		MEDIA, COMMUNICATION & INFORMATION (CMCI)		MUSIC		COLLEGE OPPORTUNITY FUND \$104 per credit hour/semester The College Opportunity Fund (COF), created by the Colorado legislature, provides a stipend to eligible undergraduates paying in-state tuition. The stipend pays a portion of total tuition for undergraduate students who attend a Colorado public institution or a participating private institution. The stipend is paid to the institution on a per-credit-hour basis, and the credit-hour amount is set annually by the General Assembly. Students must complete the COF application on the official state College Opportunity Fund website and authorize use of funds to receive COF. Students who do not complete both of these steps will be responsible for paying the total in-state tuition.

Rates published by the Bursar's Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your college, school or program. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education have separate tuition, fees and billing. Rates and deadlines may be subject to change.
