Arts & Sciences Support of Education  
Through Technology  
UNIVERSITY OF COLORADO BOULDER

**Community Newsletter**

**April 2020**

## News & Events

### **ASSETT Supports Remote Teaching & Learning**

We've developed tips for students, course design advice for instructors, and targeted training sessions to help you succeed. We continue to be available for one-on-one consultations, group workshops, and presentations via Zoom. Email us at [asset@colorado.edu](mailto:asset@colorado.edu).

### **Welcome to the 2020-21 Faculty Fellows!**

Faculty Fellows brings together A&S faculty who are committed to the continuous improvement of teaching and learning with technology. Meet the new cohort, who represent a diverse range of departments and interests.

### **Nominate a Peer for Excellence in Teaching with Tech**

The award includes \$500 in professional development funds and recognizes demonstrated

commitment and leadership in advancing technology-enhanced teaching and learning within the College of Arts & Sciences.

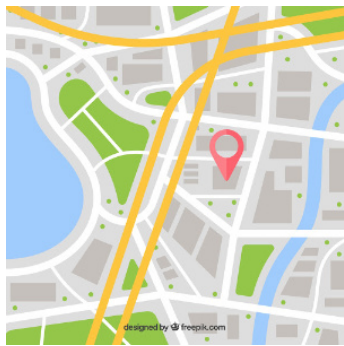

---

## Innovation Incubator Update

At our recent “House of Genius” event, expert panelists collaboratively generated solutions to challenges presented by Innovation Incubator participants. Also: Our inaugural conference, EMERGE 2020, has been canceled, but we hope to see you in 2021!

---

## Info About Teaching Spaces Moving to Campus Map

Content from the [places.colorado.edu](https://places.colorado.edu) website is transitioning to the [CU Campus Map](#). Moving forward, Strategic Relations will manage building information and updates.

---

## Columns

## Letter from the Advisor

Through ASSETT’s [Innovation Incubator](#), I have been exploring multimodal publishing with undergraduates. Recently, a visiting student from Middlebury College interned with [Inside the Greenhouse](#) to engage students in communicating climate solutions.

---

## Teaching Tip: 12 Ways to

## Engage Students Online

A consultation between the Academic Technology Design Team and faculty from the Leeds School of Business identified four approaches and 12 strategies that can have huge payoffs for instructors and students.

## Tech Spotlight: Resources for Remote Teaching

OIT's **Academic Technology Resources for Teaching Continuity** provides alternative methods and tools to allow you to continue course activities, at a distance, when classroom instruction is disrupted due to an emergency.

## ASSETT Insight: Newsletter Readership

Our occasional column presents data collected from our most important source: YOU! In this installment, we turn our attention to the ASSETT newsletter and discover why faculty don't read it more often.
