Rates published by the Bursar's Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your college, school or program. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education have separate tuition, fees and billing. Rates and deadlines may be subject to change.

Cost of Attendance

Tuition and fees are just one part of the overall cost to attend CU Boulder. The full cost of attendance could include expenses such as on-campus housing and food, books and supplies, and items that are not billed by the university, such as personal expenses and transportation. View information about the full cost of attendance: colorado.edu/understand-your-cost-attendance.
