

## **Student Videographer & Editor, Job Description**

The Pedagogy and Wellness Microcredential project staff are seeking a videographer to produce a series of short videos to support a Pedagogy and Well-being Microcredential. This person will be responsible for the entire production which includes: recording properly exposed footage, capturing clear audio, and assembling a well-formatted edit. The ideal candidate must be able to set up and monitor all aspects of the production. A professional-grade camera, sound, and lighting equipment will be available for production use.

### **Responsibilities & Tasks:**

- Translate the vision of the project team into a comprehensive video series
- Record and edit footage for four scripted scenarios
- Record and edit an introductory video of the instructors
- Create a branded intro and outro with the CU logo and music
- Consult with the project team on pre and post-production meetings

### **Required Qualifications**

- The ideal candidate must
  - be an undergraduate student in good academic standing and enrolled in at least 12 credit hours
  - communicate well
  - own a Mac or Windows-based PC or laptop
  - be familiar with Adobe programs such as Premier Pro, Audition, and After Effects
  - be detail-oriented and highly developed organizational skills including the ability to prioritize tasks and meet deadlines

Provide a resume and a link to a sample of an original short video that showcases your command of directing, camera, lighting, and editing expertise to Jacie Moriyama ([moriyama@colorado.edu](mailto:moriyama@colorado.edu))

**Pay rate:** \$20.00
