

MCDB

Minor Requirements

MCDB 1150 or EBIO 1210 - 3

MCDB 2150 Genetics - 3

*Recommended pre-requisite:
MCDB 1150*

Complete one of the following two credit labs:

MCDB 1161, 1171, 1181, or 2171

Recommended is to take this lab with MCDB 1150 or 2150, but this is not a requirement.

Molecular and Cellular Biology

MCDB 3135 Molecular Biology - 3

*Pre-requisites: Genetics and Gen Chem 1,
grade of C- or higher*

MCDB 3145 Cell Biology - 3

*Pre-requisites: Genetics and Gen Chem 1,
grade of C- or higher*

Additional Requirements

Six credits of MCDB Upper-Division
electives - can be any 3000-level or 4000-
level MCDB course. *Non-MCDB
department courses cannot be substituted
for this requirement.*

MCDB 1020 does not count toward the
minor.
