#### Student Health Insurance Plan Rates

All students are charged for health insurance because it is mandatory at CU Boulder if you are a graduate student enrolled in 1 or more credit hours. If you have your own health insurance, you need to select the Campus Care Plan or waive university-sponsored health insurance in [mycuinfo.colorado.edu](http://mycuinfo.colorado.edu) by September 3 for fall. If you waive it for fall, you do not have to waive it for spring. If spring is your first term, waive insurance by January 21.

Student Gold Insurance Plan \$1,695  
Wardenburg Campus Care Plan \$175

<sup>(1)</sup> Status is determined by the graduate school, see reverse side.

<sup>(2)</sup> Students enrolled in Journalism programming will continue to be billed a tuition amount equal to this rate structure.

<sup>(3)</sup> Tuition for BUS PROF MS continues to increase \$1,273 for each credit hour over nine.

<sup>(4)</sup> Students taking one class of five or fewer hours are charged \$86.18.

<sup>(5)</sup> Athletic fee is not assessed if student takes three or fewer credit hours.

Note: RA, TA, and GPTI appointments typically pay for a portion of or all of your tuition, however, you are still responsible for paying mandatory fees, course fees, and program fees each semester. The amount of the waiver is based on your contract. If you have questions, please check with your department.

# Graduate Student Status

Status	What does it mean?	How is it assigned?
<b>Master's Student Status</b>		
A	Registered for coursework and/or masters thesis hours	Automatic- based on registration
B	Registered for "candidate for degree", course # 6940-6949  (Students who are required to be registered for thesis defense or master's final exam but have no courses or thesis hours left to take, and/or students who must remain full time. A maximum of 3 hours should be taken per semester, as this registration placeholder cannot be used toward a student's degree)	Automatic- based on registration
<b>Doctoral Student Status</b>		
Pre-Comprehensive Exam		
C	Registered for coursework or coursework/dissertation hour combination	Automatic- based on registration
E	Registered for dissertation hours only	Automatic- based on registration
Post-Comprehensive Exam		
D	Registered for 3 or 5+ dissertation hours as required by Graduate School Rules	Changed by Graduate School for semester following admission to candidacy

Most of the different statuses are assigned automatically based on the student's registration. The only exception is "D" status, which is assigned by the Graduate School. Students must have passed their comprehensive exam, and have been admitted to candidacy before this status can be changed. The status is changed for an upcoming semester.
