Summer 2020

News & Events

Sign Up for July/August Course Design Workshops

May and June sessions of **Strategic Course Design for Flexible Teaching Modes** are full, but you can still join us July 13-24 for a fully online, self-paced option or August 11-14 for a hybrid format with daily Zoom sessions. These workshops fill up fast! [Save your spot today!](#)

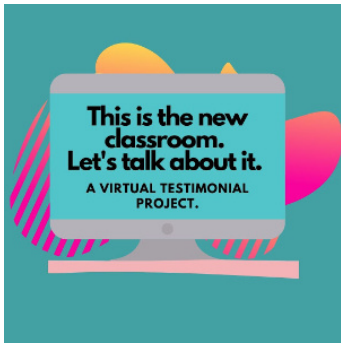

ASSETT and LTCs Team Up on Modular Training

We've joined forces with OIT's Learning Technology Consultants to offer customizable training series that combine pedagogical guidance and technical know-how. Choose from a number of curated options or build a series that meets your group's unique needs. [Browse our training catalog](#) or [submit a request](#).

Seeking Student Experiences During COVID-19

Participate in two projects by sharing your insights! All CU students are invited to [submit video testimonials](#) for a project developed by ASSETT's

Student Technology Consultants. Freshmen can [complete a survey](#) for CU Boulder's PEP Lab for a chance to win \$100.

BuffCreate Is Looking For a Few Great Websites!

Students: Submit your website hosted on [Buffcreate.net](#) for a chance to win an Amazon gift card (up to \$100 in value). Winners will have their sites featured on our [community showcase site](#). The deadline for submission is May 15, 2020.

Innovation Incubator Update

Team members present projects at the April DBER seminar. Emergency charge mobilizes incubator to support students and faculty amidst COVID-19 pandemic. Build your resilience toolbox in community with colleagues during our summer conversation series.

Columns

Letter from the Advisor

Online platforms that feature fun and creative communication strategies can effectively communicate important content. Read about an online exhibit developed with CU students to share arts-based approaches focused on food to help reverse global warming.

Tech Spotlight: Take Your Course Site to the Next Level with Cidi Labs

Did you know that we have a suite of design tools available in Canvas that can improve the aesthetic appearance of your Canvas course and make it more navigable? Visit the [Cidi Labs Design Tools page](#) on the OIT website to learn more.
