

Mahdiyeh Amozegar

mahdiyeh.amozegar@colorado.edu

EDUCATION

Ph.D. in Business Administration, Marketing	University of Colorado Boulder	currently enrolled
M.Sc. in Management, Marketing	University of Ottawa	2021
M.A.Sc in Electrical & Computer Engineering	Concordia University	2015

RESEARCH INTERESTS

Consumer decision making, affect and emotion, self-regulation, self-concept

JOURNAL PUBLICATIONS

Amozegar, M. and Khorasani, K. “An Ensemble of Dynamic Neural Network Identifiers for Fault Detection and Isolation of Gas Turbine Engines,” *Neural Networks*, 76, 106-121, 2016.

CONFERENCES & PRESENTATIONS

Boroomand, F., Fereidunian, A., Zamani, M.A., **Amozegar, M.**, et al., “Cyber Security for Smart Grid: A Human-Automation Interaction Framework,” Paper in the *Proceedings of IEEE Innovative Smart Grid Technologies Conference*, Gothenburg, October 2010.

RESEARCH EXPERIENCE

Research Assistant <i>Telfer School of Management, University of Ottawa</i>	2018 - 2021
Research Assistant <i>University of Montreal Hospital Research Center</i>	2016 - 2019
Research Assistant <i>ECE Department, Concordia University</i>	2012 - 2015

TEACHING EXPERIENCE

Teaching Assistant <i>Telfer School of Management, University of Ottawa</i>	2019 - 2020
Teaching Assistant <i>ECE Department, Concordia University</i>	2012 - 2015
Teaching Assistant <i>Computer Science Department, Concordia University</i>	2012 - 2015
Lab Demonstrator <i>ECE Department, Concordia University</i>	2010 - 2013
