Tuition for these programs is assessed on a linear credit hour basis (each credit hour is the same rate). Rates published by the Bursar's Office are approved by the Board of Regents. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your program. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education incur separate tuition and fees. Rates and deadlines may be subject to change.

¹ Total tuition continues to increase at the same increment for each hour over 18.

² "Total Fees" do not include the A&S Tech (ASSET) Fee and the New Student Fee.
