### COLLEGE OPPORTUNITY FUND \$94 per credit hour/semester

The College Opportunity Fund (COF), created by the Colorado legislature, provides a stipend to eligible undergraduates paying in-state tuition. The stipend pays a portion of total tuition for undergraduate students who attend a Colorado public institution or a participating private institution. The stipend is paid to the institution on a per-credit-hour basis, and the credit-hour amount is set annually by the General Assembly. Students must complete the COF application on the official state College Opportunity Fund website and authorize use of funds to receive COF. Students who do not complete both of these steps will be responsible for paying the total in-state tuition.

### BILLS

Bills are online only. Students access billing information in the student portal once they are enrolled. Parents and other family members need to get access from their students in order to view the bill. Students authorize payers in the student portal. Authorized payers access billing information in CUBill&Pay.

### PAYMENT PLANS (enrollment fee \$25)

Eligible students and authorized payers can pay the university bill over the course of the semester. Students sign up for payment plans in the student portal. Authorized payers sign up in CUBill&Pay. More information at <https://www.colorado.edu/bursar/payments/payment-plans>.

### DIRECT DEPOSIT FOR TUITION & FEE REFUNDS

Direct deposit allows for quick, secure deposit of refunds from confirmation deposits, housing deposits, scholarships, financial aid, overpayments, etc. into your bank account. Set up direct deposit in the student portal. Direct deposit of tuition and fee refunds is unrelated to payroll direct deposit.
