We, the Boulder Faculty Assembly Diversity Committee of the University of Colorado Boulder, believe that it is important for CU Boulder to reaffirm our commitment to diversity by ensuring the safety and security of all our students, faculty, staff, and communities.

We deplore the anti-Asian racism and recent horrific events that were also denounced by the Chancellor. We include the Chancellor’s statement on anti-Asian racism and discrimination that was published March 17, 2021:

We express public heartfelt support for the victims and their families and ask the university leadership to take the necessary steps to actively create and maintain an inclusive, welcoming, and safe place on our campus. In accordance with our commitments to Inclusive Excellence and CU Boulder’s 2030 Strategic Goals, we must all act in support of the learning and growth of all students in our CU Boulder community.
