BFA Diversity Committee Notice of Motion
Resolution to Support Changes to FRPA to Recognize Diversity Activities in Faculty Evaluation
BFA-R-1-081020

Whereas the current Faculty Report of Professional Activities (FRPA) only includes Diversity as a sub-category of teaching;

Whereas faculty at CU Boulder perform numerous diversity activities related to all categories on the FRPA including teaching, service, and research and creative work which are not currently counted;

Whereas University of Colorado Boulder has the goal of creating a safe and welcoming community, valuing human rights, peace, respect, inclusivity and equity, and recognize that we derive strength from our diversity;

Whereas University of Colorado Boulder has agreed to implement the IDEA plan;

Whereas the IDEA plan recommends that the Office of Faculty Affairs implement performance plan and evaluation recognition of diversity to identify, evaluate, and reward inclusive excellence activities in considerations of personnel at major career points, such as reappointment and promotion, as well as annual performance reviews;

Resolved, that we:

• add Diversity as an overarching category to the FRPA, similar to the current Outreach category
• Unlike Outreach, report results in the Diversity Category of the FRPA report to the department chairs to be used in performance evaluation
• tabulate information on diversity activities for ARPAC.
