WE WANT YOUR INNOVATIVE IDEAS
for how CU Engineering can RECRUIT and RETAIN women and minority students!

INNOVATIVE INCLUSION IDEAS
A team from computer science and the BOLD Center is offering grants of up to $3,000 for proposals that help to increase participation and persistence in engineering and computing.

» DEADLINE: December 5

» FUNDING: Up to $3,000 in awards

» WHO CAN APPLY: CU faculty, staff and students

» GOAL: Increase participation and persistence of women and underrepresented students in computing and engineering.

» QUESTIONS: InclusionIdeas@colorado.edu
