Campus Advising Exploratory Group (CAEG):

I acknowledge the receipt of your final report that was discussed and presented to me on March 02, 2012. My official receipt of the report should not be interpreted to mean that I agree with and/or accept all of the recommendations contained therein. Rather, my receipt of the report acknowledges that the document is now the official report of record that will serve to ground a broader campus discussion on student advising.

In the interest of transparency and to make certain that all potential campus stakeholders are fully cognizant of the status of the CAEG's work, we will post the report, the charge to the committee, as well as this letter of acceptance, on the Provost's website.

In closing, thank you all for your valuable contributions to this effort. This represents a key step in our efforts to better serve our students on the CU Boulder campus. I look forward to working with you in the near future!

Sincerely,

Russell Moore, Provost
