Rates published by the Bursar's Office are approved by the Board of Regents. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your college, school or program. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education incur separate tuition and fees. Rates, deadlines and guarantee groups may be subject to change.

### CU Boulder Tuition Guarantee

Tuition and fees for undergraduate Colorado resident (in-state) students is guaranteed to be the same rate for four years. For more information, please visit the Bursar's Office website at [colorado.edu/bursar](http://colorado.edu/bursar). (Students first enrolled in Summer 2022 pay Group Q rates in Summer 2022 and then move to Group R rates starting in Fall 2022.)

### College Opportunity Fund (\$104 per credit hour per semester)

The College Opportunity Fund (COF) is a stipend for eligible undergraduates paying in-state tuition. The stipend pays a portion of total tuition for undergraduate students who attend a Colorado public institution or a participating private institution. The stipend is paid to the institution on a per-credit-hour basis, and the credit-hour amount is set annually by the General Assembly. Students must complete the COF application on the official state College Opportunity Fund website and authorize use of funds to receive COF. Students who do not complete both of these steps will be responsible for paying the total in-state tuition.

<sup>1</sup> Total tuition continues to increase at the same increment for each hour over 18.

<sup>2</sup> "Total Fees" do not include the A&S Tech (ASSET) Fee, the Business Career Center Fee and the New Student Fee.
