BS in Business Administration: Marketing Area of Emphasis
Catalog Years 2018-2019 & 2019-2020

The curriculum in the Leeds School of Business is structured such that students move through business classes in a prescribed order. Prerequisites are strictly enforced. This is an example plan for completing a business degree in eight semesters including a semester abroad. Each student's plan will vary depending on the study abroad program they choose and the classes available on that program. **Students are not limited to this plan; it is meant to be used as a guide for planning purposes.**
