Graduate Student Status

Status	What does it mean?	How is it assigned?
Master's Student Status		
A	Registered for coursework and/or masters thesis hours	Automatic- based on registration
B	Registered for "candidate for degree", course # 6940-6949 (Students who are required to be registered for thesis defense or master's final exam but have no courses or thesis hours left to take, and/or students who must remain full time. A maximum of 3 hours should be taken per semester, as this registration placeholder cannot be used toward a student's degree)	Automatic- based on registration
Doctoral Student Status		
Pre-Comprehensive Exam		
C	Registered for coursework or coursework/dissertation hour combination	Automatic- based on registration
E	Registered for dissertation hours only	Automatic- based on registration
Post-Comprehensive Exam		
D	Registered for 3 or 5+ dissertation hours as required by Graduate School Rules	Changed by Graduate School for semester following admission to candidacy

Most of the different statuses are assigned automatically based on the student's registration. The only exception is "D" status, which is assigned by the Graduate School. Students must have passed their comprehensive exam, and have been admitted to candidacy before this status can be changed. The status is changed for an upcoming semester.
