Running a Degree Audit

1. Log into your student portal → https://myCUinfo.colorado.edu

2. Click the “Track Academic Progress” link

3. Choose from either option:
   - **Current Program(s)/Major(s)** option for the student’s current degree program as officially indicated on the student record
   - **“What If” Program** option to see how a student’s coursework might apply if the student changes majors or colleges

4. Click the “Run Audit” Button, to run a degree audit

5. Click on “View Audit” -or- the “Program” name to open the audit
