February 12, 2:00 to 3:15 pm
UMC Aspen Rooms

WORKSHOPS: INTRODUCTION TO UDL

February 19, 2019
3:00 to 4:00 pm in CASE E422

March 11, 2019
10:00 to 11:00 am in CASE E351

April 12, 2019
12:00 to 1:00 pm (virtual session via Zoom)

Universal Design for Learning is a framework for curriculum design that fosters an inclusive classroom environment. In a universally designed course, **all students have an equal opportunity to learn.**

UDL services are offered collaboratively by ASSETT (Arts & Sciences Support of Education Through Technology) and the Academic Technology Design Team. Events are free of charge and open to faculty, staff, and graduate students with instructional duties. For more information, email asset@colorado.edu.
