

SAMPLE Four Year Plan with a Semester Abroad
BS in Business Administration: All Areas of Emphasis
Catalog Years 2018-2019 & 2019-2020

The curriculum in the Leeds School of Business is structured such that students move through business classes in a prescribed order. Prerequisites are strictly enforced. This is an example plan for completing a business degree in eight semesters including a semester abroad. Each student's plan will vary depending on the study abroad program they choose and the classes available on that program. **Students are not limited to this plan; it is meant to be used as a guide for planning purposes.**

*Most students study abroad in the spring of their third year, but it is possible to study abroad during any semester and still graduate on time. Students work closely with their academic advisor to have their courses preapproved before their semester abroad so that they can be sure the classes they take will apply to their degree and keep them on track with the Leeds curriculum.
