News & Events

Digital Device Use in the Classroom

During October, ASSETT's Digital Distraction & Engagement Discussion Series will explore ways to intentionally integrate device use into teaching to promote student success and engagement.

Tackling Distraction in Large Lecture Classes

Our advice for instructors and students is informed by [findings from a survey](#) conducted by the Academic Technology Design Team (ATDT) and ASSETT.

ASSETT Welcomes Blair Young

Blair brings experience from a 20-year career in health and human services to her role as our new Teaching, Learning, and Technology Initiatives Coordinator.

Call for Faculty Fellows Opens Nov. 1

ASSETT Faculty Fellows collaborate to address teaching, learning, and technology needs and challenges within their individual departments. Fellowships require a two-year commitment and include a \$3000 professional development award.

Now Hiring Undergraduate Student Fellows

Develop teaching and technical skills in a fun, friendly working environment. [Student Fellows](#) are hourly employees who support CU faculty and students in the use of technology.

Columns

Letter from the Advisor

Listen to students to make thinking visible, value their thinking, and meet them where they are; advance the teaching mission of CU Boulder as a 2019-20 Faculty Fellow.

Tech Spotlight: PlayPosit

Add images, text, or quiz questions to make course videos interactive. Track student engagement and conduct formative assessment.

Teaching Tips: Accessible Learning in Canvas

A thoughtful and consistent approach to setting up your Canvas site will help all students access materials and participate in the course.
