CURRICULUM VITAE

J. TERRENCE McCABE

Current Address
Professor
Department of Anthropology
University of Colorado, 233 UCB
&
Director: Environment and Society Program,
Institute of Behavioral Science
University of Colorado, 468 UCB
Boulder, Colorado 80309
Tel: 303 – 492 0583 (Anthropology); 303 – 492 0443 (IBS)
e- mail: tmccabe@Colorado.Edu

Education

1976 – 1985	State University of New York at Binghamton, Ph.D. Anthropology Dissertation Title: Social and Ecological Analysis of Herd Management among the Turkana of Kenya
1973 – 1976	State University of New York at Binghamton, M.A., Anthropology
1966 – 1970	University of Notre Dame B.A.

Academic Employment

Professor	University of Colorado at Boulder (2005 – present)
Director	Environment and Society Program, Institute of Behavioral Science, University of Colorado, Boulder (2010 – present)
Acting Director	Environment and Society Program, Institute of Behavioral Science, University of Colorado, Boulder (2008 – 2009)
Professional Staff	Environment and Behavior Program, Institute of Behavioral Science, University of Colorado, Boulder
Associate Professor	University of Colorado at Boulder (1994 – 2004)
Acting Director	Environment and Behavior Program, Institute of Behavioral Science, University of Colorado, Boulder (1999 – 2002)
Associate Director	Environment and Behavior Program, Institute of Behavioral Science, University of Colorado, Boulder (1995 – 1997)
Faculty Research Associate	Environment and Behavior Program, Institute of Behavioral Science, University of Colorado, Boulder (1989 – 1994)
Assistant Professor	University of Colorado at Boulder (1989 - 1993)
Assistant Professor	University of Georgia (1984 – 1989)

Research Interests:

Ecological Anthropology, Pastoral Nomadism, Demography and Land Use Change Economic Development, Arid Lands, Conservation, Sub-Saharan Africa, East Africa

Editorial Responsibilities:

2006 – 2007	Editorial Board: American Anthropologist
2005 – present	Editorial Board: Studies in Human Ecology and Adaptation. Kluwer Academic Publishers
2003 – present	Editorial Board: Human Ecology: An Interdisciplinary Journal
1995-present	Editorial Board. Nomadic Peoples
1994 - 2003	Associate Editor: Human Ecology: An Interdisciplinary Journal.

Awards and Honors:

2016-2017. College Scholar Award. Award given by the College of Arts and Sciences at the University of Colorado in support of a faculty member devoting an entire year to research and writing.

2009 Alexander von Humboldt Research Award for Lifetime Achievement. Alexander von Humboldt Foundation, Bonn, Germany

2005. Julian Steward Award for the best book published in 2004 in the field of Ecological/Environmental Anthropology. – American Anthropological Association.

Publications:

Books:

McCabe, J. Terrence
2004 . Cattle Bring Us to Our Enemies: Turkana Ecology, History, and Raiding in a Disequilibrium System University of Michigan Press.

Dyson-Hudson, R. and J.T. McCabe
1985 South Turkana Nomadism: Coping with an Unpredictably Varying Environment. Human Relation Area Files Books, 378 pages.

Monographs:

Brandt Steven, Spring Anita, Hiebsch Clifton, McCabe, J. Terrence, Tabogie Endale, Diro Mulugeta, Wolde-Michael Gizachew, Ynitso Gebre, Shigeta Masayoshi, and Tesfaye Shiferaw.
1998 The Tree Against Hunger: Enset Cultivation in Ethiopia. Washington D.C. American Academy for the Advancement of Science.

Edited Volumes:

McCabe, J. Terrence (guest editor)
2003 Anthropology and Sustainability. Human Organization Vol. 62, no.31

Fratkin, Elliot and McCabe, J. Terrence (guest editors)
1999 East African Pastoralists at the Crossroads. Special Edition of the Journal: Nomadic Peoples Vol. 3, No. 2

Refereed Academic Articles and Book Chapters:

External Grants, Awards, and Fellowships

2017-2020 Timothy Baird, J. Terrence McCabe, and Emily Woodhouse. The effects of mobile phones on gendered social networks, decision making and vulnerability. NSF/UKRC. $ 330,000 (CU portion $ 102, 520)

2015 – 2018 J. Terrence McCabe, Paul W. Leslie and Alicia Davis. Collaborative Research: Extreme Events as Transformative Factors in Pastoral Social-Ecological Systems. National Science Foundation, $ 425,000

2013 – 2017 John O'Loughlin, Jiroslav Tir, and J. Terrence McCabe. Integrated Behavioral and Social Science (IBSS): Analyses of Relationships Between Changing Environmental Conditions and Societal Conflict. National Science Foundation, $999,994

2013- 2016 J. Terrence McCabe. ESRC – Measuring Complex Outcomes (a subcontract). UK Economic and Social Research Council/Department for International Development (ESRC/DFID). $62,136

2011 - 2014 Paul Leslie and J. Terrence McCabe. Collaborative Research: Multi level response diversity: Land Use, Livelihood Diversification, and Resilience in Northern Tanzania. National Science Foundation, $ 480,000

2009 – 2010 J. Terrence McCabe (with Jessica Lee). NSF Dissertation Improvement Grant: Deaf Communities in Tanzania. .National Science Foundation $ 14,400

2006 – 2009 Principal Investigator (Paul Leslie, Abe Goldman, Michael Binford, Brian Child Co-Principal Invtigators). Collaborative Research: Parks as Agents of Change in Eastern and Southern Africa. Human and Social Dimensions Program, National Science Foundation. $ 675,000

2008- 2009 Principal Investigator: (with Nicole Smith). Doctoral Dissertation Improvement Grant: Diversification of Maasai Livelihoods: Migration, Land Use and Resources Control in Northern Tanzania. National Science Foundation. $ 14, 350

2005 - 2008 Principal Investigator (Paul Leslie Co-Principal Investigator). Alternative Consequences of Migration for Land Use and Conservation in Northern Tanzania. MacArthur Foundation. $ 100,000

2004-2007 Co-Principal Investigator (Abe Goldman - PI, Paul Leslie – co PI). Collaborative Research: Consequences of Parks for Land Use, Livelihood Diversification and Biodiversity in East Africa. National Science Foundation. $ 300,000

2003 Co- Principal Investigator with Rachel Silvey (PI) and Monica Ogra. Human Wildlife Conflict in India: Gendered Livelihoods and Vulnerability. National Science Foundation. Dissertation Research Award. $ 11,800

2002 – 2003 Fellow at the Land Use and Environmental Change Institute. University of Florida, Gainesville

2001 Visiting Research Fellowship: Center for African Area Studies, University of Kyoto, Kyoto, Japan. May – August

2001-2003 Principal Investigator for University of Colorado sub-contract: Integrated Assessment of Pastoral/Wildlife Interactions: Implications for People, Policy, Conservation and Development in East Africa. $ 13,764. Sub-contract from Colorado State University and USAID.

2001 Principal Investigator (Laura DeLuca, Co-Principal Investigator) An examination of the role of tourism work among pastoral peoples in Tanzania. $ 5,400. National Science Foundation. Dissertation Research Award

1999- 2001 Principal Investigator (Paul Leslie: Co PI) "Intensification of Pastoral Systems in the African Savanna: Integrating Demographic and Cultural Approaches. National Science Foundation. $ 195,597

1999 Principal Investigator (Ann May Co-Principal Investigator) "Leaving Home: Children's Rural-Urban Migration and Work in East Africa" National Science Foundation. $ 5,900 - Dissertation Research Award

1998 Principal Investigator (Mark Calamia Co-Principal Investigator) "Cultural Ecology of Customary Marine Tenure in Fiji." National Science Foundation. $ 5,900 - Dissertation Research Award

1997-2001 Principal Investigator: University of Colorado sub-contract for proposal entitled: Integrated Modeling and Assessment for Balancing Food Security, Conservation and Ecosystem Integrity. USAID. sub-contract $ 34,322; Sub-contract from Colorado State University and USAID

1995 Principal Investigator: Incorporating Individuals into Ecosystem Analysis: The Turkana of Northwestern Kenya. Social Science Research Council. $ 14,963.

1994 Principal Investigator: Ethnographic Research in Badlands National Park: Hunting and Oglala Natural Resource Management. National Park Service. $ 77,000.

1993 Principal Investigator with Ann May: Research Experiences for Undergraduates - Supplement to Human Ecology and Biological Conservation in the Ngorongoro Conservation Area, Tanzania National Science Foundation. $ 5,000.

1993 Principal Investigator: Maasai/Wildebeest interactions in the Ngorongoro Conservation Area of Tanzania. National Geographic Society. $12,850.

1991-1993 Principal Investigator for University of Colorado sub-contract: Human Ecology and Biological Conservation in the Ngorongoro Conservation Area, Tanzania. $ 50,000. Principal Investigators: Jim Ellis and Kathleen Galvin: National Science Foundation. $ 300,000.

1990-1992 Principal Investigator for University of Colorado sub-contract. $ 39,000. Issues and Concepts In Pastoral Ecology. Jim Ellis, David Swift, and Michael Cougenhour, Principal Investigators. National Science Foundation. $ 400,000.

1984-1985 Co-Principal Investigator: with: J. Ellis, K. Galvin and D. Swift. Coping with drought in northern Kenya: Traditional Tactics of Survival and the Role of Development. Norwegian Agency for International Development. $100,000

1983 Co-Principal Investigator: with: J. Ellis and T. Hart. An Assessment of Road Impacts in North West Kenya. Norwegian Agency for International Development. $ 50,000

1981 Co-Principal Investigator: with: Rada Dyson-Hudson.

An Evaluation of South Turkana Water Resources and Livestock Movements. Norwegian Agency for International Development $ 30,000

Research Funded as a Collaborator but not Principal Investigator

2004 Collaborator with Paul Leslie. Risk Perception, Land use, and Labor Migration in Northern Tanzania. Funded by the Mellon Foundation and the Carolina Population Center $19,855

1997 Collaborator with Paul Leslie. Population and Changing Land Use in Northern Tanzania. Funded by the Mellon Foundation and the Carolina Population Center $ 79,754

1985-1989 Collaborator with Jim Ellis, David Swift and Michael Cougenhour: "Persistence of a Pastoral Ecosystem" National Science Foundation. Principal investigators: Ellis, Swift and Cougenhour. $ 1,600,000

Internal Grants and Awards

July 2019-December 2020. O;Loughlin, John (PI), McCabe, J. Terrence (co-PI), Jaroslav, Tir (co-PI). Climate Change, Livelihood Security, and Violence Exposure: Tracking The Effectiveness of Peace Initiatives with a SMS Panel Survey in Kenya. Innovative Seed Grant Program. University of Colorado ($50,000)

July 2013 – June 2014. O'Loughlin, John (PI), McCabe, J. Terrence (co-PI) and Tir Jaroslav (co-PI) Change and local conflicts in Kenya. Innovative Seed Grant Program. University of Colorado ($ 48,000)

June 2011- May 2012, Resilience in the African Rangelands: Establishing A Research Collaboration between the University of Colorado and the University of Cologne, Germany, University of Colorado Innovative Seed Grant. $44,000

June 2010 –July Dec 31,2011, Livelihood Diversification, Migration, and Land Use Among Maasai Pastoralists of Tanzania. Colorado Univ. population Center $10.360

2009 – 2010 Faculty Fellowship. Complexity and Resilience in the Rangelands of Northern Tanzania. Fellowship covers salary for one half of the academic year

2002-2003 Faculty Fellowship: Migration and Livelihood Diversification among the Maasai northern Tanzania. Fellowship covers salary for one half of the academic year.

2002-2003 Principal Investigator: Migration and Livelihood Diversification among the Maasai in northern Tanzania. Council on Research and Creative Work, University of Colorado. $ 5,000

2001-2002 Principal Investigator: Aging Migration and Health: A Case Study from Northern Tanzania. Population Aging Center, University of Colorado. Funding through the National Institute of Health. $ 40, 930

1995 Principal Investigator: Incorporating Individuals into Ecosystem Analysis: Council for Research and Creative Work. University of Colorado, Boulder. $ 5,000 (returned)

1992 Fellowship from the Council for International Education and Research. University of Colorado, Boulder. $ 3,000

1986-1987 Lilly Foundation Grant for the Improvement of Audio/Visual Aid for Teaching African Studies Courses.

1986-1987 Selected as a Lilly Fellow in the Lilly Foundation Teaching Fellowship Program. University of Georgia, Athens

1982-1983 Dissertation Fellowship. Department of Anthropology. S.U.N.Y. - Binghamton.

Other Fellowships and Awards

1995 Elected as "Fellow" in the Society for Applied Anthropology

1993 Article entitled: "Can Conservation and Development be Coupled among a Pastoral People: The Maasai of the Ngorongoro Conservation Area in Tanzania", which appeared in Human Organization (1992), was selected for an award by the Dean's Committee for Social Science Writing Awards, University of Colorado.

1992 Selected as a Fellow for the 1992-1993 academic year by the Center for International Research and Education Projects at the University of Colorado, Boulder.

1988 Selected as a Lilly Foundation Teaching Fellow at the University of Georgia.

Consulting and Development Related Research:

1996-98 Team Member - Enset Project: Research funded by GTZ (Germany). Conduct research on the relationship between the livestock production system and the enset cultivation system in southern Ethiopia.

1995 Consultant and Team Leader. International Union for the Conservation of

Nature. Responsibilities: design and direct research concerning the impact of the adoption of agriculture on wildlife and conservation by the Maasai of the Ngorongoro Conservation Area, Tanzania.

1990 Consultant - Malone Gill Productions Limited.
Responsibilities: Anthropological consultant on an ethnographic film on Turkana. Job entailed introducing the film crew to Turkana and working with them during filming, and working with the director and editor on narration and final cut.

1989 Consultant - Team Leader: International Union for the Conservation of Nature. Responsibilities: Direct anthropological/ nutritional survey concerning food security among the Maasai living in the Ngorongoro Conservation Area in Tanzania

1984 Consultant-U.S.A.I.D., Sudan/REDSO, Kenya.
Responsibilities: Evaluate the social impact of road construction between Lodwar, Kenya and Juba, Sudan. In addition to the collection of base line data my responsibilities included an evaluation of past social impact studies. January – April

1982 Consultant and Team Leader, Norwegian Agency for International Development. Responsibilities: Designing a methodology for assessing the socio economic impact of the Kenya-Sudan road in northwestern Kenya, conducting the sociological component of the field research, and co- authoring the final report. September 1982 – January 1983

1981 Co-investigator: Norwegian Agency for International Development. Responsibilities: The collection of data relating pastoral herd management, livestock management, herd dynamics and movement in Turkana District, Kenya. August 1981 – August 1982

Other Creative Work:

1990-1991 Worked with Malone-Gill Productions in the production of an ethnographic film on the Turkana. The film was shown on the Arts and Entertainment Network in Aug. of 1992 and shown in the U.K in Sept. 1993. It was also shown at the Annual Meetings of the American Anthropological Association, 1993

Technical Reports:

McCabe, J. Terrence
1996. "The Role of Livestock in the enset cultivation system: A review of the literature." submitted to GTZ, Addis Ababa and the Regional Agricultural Bureau, Awassa, Ethiopia.

McCabe, J. Terrence
1995. "Natural Resource Use among the Lokota of the Pine Ridge Reservation, South Dakota. Final Report submitted to the National Park Service. Denver.

McCabe, J.T., Naftali Mollel, and Anna Tumaini.
1995 "Food Security and the Role of Cultivation in the Ngorongoro Conservation Area, Tanzania. Report submitted to the Regional Office for East Africa. International Union for the Conservation of Nature, Nairobi, Kenya.

McCabe, J. T., E.B. Schofield, and G. Pederson
1989 "Food Security among the Maasai of the Ngorongoro Conservation Area in Tanzania." Report submitted to the International Union for the Conservation of Nature, Nairobi, Kenya

Ellis, J.E., K. Galvin, J.T. McCabe, and D. Swift
1987 "Pastoralism and Drought in Turkana District, Kenya. Final Report for the Norwegian Agency for International Development, 205 pages.
Galvin, K. and J.T. McCabe

1986 "Coping with Drought in Northern Kenya." Submitted to the Norwegian Agency for International Development, 35 pages.

McCabe, J.Terrence
1983 "Social Impact of Road Construction from Lodwar, Kenya to Juba, Sudan." Submitted to U.S.A.I.D. Khartoum and REDSO/Nairobi.

McCabe, J. T., J.E. Ellis and T. Hart
1983 "Road Impact Evaluation in northern Kenya, A Case Study in South Turkana." Final Report Norwegian Agency for International Development.

Dyson-Hudson, R. and J.T. McCabe
1982 Final Report: "South Turkana Water Resources and Livestock Movements." Submitted to the Norwegian Agency for International Development.

Teaching Experience

1989-2013	Assistant Professor, Associate Professor, Full Professor. University of Colorado. Courses Taught: Graduate Seminars - Human Ecology, Anthropological Methods, East African Pastoral Peoples; Upper Division/Graduate Courses - Human Ecology, East African Nomads, Applied Anthropology, Cross Cultural Aspects of Development; Lower Division Undergraduate Courses - Regional Cultures of Africa, Africa: People and Social Change
1984 – 1989	Assistant Professor, University of Georgia. Courses Taught: Graduate Seminars - Seminar on Anthropological Theory, Seminar on Development Anthropology; Upper Division Undergraduate Courses - Africa: Peoples and Institutions, Cultural Ecology; Lower Division Undergraduate Courses - Africa: Peoples and Institutions, Introduction to Anthropology.

Dissertations Supervised:

Amy Quandt. May 2018: Building Livelihood Resilience in semi-arid Kenya: what role

Does agroforestry play? Environmental Studies. University of Colorado, Boulder.
