Credit hours over 18: add \$92 per credit hour to total tuition; student share after COF remains the same.

* COF is the College Opportunity Fund. It is the state of Colorado's method for providing state tax dollars for higher education at the undergraduate level. If you have **applied and authorized** the COF vouchers online by the deadline, you only have to pay the student share. For summer 2009, the COF voucher is worth \$92 per credit hour.

For COF information, go to http://registrar.colorado.edu/students/registration/registration_packet/cof.html.
