

APPM 5430: PROJECT TIMES & INFORMATION FALL 2019

APPM 5430: Complex Variables and Applications

Instructor: M.J. Ablowitz

- ALL PROJECT PRESENTATIONS will be held in ECCR 257 Monday Dec 9. The presentations will begin after any remaining items for class discussions.
- Bring a 'physical' copy of your project report. Report should be written according to project template on web page.
- Either send me an electronic copy of both the lecture and the report (importantly: both in pdf format) or bring memory stick with presentation and report and I will copy it at the time of lecture.
- Bring a computer with your lecture on it and bring connectors for your computer.
- You will have 35 minutes + 5 minutes for questions. Poor timing will count against you.
- Grade for this portion of course will be 50% presentation, 50% report.
