# BOLD SCHOLARS 2016-2017

**Minimum Requirements for Renewal**

The BOLD Scholars Program seeks to help students achieve academic excellence, develop professionally, and prepare to be culturally-competent leaders in an increasingly global and diverse workplace.

BOLD Scholars actively support the BOLD mission to increase diversity in engineering and to create a more inclusive environment in engineering.

| **Contribute to the BOLD Community and to the BOLD Mission** | - Complete 10 BOLD Community Hours from the following options:  
  - Service at BOLD sponsored or approved events  
  - BOLD Power Hours (every Wednesday 4 – 5 pm in the BOLD Center)  
  - Other BOLD Professional Development events  
  - BOLD Cultural and Community events | All events must be BOLD sponsored or approved.  
First-Year Scholars required to attend BOLD Fall Welcome in August.  
*TEAMS volunteering can count for up to 5 BOLD hours. |
| | - 10 Hours of involvement with a diversity-serving student society  
  - AISES, CUWIC, NSBE, SAGE, SASE, SHPE/MAES and/or SWE | You must attend your first society meeting by October 1st. |
| **Achieve Academic Excellence** | - 1 Success Coaching Meeting with a BOLD Director  
  - Students can always drop by for office hours or additional meetings as needed | First-Year Scholars must meet with a BOLD Director by October 15th.  
Returning students can do a 1 on 1 or group meeting in either semester. |
| | - Complete First-Year Engineering Projects Course (First Year Scholars only)  
  - If you are unable to take the projects class due to conflicts with your academic schedule, then you will need to get approval from a BOLD Director for another hands-on engineering experience or additional volunteer hours. | Take one of the following in fall or spring semester: GEEN 1400, ECEN 1400, ASEN 1400, COEN 1400, or COEN 1410. |
| | - Achieve ≥2.800 cumulative GPA (First & 2nd Year Scholars)  
  - Achieve ≥ 3.000 cumulative GPA (3rd and 4th Year Scholars)  
  - Enroll in ≥ 12 credit hours  
  - Must remain in good standing in the College of Engineering and Applied Science each semester (academic standing, Honor Code, and Student Conduct Code). | We strongly encourage you to take advantage of Math Workgroups, the Student Success Center tutoring, Peer Advocates, and Faculty/TA office hours. |
| **Develop Professional Skills** | - Write a thank you letter to your donor | Our College Scholarship Coordinator will provide you instructions before September 2016. |
| | - Attend Scholarship Dinner | If invited to the Fall Scholarship Dinner (Fall 2016), then you will be required to attend. Your invitation is contingent upon your donor attending the event. |
