Faculty Fellows Applications Due Dec. 1

Fellows receive funding to improve the undergraduate learning experience by promoting the effective use of technology within the College of Arts & Sciences. Apply by Dec. 1 to be considered for the 2020–21 cohort.

SPLOT-light on BuffsCreate

Discover how A&S instructors are using the Smallest Possible Learning Online Tool to enhance their courses and learn how your students can get SPLOT-ing, too!

Innovation Incubator Update

Faculty teams officially embarked on early-stage implementation of their three-year projects. Check out photos and highlights from October's kick-off event.

Welcome to Our New Student Employees!

We're excited to announce that five student employees have joined the ASSETT team, starting in the fall 2019 semester. Get to know our new Student Technology Consultants and Graduate Assistants!

Blair Young Named Innovation Catalyst

ASSETT's former Teaching, Learning, and Technology Initiatives Coordinator has taken on a new role. As our Innovation Catalyst, Blair will facilitate the work of the four Innovation Incubator project teams and serve as the main point of contact for the initiative.
