ECOLOGIES OF PRACTICES
media | film | performance | music | computer science | geography | engineering
an interdisciplinary symposium with Sha Xin Wei, PhD

WEDNESDAY
09.18

Graduate and Faculty Workshop with Sha Xin Wei
9:00am - 12:00pm
Media Lab, Stadium Gate 7, Suite 255
Graduate students and faculty from all disciplines are invited to present completed works or works-in-progress in a casual format. Six 30 min presentation slots are available. Reserve your slot by contacting teri.rueb@colorado.edu

Sha Xin Wei, PhD
is the Director of the School of Arts, Media and Engineering at Arizona State University and the founding director of the Synthesis Center.

Public Lecture Prototyping Social Forms: Research-Creation Ateliers
5:30pm - 7:00pm
ATLAS 100
How can engineers, humanists and artists learn more effectively from each other beyond simply beholding their singular products? Sha Xin Wei proposes a transdisciplinary practice of imagining worlds other than what is at hand, and prototyping those alternatives.

THURSDAY
09.19

Roundtable Discussion: Ecologies of Practices
12:30pm - 2:30pm
Media Lab, Stadium Gate 7, Suite 255
A conversation. Sha Xin Wei and friends across CU will share approaches to making knowledge via interdisciplinary practices. Particular attention will be given to those approaches which require collective work and cut across disciplines.

Closing Reception: Cinq-a-sept: What Next?
5:00pm - 7:00pm
CMCI Studio, 1301 Walnut St., Boulder, CO
An informal reception with drinks and hors d’oeuvres where everyone is welcome to discuss the previous presentations and conversations, and possible futures. RSVP required: tinyurl.com/eop-reception
