

## Program Fees Academic Year 2011-12

<b>A&amp;AH LEC/SEM Program Fee - Supports fuel, equipment, supplies, and a growing reliance on computer technology and software needs for students. Originally approved by the Board of Regents in 1994 as course fees. Changed to program fee in 2009.</b>	\$75 per Art History course
<b>A&amp;AH Studio Program Fee - Supports fuel, equipment, supplies, and a growing reliance on computer technology and software needs for students. Originally approved by the Board of Regents in 1994 as course fees. Changed to program fee in 2009.</b>	\$225 per Fine arts Course
<b>Aerospace Engr Program Fee - Provides lab supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$14 per credit hour
<b>APPM Program Fee - Supports course enhancements, hardware and software upgrades for courses with numerical components, and course support. Originally approved by the Board of Regents in 1998. Changed to include upper division courses in 2004.</b>	\$7.50 per credit hour
<b>ATLAS Undergrad Program Fee - Supports infrastructure in teaching laboratories. Regents approved change from course fee of \$150 per course to this program fee in 2011.</b>	\$100 per course
<b>ATOC Program Fee - Provides lab computers, demonstration personnel, and equipment. Approved by the Board of Regents in 2011.</b>	\$21 per course
<b>ATOC Program Fee for ATOC 1070 and 3300</b>	\$50 per course
<b>CHEM Program Fee - Provides lab equipment, supplies, computer hardware and software, teaching aids, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$26 per course
<b>CHEM/BIO Engr Program Fee - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$5 per credit hour
<b>Civil/Arch Engr Program Fee - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$12 per credit hour
<b>COMM Program Fee - Supports the Technology Across the Curriculum Program, which designs, implements and supports the introduction and use of technology for Communication courses, ranging from clickers to cameras, and more. Originally approved by the Board of Regents in 2001.</b>	\$5 per credit hour
<b>Computer Science Program Fee (Undergraduates) - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$3.50 per credit hour
<b>Computer Science Program Fee (Graduates) - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$2.50 per credit hour
<b>Creative Writing Program Fee - Supports the costs of guest authors and undergraduate publications. Approved by the Board of Regents</b>	\$4 per credit hour

<b>in 2011.</b>	
<b>ECEN Optics Program Fee - Supports equipment and software in optics labs for various graduate optics courses. Approved by the Board of Regents in 2011.</b>	\$15 per credit hour
<b>ECON Program Fee - Funds activities of the Economics Club like graduation ceremony support, speaker, etc. and tutorial resources to support undergraduate success in economics courses. Originally approved by the Board of Regents in 2000. Changed to program fee and increased from \$2 per course in 2009.</b>	\$5 per course
<b>ELECT/Computing Eng Program Fee (Undergraduates) - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$15 per credit hour
<b>Engineering Excellence Fee - Supports the operations of the Integrated Teaching and Learning Laboratory, the Discovery Learning Center and the Herbst Program of Humanities. Originally approved by the Board of Regents in 1994; increased from \$18 to \$27 in 2011. The increase supports additional investment in equipment, student programming, tutoring and educational programs.</b>	\$27 per course
<b>ENV D Program Fee - Supports computer and print labs, the Visual Resource Center, and the Model Shop. Charged to undergraduate environmental design students. Originally approved by the Board of Regents in 2003.</b>	\$33 per credit hour with a maximum of \$297 per semester
<b>Film Production Program Fee - For Critical Studies, this fee supports technology and supplies related to film screening rooms. For Production courses, this fee helps cover costs associated with film production equipment. Changed from course fees (\$70/credit hour) to this program fee in 2011.</b>	\$90 per credit hour for Production courses
<b>Film Critical Study Program Fee - For Critical Studies, this fee supports technology and supplies related to film screening rooms. For Production courses, this fee helps cover costs associated with film production equipment. Changed from course fees (\$85/course) to this program fee in 2011.</b>	\$110 per Critical Studies course
<b>Fine Arts/Classics Program Fee - Description coming soon.</b>	\$75 per course
<b>Geology Program Fee - Provides computer hardware and software, equipment, and tutoring. Approved by the Board of Regents in 2011.</b>	\$25 per course
<b>Germanic/Slavic Program Fee - Supports various student enrichment programs and outcomes assessment activities. Approved by the Board of Regents in 2011.</b>	\$1 per credit hour for undergraduate courses
<b>Integrative Phys Program Fee - Provides lab equipment and supplies. Approved by the Board of Regents in 2011.</b>	\$26 per course
<b>ITLL/General Engr Program Fee - Description coming soon.</b>	\$32 per credit hour
<b>Journalism Program Fee - Supports equipment and instructional needs. Originally approved by the Board of Regents in 1994. Increase of \$9 was approved in 2007.</b>	\$25 per course
<b>Law Clinical Program Fee - This program provides free legal</b>	\$100 per course

<b>services to low-income Coloradans and the fee has not changed in over fifteen years, while the program has expanded dramatically in that time. Changed from course fee of \$29 per course to this program fee in 2011.</b>	
<b>Linguistics Program Fee - Supports provision of language consultants to provide native language skills to students enrolled in three different courses. Approved by the Board of Regents in 2011.</b>	\$25 per course
<b>Mathematics IT Program Fee - Supports the costs of technology and software used by undergraduate and graduate students. Approved by the Board of Regents in 2011.</b>	\$2 per credit hour
<b>Mechanical Engr Program Fee - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$5 per credit hour
<b>Music Major Program Fee - Supports instrument purchases and maintenance costs, recording and media equipment, accompanists fees, concert support, outreach, guest artists and program enhancements. Originally approved by the Board of Regents in 1994 as course fees. Changed to program fee in 2008. Increased from \$275 to \$375 in 2011.</b>	\$375 per semester
<b>Physics Program Fee - Provides lab equipment, supplies, furniture, computer hardware and software, lab manuals, and lab personnel. Approved by the Board of Regents in 2011.</b>	\$7.50 per credit hour
<b>Theater &amp; Dance Program Fee - Supports maintenance costs, equipment, guest speakers and performers, performance materials, required attendance subscription tickets, and accompanists. Originally approved by the Board of Regents in 1995 as course fees. Changed to program fee in 2009.</b>	\$15 per credit hour
<b>Writing and Rhetoric Program Fee - Supports course enhancements, the operation of and upgrades for the program's mobile computer labs, guest speakers, activity fees, and general course support. Approved by the Board of Regents in 2003.</b>	\$10 per course for upper-division courses  \$25 per course for first year curriculum writing courses

## Spring 2012 Program Fees Per Semester

<b>A&amp;AH LEC/SEM Program Fee - Supports fuel, equipment, supplies, and a growing reliance on computer technology and software needs for students. Originally approved by the Board of Regents in 1994 as course fees. Changed to program fee in 2009.</b>	<b>\$75 per Art History course</b>
<b>A&amp;AH Studio Program Fee - Supports fuel, equipment, supplies, and a growing reliance on computer technology and software needs for students. Originally approved by the Board of Regents in 1994 as course fees. Changed to program fee in 2009.</b>	<b>\$225 per Fine arts Course</b>

ATOC Program Fee - Provides lab computers, demonstration personnel, and equipment. Approved by the Board of Regents in 2011.	\$21 per course
ATOC Program Fee - For ATOC 1070 and 3300 - provides lab computers, demonstration personnel, and equipment. Approved by the Board of Regents in 2011.	\$50 per course
CHEM Program Fee - Provides lab equipment, supplies, computer hardware and software, teaching aids, and lab personnel. Approved by the Board of Regents in 2011.	\$26 per course
CHEM/BIO Engr Program Fee - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.	\$5 per credit hour
Civil/Arch Engr Program Fee - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.	\$12 per credit hour
COMM Program Fee - Supports the Technology Across the Curriculum Program, which designs, implements and supports the introduction and use of technology for Communication courses, ranging from clickers to cameras, and more. Originally approved by the Board of Regents in 2001.	\$5 per credit hour
Computer Science Program Fee (Undergraduates) - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.	\$3.50 per credit hour
Computer Science Program Fee (Graduates) - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.	\$2.50 per credit hour
Creative Writing Program Fee - Supports the costs of guest authors and undergraduate publications. Approved by the Board of Regents in 2011.	\$4 per credit hour

DNCE Program Fee - Supports maintenance costs, equipment, guest speakers and performers, performance materials, required attendance subscription tickets, and accompanists. Originally approved by the Board of Regents in 1995 as course fees. Changed to program fee in 2009.	\$15 per credit hour
ECEN Optics Program Fee - Supports equipment and software in optics labs for various graduate optics courses. Approved by the Board of Regents in 2011.	\$15 per credit hour
ECON Program Fee - Funds activities of the Economics Club like graduation ceremony support, speaker, etc. and tutorial resources to support undergraduate success in economics courses. Originally approved by the Board of Regents in 2000. Changed to program fee and increased from \$2 per course in 2009.	\$5 per course
ELECT/Computing Eng Program Fee (Undergraduates) - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.	\$15 per credit hour
Engineering Excellence Fee - Supports the operations of the Integrated Teaching and Learning Laboratory, the Discovery Learning Center and the Herbst Program of Humanities. Originally approved by the Board of Regents in 1994; increased from \$18 to \$27 in 2011. The increase supports additional investment in equipment, student programming, tutoring and educational programs.	\$27 per course
ENVD Program Fee - Supports computer and print labs, the Visual Resource Center, and the Model Shop. Charged to undergraduate environmental design students. Originally approved by the Board of Regents in 2003.	\$33 per credit hour with a maximum of \$297 per semester
Film Production Program Fee - For Critical Studies, this fee supports technology and supplies related to film screening rooms. For Production courses, this fee helps cover costs associated with film production equipment. Changed from course fees (\$70/credit hour) to this program fee in 2011.	\$90 per credit hour for Production courses
Film Critical Stdy Program Fee - For Critical Studies, this fee supports technology and supplies related to film screening rooms. For Production courses, this fee helps cover costs associated with film production equipment. Changed from course fees (\$85/course) to this program fee in 2011.	\$110 per Critical Studies course
Fine Arts/Classics Program Fee - Description coming soon.	\$75 per course
Geology Program Fee - Provides computer hardware and software, equipment, and tutoring. Approved by the Board of Regents in 2011.	\$25 per course
Germanic/Slavic Program Fee - Supports various student enrichment programs and outcomes assessment activities. Approved by the Board of Regents in 2011.	\$1 per credit hour for undergraduate courses
Integrative Phys Program Fee - Provides lab equipment and supplies. Approved by the Board of Regents in 2011.	\$26 per course
Integrative Phys Program Fee - For PSYC 5232 - provides lab equipment and supplies. Approved by the Board of Regents in 2011.	\$26 per course

ITLL/General Engr Program Fee - Description coming soon.	\$32 per credit hour
Journalism Program Fee - Supports equipment and instructional needs. Originally approved by the Board of Regents in 1994. Increase of \$9 was approved in 2007.	\$25 per course
Law Clinical Program Fee - This program provides free legal services to low-income Coloradans and the fee has not changed in over fifteen years, while the program has expanded dramatically in that time. Changed from course fee of \$29 per course to this program fee in 2011.	\$100 per course
Linguistics Program Fee - Supports provision of language consultants to provide native language skills to students enrolled in three different courses. Approved by the Board of Regents in 2011.	\$25 per course
Mathematics IT Program Fee - Supports the costs of technology and software used by undergraduate and graduate students. Approved by the Board of Regents in 2011.	\$2 per credit hour
Mechanical Engr Program Fee - Provides lab computer hardware and software, supplies, equipment, and lab personnel. Approved by the Board of Regents in 2011.	\$5 per credit hour
Music Major Program Fee - Supports instrument purchases and maintenance costs, recording and media equipment, accompanists fees, concert support, outreach, guest artists and program enhancements. Originally approved by the Board of Regents in 1994 as course fees. Changed to program fee in 2008. Increased from \$275 to \$375 in 2011.	\$375 per semester
Physics Program Fee - Provides lab equipment, supplies, furniture, computer hardware and software, lab manuals, and lab personnel. Approved by the Board of Regents in 2011.	\$7.50 per credit hour
Theater & Dance Program Fee - Supports maintenance costs, equipment, guest speakers and performers, performance materials, required attendance subscription tickets, and accompanists. Originally approved by the Board of Regents in 1995 as course fees. Changed to program fee in 2009.	\$15 per credit hour
THTR & Dance Program Fee - Supports maintenance costs, equipment, guest speakers and performers, performance materials, required attendance subscription tickets, and accompanists. Originally approved by the Board of Regents in 1995 as course fees. Changed to program fee in 2009.	\$15 per credit hour
Writing & Rhetoric LD Fee - Supports course enhancements, the operation of and upgrades for the program's mobile computer labs, guest speakers, activity fees, and general course support. Approved by the Board of Regents in 2003.	\$10 per course for upper-division courses  \$25 per course for first year curriculum writing courses
