Degree Requirements

- Degree audits are not yet in place for the CMCI degrees. Please refer to department websites or the 2015-2016 Course Catalog for specific requirements.

- To remain in good academic standing, students must maintain a 2.25 overall GPA and a 2.5 GPA in their major coursework. Students who fall below the minimum GPAs will be placed on probation, and may face suspension.

- Journalism majors (JRNL) are required to complete an Additional Field of Study (AFS) as part of the degree requirements. Please visit the CMCI website for more information and a list of AFS requirements.

Academic Advising

Students admitted to CMCI will be assigned an academic advisor. Meeting with an advisor is not required, but is strongly recommended. Students with 85 or more hours will have a hold placed on their registration, and must meet with an advisor in order to plan out their final semesters at CU-Boulder.

Major Changes, Double Majors and Double Degrees

- Students who wish to change majors in CMCI must complete one semester in the major they have been admitted to and must be in good academic standing.

- Double majors are available in CMCI. Some major combinations may result in additional coursework beyond the 120 credit hours required to receive the degree.

- Double degrees with other colleges and schools are also encouraged.
