Learning the INs and OUTs

A Basic Electronics Workshop

Join CTD Grad Ria Khan in their three-part workshop and learn about the fundamentals of electronics using sensors, motors, and LEDs. Students taking Creative Tech Seminar and Design Methods in the Fall are highly encouraged to come!

@ the Grad Lab Mondays September 9th, 16th, and 23rd 4-6pm. For additional questions, contact fakh7702@colorado.edu.
