### ASSISTANTSHIPS

Some graduate students may be eligible for the tuition remission benefit in the form of a research assistantship (RA) or teaching assistantship (TA) waiver for credit classes only. The type (RA or TA) and amount of the waiver is based on the contract and which waiver the department applies to your bill. If you are a graduate assistant (GA) or graduate part-time instructor (GPTI), please check eligibility with your department.

RA and TA tuition remission pays toward tuition only. Students are still responsible for paying mandatory fees each semester.

### BILLING

Bills are online only. Students access billing information in the student portal ([colorado.edu/studentportal](https://colorado.edu/studentportal)) once they are enrolled. Spouses, partners, parents and other family members can get access in order to view the bill. Students authorize payers in the student portal. Authorized payers access billing information in CUBill&Pay.

### PAYMENT PLANS (enrollment fee \$25)

Eligible students and authorized payers can pay the university bill over the course of the semester. Students sign up for payment plans in the student portal ([colorado.edu/studentportal](https://colorado.edu/studentportal)). Authorized payers sign up in CUBill&Pay. More information at [colorado.edu/bursar/payments/payment-plans](https://colorado.edu/bursar/payments/payment-plans).

Rates published by the Bursar's Office are the official rates approved by the Board of Regents and reflect the most accurate and up-to-date tuition and fee information. The Board of Regents reserves the right to change rates at any time. Tuition charged is based on residency, degree and number of credit hours. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken in Continuing Education incur separate tuition and fees. Rates may be subject to change.

<sup>1</sup> Tuition continues to increase at the per-credit-hour rate for each hour over 18.
