Kennedy Stephen

Hi! My name is Kennedy Stephen and I am from Denver, Colorado. I am currently a junior and lived in the Cheyenne Arapaho RAP. My emphasis is undecided but I am leaning towards either Marketing or Accounting (or both!). I am also planning on getting the Global Business certificate and a minor in Media Studies. I love being outdoors, playing volleyball (I played intramural volleyball last year), and hanging out with friends. I am in a Greek sorority, the CU Bee Club, and Women in Business. I love watching good crime documentaries on Netflix and I also love to travel, whether it be around Colorado or to another country. I also have two dogs Birdie and Buddha that I love! I know how nervous I was starting out my first year here at CU, and my mentor was able to support me tremendously – I hope to do the same :) I am excited to help my future mentee with their first year academically, socially, and fall in love with Boulder!

**Julia Tengesdal**

Hi, I'm Julia! I am from Naperville, IL and I came to Boulder because it is obviously beautiful here and I want to live in Colorado after I graduate! I enjoy hiking, snowboarding, going to concerts, and traveling. I also love hanging out with friends, watching Netflix, and going to on little weekend getaways when I can. I was a member of the Leeds RAP when I was a freshman and I loved everything about it including having classes in the dorm and meeting people that will be in your classes throughout college. I am going to be a junior and I plan on studying Finance with a certificate in Global Business as well as pursuing a minor in German.

**Jordyn Tye**

Hey! My name is Jordyn Tye and I am a junior at CU Boulder! I am a native of Colorado Springs, Colorado. I am majoring in marketing with a minor in political science on the pre-law track. At CU, I am in the Women in Business Club, the Leeds Honors Program, Student Ambassadors (I am a tour guide), French Club, and a member of the pre-law club. When I am not doing school work, you will probably catch me exploring the outdoors, traveling, somewhere taking photos, playing piano, driving around aimlessly, at Zumba, watching New Girl, West Wing and Madame Secretary on Netflix (I'm a huge nerd for politics), or reading. Anyone who knows me knows that I am a huge coffee enthusiast and night owl. I look forward to meeting you!
