Rates published by the Bursar's Office are approved by the Board of Regents annually in accordance with the level of cash fund appropriations set for the university by the Colorado General Assembly. The Board of Regents reserves the right to change tuition and fees at any time. Tuition charged is based on residency classification, number of credit hours and your college, school or program. Fractional credit hours outside of flat rate tuition are assessed the average rate between the two closest credit hours. Dual degrees are charged the higher rate. These rates apply to Boulder Main Campus only. Classes taken on different campuses and Continuing Education incur separate tuition and fees. Rates, deadlines and guarantee groups may be subject to change.

¹ Total tuition continues to increase at the same increment for each hour over 18.

² Fee totals do not include the A&S Tech (ASSET) Fee, the Immigration Fee, the New Student Fee and the Student Information Fee.
