Rates published by the Bursar's Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your college, school or program. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education have separate tuition, fees and billing. Rates and deadlines may be subject to change.

¹ Summer tuition is a flat rate between 9 and 18 credit hours. It continues to increase at the same increment for each hour over 18.

² Graduate Student Registration Status is determined by the graduate school. See colorado.edu/graduateschool/graduate-student-registration-statuses.

³ Fee totals do not include the A&S Tech (ASSET) Fee and the New Student Fee.

⁴ The Transit Pass Fee is waived for Summer 2023. Services will not change. Students can continue using bus and transit services throughout the summer.
