

2021 INTERNATIONAL PEER MENTORS

Matias Capli

I am a current senior at CU pursuing a double degree in Economics and Finance with a minor in Philosophy. I am from Asuncion, Paraguay. I really enjoy helping people. Especially, helping them do things they did not think they were capable of. In my free time, I love to play music (guitar, drums, piano), play sports, go on hikes, try new activities, or travel.

Congyi Lyu

Hi! My name is Congyi Lyu. I am an international student from China. I am a junior and doubling my major in finance and accounting. I like music and reading. I am willing to talk with you guys and share my experience in Leeds. Hope to see you soon :)

Yui Ishikawa

Hello, I am Yui majoring in marketing and information management. I am originally from Japan and am a transferrered student. Joining Leeds as a transfer student and as a non-native English speaker was not easy, but it is possible to enjoy college life! I am willing to share my tips and information I gained to make school less stressful and full of opportunities!

Yi Lu

I will be a Senior from Aug 2020. My major is Accounting and Finance, if you have the same major as me, I will give you more information or helps. Such as recommending courses or teachers. I am very friendly and I like helping people. If you have any problems, either in your academic study or campus life, just tell me!

Hailee Settlemoir

Hello! I am from Saint Louis, Missouri and love hiking, listening to music, hanging with friends, and taking care of plants. In addition to studying Social Responsibility and Ethics, I also am doubling majoring in Chinese. I am very passionate about mental health awareness and equality. Nothing is more important to me than being honest and being as helpful as possible.

Amy Wang

I am a rising Junior at the Leeds School of Business studying Information management and Business Analytics as well as a minor in music. I am from Vancouver, Canada, and am so happy to be part of the amazing Leeds community at CU. I have been playing the violin and piano since I was 5 and had the amazing opportunity to perform at Carnegie Hall in New York with my music ensemble! I had a great experience with P2P my freshman year and hope to provide any help and insights in making your transition to CU and Leeds easier as you adjust to freshman year. I look forward to meeting you! SKO Buffs!

Vivi Zhang

Hi, I'm Vanessa. I came from China, and my majors are finance, computer science, and accounting. I love watching films and shows in my free time, my favorite one is Big Bang. I'm a senior now at CU Boulder, but I learned Russian before transferring here. I like swimming and skiing, too. I have two cats, they are Furball and Snail, they are pretty and making troubles every day. I love to communicate with people and make new friends!
