UNIVERSITY OF COLORADO BOULDER

Revised 5/26/2017

What Is the Grade-Change Workflow?

Instructors can use the grade-change workflow to submit changes to their grade rosters one student at a time.

The grade-change workflow will route corrections to the student's college, school or program. If applicable, corrections will also be forwarded for review to the Assistant Registrar for NCAA Athletic Eligibility. Upon approval, the workflow will update the grade on the student's record within 24 hours.

Instructors may use the workflow for the following reasons:

- An incomplete (I) grade on a previously posted grade roster needs to be updated to a letter grade because the student completed their course work.
- Grades were miscalculated for a student.
- The wrong grade was entered on the original grade roster.

This workflow should not be used for entering grades for dissertation or thesis hours, or for reasons other than those indicated above.

Request a Grade Change

If you're requesting a grade change from off campus, you must connect to the [campus VPN](#) to use the grade-change workflow. If you're unable to make a secure connection, contact help@colorado.edu for technical assistance or registrar@colorado.edu for grading advice.

On the [MyCUInfo Teaching Tools](#) tab, click either **Go to Web Grading** or **Go to Faculty Center**.

The screenshot shows the myCUinfo Faculty Toolkit interface. At the top, there's a navigation bar with 'Teaching Tools' selected. Below it, the 'Faculty Toolkit' section has tabs for 'My Courses' and 'Course Tools'. A 'Term' dropdown is set to 'Fall 2016'. A red circle highlights the 'Go to Web Grading' button. The main content area displays course information for 'PSYC-1001-001' (General Psychology) with a table of days, times, and rooms. A red circle highlights the 'Go to Faculty Center' button in the bottom left corner.

Your browser's pop-up blocker probably blocked the next window in the process. Unfortunately, the grade-change workflow for that student is now locked.

Recommend emailing the Office of the Registrar (registrar@colorado.edu) to alert them to the situation; however, they won't be able to see the status of your request or modify it in any way until the nightly process runs. The next business day, staff will run a report of pending grade-change requests and submit your request on your behalf.
