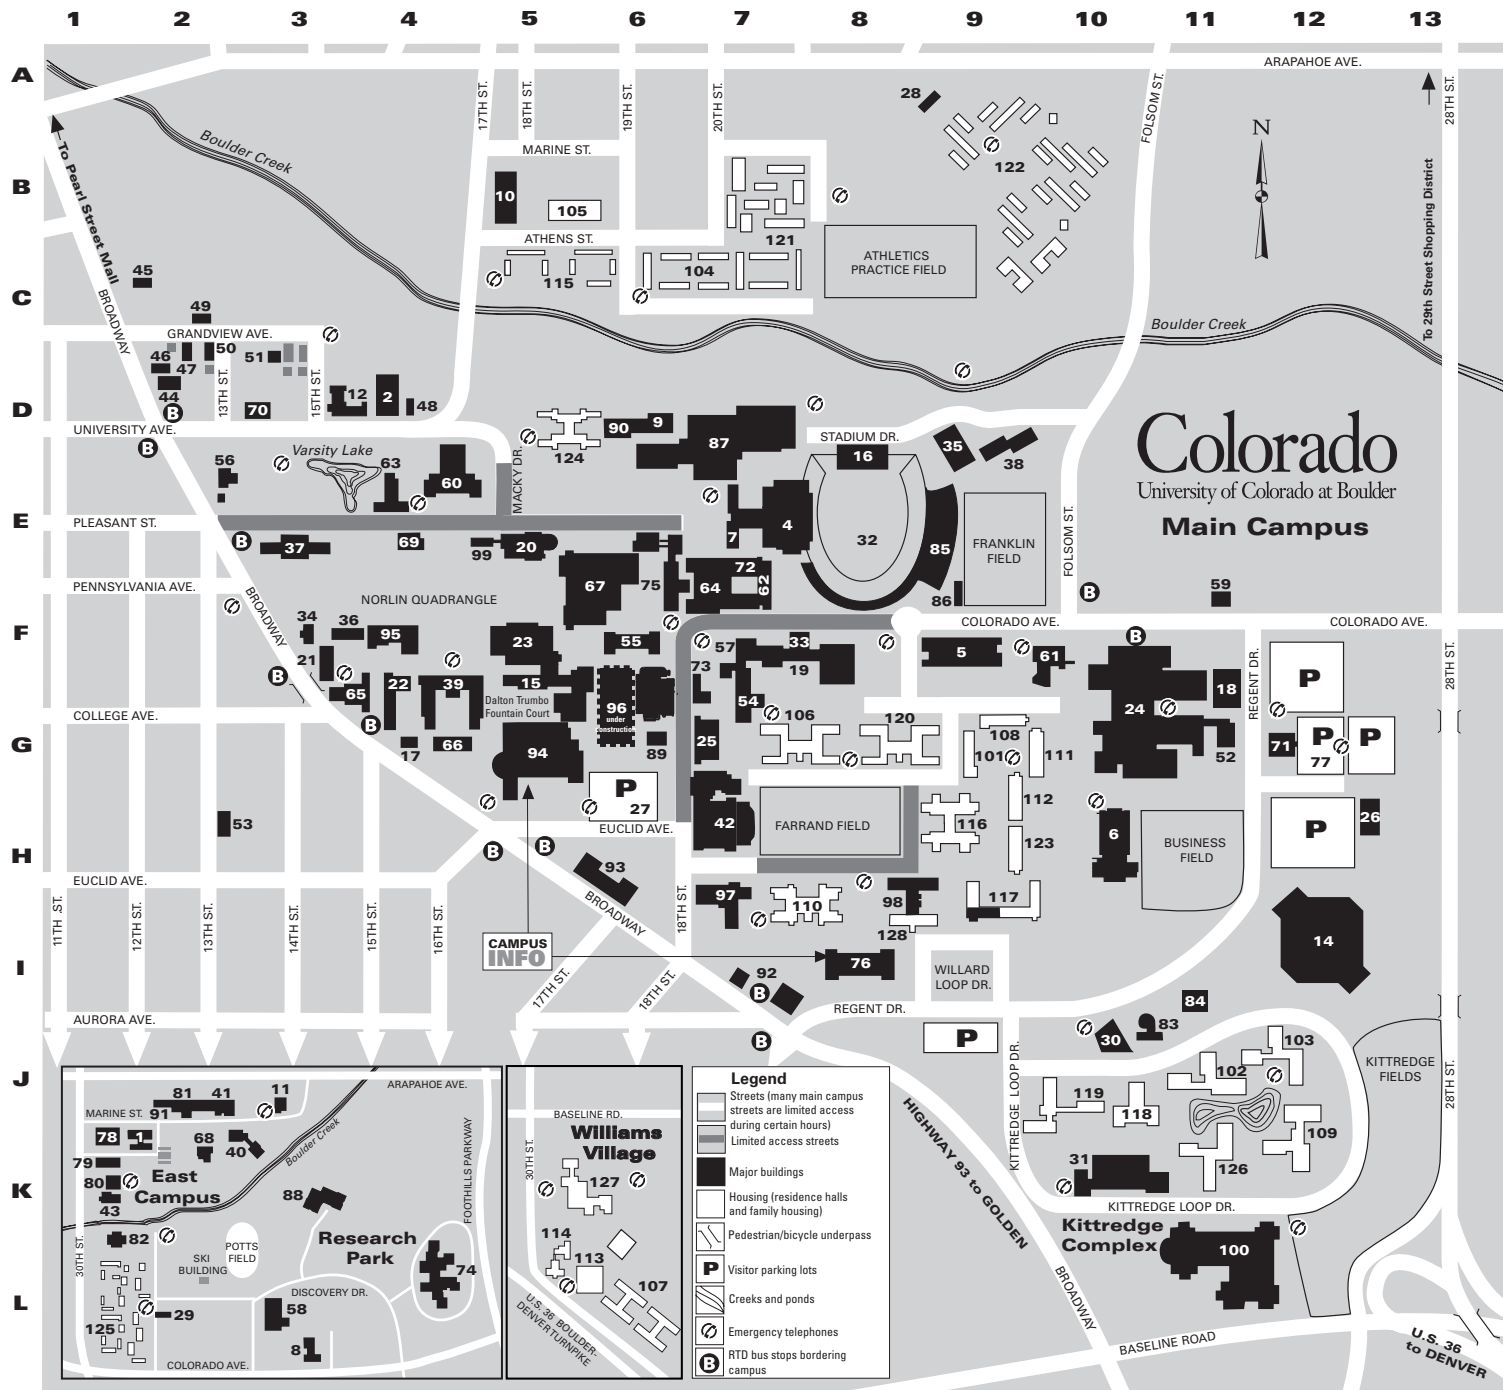

## Policies Concerning the Completion of MAPS

If you were admitted to the College of Arts and Sciences with missing MAPS courses, you are subject to the following policies:

1. Each year of missing high school work can be made up by one semester of appropriate CU-Boulder course work.
2. All course work taken toward fulfillment of the MAPS must be taken for a letter grade, and you must receive a passing grade.
3. You are required to enroll in and complete at least one MAPS course each term, beginning in your first term of enrollment, until such time as all MAPS requirements are completed. This policy applies to new freshmen, transfer students, and students transferring from other colleges or schools on the Boulder campus and from other campuses of the University. Failure to comply with this requirement may result in suspension at the end of the term in which you cease to complete missing MAPS courses.
4. All students who first enroll in one college or school at CU-Boulder and who subsequently transfer to another college or school are required to meet the MAPS specified for the new college or school, whether or not they have completed their MAPS courses in their previous college or school.
5. Double-degree students must meet the MAPS requirements of both degree-granting colleges or schools.
6. During the arts and sciences orientation, students must consult with a CU-Boulder academic advisor to determine which specific courses may be used to meet a MAPS requirement.
7. If you complete a course approved to fulfill a MAPS deficiency and that course also is approved to fulfill a core area, that course can be used to fulfill both the core requirement and the MAPS deficiency. This change in policy applies to all arts and sciences students who are subject to MAPS.

**Note:** Contact your academic advisor for additional information.

*\*Beginning in fall 2010, the MAPS for mathematics for the College of Arts and Sciences will be 4 units, including 2 of algebra, 1 of geometry, and 1 of college preparatory math such as trigonometry, analytic geometry, or elementary functions. Applies to students graduating from high school spring 2010 and thereafter.*
