

**Behavioral Neuroscience Preliminary Examination Evaluation**

Student Name: \_\_\_\_\_  
Semester & Year: \_\_\_\_\_

Fundamentals in Neuroscience I & II: Students will enroll in an independent study in the Fall and Spring semesters. The independent study will be directed by the primary advisor and 1st year committee. Students are expected to evaluate and critique the scientific literature in breadth areas determined by the primary advisor and 1st year committee. It is expected that three breadth areas will be evaluated in each of the two semesters. At the conclusion of each semester, please submit this evaluation form and return to the Program Director.

Members of the Examination Committee:

- 1. \_\_\_\_\_
- 2. \_\_\_\_\_
- 3. \_\_\_\_\_
