

# Stay in the Loop

## **Check your CU email regularly**

This is how academic advisors, faculty, and other campus offices share important information with you

## **Review your degree audit each semester**

Make sure you're meeting the requirements for your degree

## **Keep track of academic deadlines**

Know important dates for add/drop and registration

## **Don't wait to reach out**

Whether it's a quick question or big decision, don't wait to reach out until it becomes urgent. We're here to help!
