UNIVERSITY OF COLORADO **BOULDER**

BFA Bylaws Committee Notice of Motion
Motion to Extend Terms for BFA Elected Members
BFA-M-2-040220

Whereas we find ourselves in the midst of troubled and uncertain times, and

Whereas the BFA has been, and will necessarily continue to be, working closely with the university administration in a way that is perhaps unprecedented as decisions are made that will have an impact on our entire CU Boulder community; and

Whereas at this challenging moment the BFA stands in particular need of the collective and accumulated experience and wisdom of its leadership; and

Whereas it is vital to maintain our current stability and relationships between students, faculty, administration, and staff;

Therefore, in order to preserve stability within our academic community for the next academic year, the BFA Bylaws Committee now

Moves that:

1. The BFA extend the term limits for one academic year for all BFA positions that are normally voted upon by the Assembly.
