Rates published by the Bursar's Office are approved by the Board of Regents. The Board of Regents reserves the right to change rates at any time. Tuition charged is based on residency, degree and number of credit hours. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken in Continuing Education incur separate tuition and fees. Rates and guarantee groups may be subject to change.

<sup>1</sup> Tentative - see reverse side for more information

<sup>2</sup> The 2021-22 Post-Pandemic Tuition Credit is a one-time tuition buy-down equal to the 2021-22 tuition rate increase that will be applied to each credit hour as shown. The one-time buy-down is for 2021-22 only and is not included in CU Boulder's tuition guarantee.

<sup>3</sup> The net tuition rate for 2021-22 after the buy-down.

<sup>4</sup> Total tuition continues to increase at the same increment for each hour over 18.

### COLLEGE OPPORTUNITY FUND \$94<sup>1</sup> per credit hour/semester

The stipend is paid to the institution on a per-credit-hour basis, and the credit-hour amount is set annually by the General Assembly. Students who do not complete both of these steps will be responsible for paying the total in-state tuition.
