CV   **GRAHAM JAMES ODDIE**

<u>**Degrees**</u>   BA Honors (First) 1976, University of Otago.
                PhD 1979, University of London.

<u>**Citizenship**</u>   Dual NZ and US

<u>**Areas of Interest**</u>   Value theory, metaphysics, epistemology

<u>**University Positions**</u>

1994—	*Professor of Philosophy*, University of Colorado at Boulder (UCB)
2013	*Interim Director*, Grad Program in Comparative Literature
2012-13	*Interim Director*, Humanities Program
2002-2010	*Associate Dean*, with responsibility for Humanities and the Arts, UCB
1997-2002	*Chair of Philosophy*, University of Colorado at Boulder
1998-2000	*Director*, Cttee for the History and Philosophy of Science UCB
1997-8	*Director*, Center for Values and Social Policy, UCB
1988-94	*Professor and Chair of Philosophy*, Massey University, NZ
1986-7	*Associate Professor in Philosophy*, University of Otago, NZ
1979-86	*Assistant Professor in Philosophy*, University of Otago, NZ

<u>**International Awards, prizes, memberships etc.**</u>

2018-19	*Fellow, Swedish Collegium for Advanced Studies*, AY 2018-19.
2015	*2015 Distinguished Visiting Professor, Institute for Futures Studies*, Stockholm (9/25/15-1025/15).
2011-14	*Program Committee, APA*. (Pacific Division).
2010-11	*Starr Fellow*, University of Oxford (9/10-6/11)
2010	*Sabbatical Fellowship* from University of Colorado (8/10-12/10)
2009	*Excellence in Research Award* University of Colorado Faculty Assembly.
2008	*College Scholar Award*, University of Colorado.
1996-97	*Visiting Professor of Philosophy*, U. of Canterbury, NZ (6/96-6/97)
1993	*Visiting Professor of Philosophy*, University of Sydney (6/93-12/93)
1992	*Visiting Fellow*, Czech Academy of Science (8/92)
1992	*Claude McCarthy Fellow* NZ Vice Chancellors' Committee Award (8/92)
1992-93	*Founding Vice President*, New Zealand Academy for the Humanities.
1990-92	*Council Member*, Australasian Association of Philosophy.
1990	*Visiting Fellow*, Research School of the Social Sciences, Australian National University (9/90-12/90).
1989-90	*President*, Australasian Association of Philosophy
1986	*Imre Lakatos Visiting Fellow*, University of London (7/86-12/86)
1986	*Visiting Fellow*, Finnish Academy of Sciences, Helsinki (4/86-6/86)
1986	*Visiting Scholar*, Tantur Ecumenical Institute, Jerusalem (1/86-3/86)
1986	*Visiting Fellow*, Inst. for Phil and Hist of Science, Tel Aviv U. (2/86)
1976-9	*Commonwealth Scholar*, University of London (9/76-9/79)

TEACHING

Undergraduate Courses

Recent Probability and Rational Choice (2018);   Aesthetic Theory (2015,16,17,18); Introduction to Philosophy (2018) (small honors class and large lecture classes); Twentieth Century Analytic Philosophy (2014, 2016), Metaphysics (2015, 2016); Symbolic Logic (2011 2012, 2020, 2021).

Earlier Philosophy of Science, Contemporary Moral Issues, Practical Ethics, History of Philosophy (Descartes, Locke Berkeley, Hume); History of Philosophy (Leibniz, Spinoza, Kant), Introduction to Rationality, Critical Thinking.

Recent graduate courses

The Logic and Metaphysics of Value (2020), Metaphysics, The Logic and Metaphysics of Intensionality (2021), Truth and Truthmakers, Proseminar in Metaphysics and Epistemology.

Graduate supervision

2019   Bodhi Melnitzer *What's Wrong with Adaptive Preferences* Lecturer, University of Colorado at Boulder.

2019   Zak Kopeikin PhD *Values, Parts and Wholes* Lecturer, University of Colorado at Boulder.

2018   Benjamin Kultgen, *Morality and Vagueness*. Lecturer, University of Colorado at Boulder.

2018   Spencer Case, *From Epistemic to Moral Realism: A Defense of Ethical Truth*, International Research Fellow at Wuhan University, China,.

2018   Jay Geyer, *Reasons and Values: Decision-making under moral uncertainty*, Lecturer, University of Colorado at Boulder.

2013   Noël Saenz, *Grounding and Truthmaking* (PhD completed May, 2014). Assistant Professor at the University of Illinois, Urbana Champagne.

2009   Kendy Hess, *The Modern Corporation as Moral Agent*. Brake Smith Professor of Social Philosophy and Ethics, College of the Holy Cross (currently up for tenure).

2009   Dan Demetriou, *Honor Among Theories*. Assistant Professor at the University of Minnesota (currently up for tenure).

2008   Ken Daley *A Theory of Concepts*. Senior Lecturer, Southern Methodist University.

2003   Christopher Kelly *A Theory of the Good*. Was Visiting Assistant Professor at University of North Carolina (Chapel Hill), before converting to a career in film.

2002   Michelle Montague *Intentionality and its Objects*. Tenured Associate Professor, University of Texas at Austin.

2001   Steve Kramer *Natural, Wild and Free*. Tenured Associate Professor and Department Chair at Southwest Minnesota State.

Recent MA thesis adviser

2018   John Christmann MA *Moral error theory*, PhD student at Florida State University.

Post-doctoral fellow supervision

1988-90   Peter Milne, (Massey U.). Full Professor of Philosophy at the University of Stirling.

PhD Thesis Committee member (at the University of Colorado)

2016   Ben Rohrs, *Vagueness and Propositional Content* (primary advisor: Graeme Forbes). One year instructorship, UCB.

2016   Shane Gronholz, *Practical Reason, Morality and Partiality*,

One year instructorship, UCB.

2016   Rebecca Renninger *Action, Agents, and Extended Cognition* (primary advisor: Rob Rupert).

2014   Kelly Weirich - *Truth and Consequence: Toward a New Account of Indicative Conditionals* (primary advisor: David Barnett) Instructor at Seattle University.

2014   Ryan Jenkins, *On Good People: A New Defense of Rule-consequentialism*, (primary advisor: Alastair Norcross). Assistant Professor, California Poly U., San Luis Obispo.

2013   Annaleigh Curtis, *Socially Situating Moral Knowledge, (*primary advisor: Alison Jaggar). At Harvard Law School pursuing a JD.

2013   Chad Vance, *In Defense of The New Actualism: Dispositional Modal Truthmakers and the Branching Conception of Possibility*, (primary advisor: Graeme Forbes). Visiting Assistant Professor at the College of William and Mary.

2012   Christian Lee, *Adding Goods*, (primary advisor: Michael Tooley). Assistant Professor, University of Western Australia

2011   Tyler Hildebrand, *Empiricism, Natural Regularity, and Necessit*y, (primary advisor: Michael Tooley). Assistant Professor, Dalhousie University.

2008   Tait Szabo, *In Defense of Commodification*, (primary advisor: David Boonin) Associate Professor, University of Wisconsin (Washington County).

2004   Matthew Roberts, *A Historical Survey and Conceptual Theory of States of Affairs*. (primary advisor: George Bealer). Associate Professor, Patrick Henry College.

2004   Devon Belcher, *On Words* (primary advisor: George Bealer). Assoc Professo/Chair, Oglethorpe College.

2003   Michelle Maise, *Mental Causation, Trying, and the Emotions*. (primary advisor: Robert Hanna). Tenured Assoc Professor and Chair, Emmanuel College, Boston.

2002   Dennis Earl, *A Defense of the Classical View of Concepts* (primary advisor: George Bealer). Associate Professor at Coastal Carolina University.

2001   Robert Lovering *The Concept of Worldview in Contemporary Philosophy of Religion* (primary advisor: Ed Miller). Associate Professor, College of Staten Island

2000   Paul Studtmann *The Foundations of Aristotle's Categorial Scheme*. Tenured Associate Professor at Davidson College.

Primary Advisor for the following PhD theses before CU

1994   Nicole Bishop *Self Esteem* (Massey U.).

1990   Andrew Holster *Time Reversibility in a Probabilistic Universe* (Massey U.)

1986   Roy Perrett, *Death and Immortality* (Otago U.). Emeritus Full Prof, retired from University of Hawaii.

RESEARCH AND PUBLICATIONS

My research over the past thirty-odd years has spanned value theory, epistemology, metaphysics, epistemology and philosophical logic. Much of it is united by problems of *realism*—of what it is and whether it is defensible. Many articles lie on the borders of value theory, epistemology and metaphysics.

Value Theory: Articles 12, 18, 20, 22, 24, 25, 27, 29, 30, 33, 34, 35, 41, 44, 48, 50, 54, 56, 57, 60, 63, 65, 66, 67, 68, 69, 70, 71, 74, 79 and 80. The book *Value, Reality and Desire* (first published in 2005, with a revised paperback edition in 2009) is an extended defense of a robust value realism. Applied value theory: two edited books and articles 11, 12, 31, 31a, 28, 34, 38, 40, 58, 65).

Epistemology and philosophy of science: Much of my work in epistemology focusses on truth, accuracy, probability and truthlikeness. (My first book *Likeness to Truth*, and articles 1, 2, 3, 6, 10, 13, 14, 15, 16, 17, 19, 21, 36, 37, 39, 45, 46, 51, 53, 55, 57, 62, 64, 72, 73).

Metaphysics: ontology, the status of abstract entities (articles 5, 7, 18, 49, 69, 71, 74, 77, 78), causation and time, freedom, supervenience, reduction, truthmakers (articles 4, 8, 9, 20, 23, 24, 26, 27, 32, 42, 43, 47, 49, 52, 71, 74, 75, 76, 77 and the much of the book *Value, Reality and Desire*.)

Books (authored)

1 *Value, Reality and Desire* Oxford: OUP, Hardback 2005. Paperback 2009.

Selected reviews

i   Times Literary Supplement
"Value, Reality and Desire is a masterful book. The writing is clear and crisp and vivid….. Most of all, the book has that rare quality of abounding with new ideas worth hearing: on degrees of realism; on harmonizing peoples desires; on the nature of perspective and properties." (Fehige, Christoph. *Times Literary Supplement*, July 14, 2006)

ii   Ethics
"Oddie's book is packed with sophisticated arguments for provocative claims ... and embodies a refreshing excitement about metaethical matters; I recommend it to all students of meta-ethics for intellectual edification and delight." (Cokelet, Bradford. *Ethics* vol. 116.2.)

iii   Review of Metaphysics
"There is much in this sophisticated book from which philosophers can profit. ... Oddie introduces a bounty of thoughtful and provocative insights into our understanding of noncognitivism, idealism, naturalism, properties, supervenience, reduction, and causation." (Miller, Carl. *The Review of Metaphysics* 60.3 (March 2007)).

iv   Philosophical Investigations
 "……. Undoubtedly, *Value, Reality, and Desire* represents an interesting and important defence of value realism at a time when, as Oddie himself admits, holding such a position is far from philosophically popular. … Oddie's sustained, detailed and philosophically rigorous argument deserves to be taken seriously.." (Sleat, Matt. *Philosophical Investigations,* 30.1*)*

v   Mind
 "Graham Oddie's *Value, Reality, and Desire* is a welcome, ambitious and spirited defence of a 'robust realism about the good'….Oddie's book is well-structured, clearly written, and informative. It also contains a number of provocative, original, and persuasive arguments. .." (Brady, Michael. *Mind*, Vol. 116 . January 2007.)

vi   Journal of Value Inquiry
"In *Value, Reality, and Desire*, Oddie provides an impressive technical defense of value realism." (Hucktefeld, Vaughan. *The Journal of Value Inquiry* (2006) 40:107–113.

vii   Philosophical Books
 "… there can be no question that his efforts constitute an admirable feat of intellectual derring-do." (Sayre, Patricia. *Philosophical Books* Volume 48 Issue 2, Pages 189 – 190.)

2   *Likeness to Truth*   Western Ontario Series in Philosophy of Science (Dordrecht: Reidel, 1986).

In preparation:

3   *The Nature and Logic of Goodness*
Description: There is an astonishing variety of value phenomena. Absent a unified theory of value, one which explains and organizes the value data into a coherent and consistent whole, it is tempting to embrace either a deep skepticism about value or even value nihilism. I develop and explore a coherent general theory, one which not only explains the value phenomena but defuses the most potent paradoxes and puzzles about the good.

4   *The Logic and Metaphysics of Roles and Constructions*
Description: Pavel Tichý discovered and developed an extremely powerful metaphysical and logical framework—transparent higher-order intensional logic—that facilitates the dissolution of many outstanding problems in bth metaphysics and logic. Two concepts are central to this framewok: that of a role and that of a construction. Roles are intensional entities—whereas constructions are hyperintensional. TIL provides an elegant framework for explicating and these fundamental notions and their logical connections.

Books (edited)

1   *What's Wrong?* co-authored and co-edited with David Boonin (New York: Oxford University Press, 2004). Second revised edition January 2009.

Selected reviews

"*What's Wrong?* presents applied ethics at its finest. Boonin and Oddie have collected an ideal assortment of compact, well-argued papers on an impressive range of issues. Additionally, they provide outstanding section introductions throughout. I recommend this volume with enthusiasm."--Ted A. Warfield, University of Notre Dame.

"Excellent selection of readings--perfect for an introduction to ethics course. The inclusion of materials on the family, smoking tobacco, criminalizing blackmail, and other non-standard applied ethics topics makes this a unique text in the field."--Eric Rovie, Webster University

2   *Justice, Ethics and New Zealand Society* co-edited with Roy Perrett (Auckland: Oxford University Press, 1992).

In preparation:

3   *The Logic of Engish: Meaning Driven Grammar* (authored by **Pavel Tichý**)

Description: The philosopher and logician Pavel Tichý, who died tragically in 1994, left behind a largely complete but unpublished ms entitled *Meaning Driven Grammar*, the culmination of a life's work in philosophical logic. I have been asked to prepare the ms for publication by the owner of his estate (his daughter Veronica Tichý.

Australasian Association of Philosophy Annual Conference, 8/90.

The Philosophy of Baien, Conference, Massey University, 11/91.

Events, Processes, Actions (with Krister Segerberg), Lake Taupo, 12/89.

INSTITUTIONAL LEADERSHIP

I have served in senior leadership positions for 20 of the 35 years of my career.

1   In 1987 I accepted the position of **Full Professor** and **Chair of Philosophy** at
Massey University. I introduced a culture of research, and rewrote the undergraduate
and graduate curricula, for both on-campus and distance learning degrees.

2   In 1994 I took up a **Full Professorship** at the **University of Colorado**, then a
department of about 24 faculty. In 1997 I was elected **Chair** by the Department. In
2000 I was unanimously reelected.

3   From 2002-2010 I was Associate Dean in the College of Arts and Sciences, with
oversight of the Division **of Humanities and the Arts**. The three divisions of the
College function as semi-autonomous units. As Divisional Dean I oversaw thirteen
teaching departments, seven research centers, three hundred faculty, and a direct
budget of approximately $US35M.
