Travel Fellowship Application

Date: _____

Name: _____

Mailing address /Street: _____

City, State, Zip: _____

Phone: (home) _____ (office) _____

Cell: _____ E-mail: _____

Title of Project: _____

Proposed month to be in residence at CU-Boulder (not October, November, or December)
Applications should be made approximately *six to nine* months before the planned month of residence:

Attach below a description of not more than 500 words of your proposed project. In your description, please clearly state (1) the scholarly significance of your project and (2) how your research will relate to the collections at the American Music Research Center (**NB:** In general, grants will not be made for projects that do not make extensive use of AMRC materials).

In addition to this completed application, please enclose a current curriculum vitae of no more than three pages.

Applications are considered on a rotating basis and announcements of fellowship awards can be expected within 60 days following the submission of a *complete* application.

Please list the names, e-mail addresses, addresses and phone numbers of three people in your field familiar with your work. *Do not* enclose reference letters or placement office files.
