

Boulder Faculty Assembly
Motion to Adopt the Report of Faculty
Compensation and Benefits Committee Requesting Administration To Form
Contingent Faculty Task Force
BFA-M-050307

The Compensation and Benefits Committee recommends that the BFA request the Administration to constitute a task force with the charge to develop a proposal to improve the working conditions of contingent faculty, including research faculty, at CU Boulder. The Task Force should consider the instructor tenure proposal advanced by the CU chapter of AAUP, among other possible policy options. Moreover, the Task Force should include substantial representation by instructors.

From the BFA Committee: Faculty Compensation and Benefits
Approved by the BFA Executive Committee: April 30, 2007
Amended and Approved by the BFA: May 3, 2007
