Rates published by the Bursar's Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Tuition for professional programs is based on residency classification, number of credit hours and your college, school or program. Fractional credit hours are assessed a portion of tuition between the two closest credit hours. Dual degrees and double majors are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses including CU Boulder Online and Continuing Education have separate tuition, fees and billing. Costs listed on this sheet are billed directly by CU Boulder but may not include everything. See Understanding Your Cost of Attendance ([colorado.edu/understand-your-cost-attendance](https://colorado.edu/understand-your-cost-attendance)). Rates and deadlines may be subject to change.

<sup>1</sup> Total tuition continues to increase at the same increment for each hour over 18.
