2018-2019 BOLD Scholars Application

BOLD Scholars play an important role in creating an inclusive and diverse environment in the College of Engineering and Applied Science at CU through participating in BOLD outreach, community-building, and professional development activities. The BOLD Center focuses on increasing the number of underrepresented groups in engineering, including students of color, women, first-generation, low-income, and LGBTQ students, and empowering their success academically, socially, and professionally.

CONTACT INFORMATION

CU Student ID #: ___________________________ Mailing Address: ___________________________
Last Name: ___________________________ Country: ___________________________
First Name: ___________________________ Home Phone: ___________________________
Middle Name: ___________________________ Cell Phone: ___________________________
Email Address: ___________________________ High School Name, City, State (Country if outside the US): ___________________________

COMMUNITY INTEREST

Choose one of the following prompts and write a 1-2 page response (12 point font, 1.5 spaced, 800 words max)

1. How have your multiple identities (e.g. race, gender, citizenship, social economic background, sexual orientation, ability, etc.), family history, and life experiences shaped your future goals and interest in engineering? How would your identities, history, and experiences help you contribute to the BOLD Center community?

2. Why is diversity, specifically with regard to race and gender, important to Engineering? How do you plan to contribute to the BOLD Center community and our goal to create an inclusive environment in the College of Engineering and Applied Science? Use examples of how you have already done this in other communities you have been a part of.

ACTIVITIES / LEADERSHIP

Please list your top 5 activities/involvements from High School, including any position or leadership role(s) you held. We encourage you to list any Engineering related activities if you have them, but it is not a requirement.

COMMUNITY INTEREST

BOLD Scholars are required to participate in one of the following student societies for their scholarship. Select which society or societies (check all that apply) you are most interested in joining at this time and write 1-2 paragraphs explaining why. All societies are welcoming and open to ALL students.

- AISES (American Indian Science & Engineering Society)
- CUWIC (CU Women in Computing)
- NSBE (National Society of Black Engineers)
- SASE (Society of Asian Scientists and Engineers)
- oSTEM (Out in Science, Technology, Engineering, & Math)
- SHPE/MAES (Society of Hispanic Professional Engineers/Latinos in Science)
- SWE (Society of Women Engineers)
